

KINGSWAY CHRISTIAN SCHOOL

Corporate Sponsor Benefits Package

Did you know?

It is estimated that 14,640 people in Hendricks County are living with food insecurity and of that number, 5,160 are children. This means that 1 in 6 people are food insecure in Indiana (data provided by the Hendricks County Food Pantry Coalition).

Help us feed the hungry in Hendricks County & Indiana

This Spring, our school will be hosting an event called “All IN.” As a part of our community, you frequently have seen and have demonstrated that we are united in our shared love for God, our love for learning, and our love for others. This year, we’d like to create a community event that shows our faith in action.

Our annual fundraiser was designed to help raise needed funds for Kingsway Christian School, but this year we are partnering with the Million Meal Movement in an effort to tangibly demonstrate our love for others. The fundraiser will culminate in a one-day Packing Party event at KCS on Thursday, April 30. Our students will personally make a difference as they pack, seal and box over 40,000 meals that will be containerized, shipped and distributed to hungry families in our community and beyond.

A portion of the moneys raised will help us to provide healthy meals for hungry families right here in Hendricks County & Indiana. This meaningful, hands-on event will provide our students with another opportunity to serve those in need. This event is not only on-mission but it will allow us to advance our school’s values of growing in our love for God, our love of learning, and our love for others.
