

Location of Model and Serial no. on KETTLER fitness equipment

The model no. and serial no. will be found on a silver label in various places on the unit itself. The illustrations below are of the most common places that the labels are located. The label illustrated below is an example only; your label may differ slightly. If you have trouble locating label please contact the KETTLER parts/service dept. at 866.804.0440 or email parts@kettlerusa.com.
