

Private Information Policy for Key Realty

Professional Real Estate agents may gather personal information such as your name, address, phone number, email address, social security number, etc during inquiries in purchasing or selling of real estate property. This information may be stored in our office or office computers. Protecting your privacy is very important to our agency. We only share this information during a transaction for a subject property with other professional real estate firms or legal office as required to complete bids, contracts and closing documents when buying or selling. We do not sell your private information.
