Hawaiian Islands — Paradise Of The Pacific

Mark Twain once described these islands as "The loveliest fleet of islands that lies anchored in any ocean." The first Hawaiians are believed to be Polynesians from Samoa or Tahiti inhabiting the islands about 500 B.C. They had a religion based on gods that asked for human sacrifices, and their kings and priests were powerful. There was a complex system of taboos which made life difficult for the ordinary person. In spite of their harsh laws, they were gentle people, courteous, hospitable and kind. They loved dancing, singing and story-telling.

Captain James Cook, British voyager seeking the Northwest Passage, was the first white man to discover these beautiful green islands in the year of 1778—landing on the island of Kauai. Captain Cook named the islands the Sandwich Islands—but the name was later abandoned. Cook was treated as a god when he arrived on the island. During his second visit in 1779, he went to the island of Hawaii. There his men were unfair in their dealings with the natives, a fight broke out and Captain Cook was killed on the beach while trying to get back to his ship.

The first king of the islands was King Kamehameha I, who was a just and wise king. When the old king died, drastic powers of the old religion died with him and many taboos were broken.

In 1823 the first group of missionaries arrived from Boston, Mass., establishing a Hawaiian alphabet, teaching books, Bibles and newspapers printed in the Hawaiian language. Soon, Christianity became the national religion of the islands.

King Kamehameha II ruled from 1819 to 1824. With his wife he visited England in 1823 and died there of the measles.

Kamehameha III ruled from 1825 to 1854. He had the queen of Kamehameha I as his regent—this started a practice of having a regent, usually a female, in each reign. A constitution, parliament, taxes and a criminal code were established.

King Kamehameha IV ruled from 1854 to 1863. He and the queen visited England and Queen Emma and Queen Victoria became good friends.

David Kalakaua, who won the election to the throne against Queen Emma, ruled from 1874 to 1891. He signed a treaty with the United States in 1875 and had a fabulous coronation in 1883. A main shopping street in Waikiki is named for him.

Queen Liliuokalani (1838 - 1917) was the last of Hawaii's rulers. She was deposed so a provisional government could be established with the intention of achieving annexation to the United States.

A PROJECT
WITH A PURPOSE

Have you ever heard of saving beer cans?

The survivors of Chapter One, Phoenix, Arizona, have completed a project of collecting more than 5,000 pounds of aluminum beer cans which was sold to two local beer companies for salvage and reuse at 10 cents a pound. The chapter received a check for $500.

Jerry C. Jarolimek (USN Nevada) chairman of this project with a purpose, states "This project had two purposes. One—It helps clean up the litter. Two—the money raised from the project will send an Arizona mother who has a son entertained abroad the USS Arizona. This mother will go with the chapter members to Hawaii December 7, 1971—30th Anniversary of the attack on Pearl Harbor."

Jerry further states "This has been a wonderful worthwhile project that cost nothing to the members or to the public, but time."

You are probably curious to know how many empty beer cans were collected to make the 5,000 pounds of aluminum. It took 115,000 beer cans.

Congratulations, Jerry, and to those who made the "project with a purpose" come true.

the President's Corner

This office has been advised that our Association's proposal for a Commemorative Stamp in honor of the 30th Anniversary of Pearl Harbor, December 7, 1941, has been placed on the agenda for consideration by the Citizens' Stamp Advisory Committee. A joint effort by several people in PHSA is responsible for advancing the proposal to its present position. Additional Congressional and private support is now necessary and will help our cause a great deal. The importance of your individual efforts cannot be overly emphasized. Write your Congressmen and urge their support. Ask your friends to write, also. We want this stamp! DO IT NOW!

Standards for the granting of Federal Charters to non-profit corporations have been received by this office. In agreement with these standards, a proposal is now being prepared for submission to the Senate Judiciary Committee. As a point of information, these standards do not include a fee for the issuance of such Federal Charters. I have been advised that the Senate Judiciary Committee has not acted favorably on a national charter proposal during the last two Congresses. However, this shall not be accepted as a deterrent to our cause and every possible effort will be made for a successful conclusion to our proposal for a National Charter. This column will keep you informed of developments.

In approximately 8 months we will be making our return trip to Hawaii to observe the 30th Anniversary of the attack on Pearl Harbor. In view of the number of survivors and guests who indicate that they will make this trip, it is imperative that you get your reservations and depositia to Fitz-Patrick Travel Service as soon as possible. We have availed ourselves of the largest room possible for our Memorial Banquet. However, this banquet room will only accommodate approximately 2,600 people. As a consequence, we are forced to operate on a first-come, first-served basis. Everyone will be accommodated but the overflow will dine and be entertained in facilities other than the main banquet room. I urge each and everyone of you to make your reservations early.

National Vice-President "Bo" Wilson is now in charge of the non-member list. Please send listing of all NEW non-member contacts to him at: 717 Dale Drive, Lincoln, Nebraska 68510.

A MARINE DOES IT!

Yes, this Marine has done it! He has recruited more than one hundred new members into PHSA. His award — a free round trip ticket to Hawaii.

Elmer Grayson was born September 24, 1921, lived and attended school in Mattoon, Ill., then moved to Chicago in early 1940.

In July, Elmer received a Marine “Flag-Posting” pass card from a lifelong school buddy who had just joined the Corps. It had an impact on him — he enlisted in the U.S. Marine Corps, July 27, 1940, and took his training at the Marine Corps Base, San Diego, California. He was selected to attend Sea School and upon completion of the school, he boarded the USS Sarasota for Pearl Harbor where he was assigned to the Marine Detachment aboard the USS Nevada on October 19, 1940.

Elmer reenlisted Dec. 7, 1941. “After breakfast, I had dressed and was ready to go ashore on liberty when General Quartermasters sounded. I went to my battle station No. 7, broadside, casemate No. 7. My duty was a sight sealer. We soon had to abandon gun No. 7, pulling out all of the gun powder because of fire coming in from gun No. 9 and continued fighting from gun No. 4. Being the only Battlewagon to get under way, the full impact of what was happening came to realization seeing the Arizona blown to hell as we were passing. After reaching at ‘Nevada Point’, the ensuing hours were spent carrying ammo and clean up and salvage.”

A Commendation for his work in salvage of USS Nevada was issued to Elmer by Admiral Chester W. Nimitz, USN, February 23, 1942.

After spending ten months in the Naval Hospital, Seattle, Wash., due to injuries suffered in an accident, he received a medical discharge in January 1944. On June 4, 1942, Elmer and his lovely wife, Vicki, were married. They have two daughters, Tanya Lynn English, age 27, and Marcia Joy Ferris, age 25. They have four grandchildren — Jeff and Stacy English, ages 6 and 4, and Tori Lynn and David Ferris, ages 2% and 1 year.

Elmer has been employed for 15 years for Conrad Charles at Con’s Auto Parts (see Booster page) as his head counterman.

Elmer joined PHSA August 1, (CONTINUED ON PAGE 5)

CLAY JAY FOX

General quarters sounded Dec. 7, 1941, at the time when ClayJay Fox was ready to take his seat in the mess hall, aboard the USS New Orleans, to have his bacon and eggs for breakfast. Off to the bridge he went to man the sound power phones as he was the “Captain’s talker.”

Clay was born Nov. 10, 1917, at Centralia, Washington. Here he spent his first 21 years in this agriculture and lumbering town in western Washington going to grade and high school and working. His naval career began Jan. 8, 1940 — when he enlisted at Portland, Oregon. He went aboard the USS New Orleans in August 1940 until May 1945, had duty with Commander, Western Sea Frontier and later saw duty in Agana, Guam, in the governor’s office.

Our January issue of the GRAM ran an article about John R. Thomas, Los Angeles Chapter No. 1 (Calif.) regarding his activities on amateur radio and his attempts to contact other survivors who are HAMS. Now it comes out that John, WB6YID, and a HAM in Illinois Chapter One by the name of James E. Oberio, who operates under the call letters of W4YV, have been holding regular meetings on the air every Saturday morning for quite sometime.

They meet, for anyone who might be interested, on the 12 meter band at 21350 KHz as pointed out in our earlier issue. Those interested should contact Jim, W4YV.

Jim teaches instrumental music at the Evergreen Park Community High School in Evergreen Park, Illinois. He has been teaching for 21 years and is looking toward retirement in 1975.

The Oberios, Jim and Carol, have one daughter who is married and has a son by the name of Raymond Joseph O'Malley—Grandpa Jim is called "Bompa." A few weeks ago, Jim made the necessary arrangements for three foreign students, attending the school where he teaches, to talk with their parents over his HAM radio. One student was a girl from southern Brazil, a boy from central Brazil and a young lad from Korea.

Jim and wife reside at 5425 W. 99th Street, Oak Lawn, Ill. 60453.

THANK YOU
Dear Fellow Survivors:

This is my first letter since coming home from a long stay in two hospitals.

I am so grateful for the many cards, get well notes and phone calls on my behalf, and the many beautiful flowers sent by my shipmates and friends during my stay in the hospital.

ALL I CAN SAY IS THANK YOU ONE AND ALL. It takes something like this to make one realize what a great bunch of people we have in our exclusive group of wonderful people.

I am now able to be at home nights and go to the hospital as an out-patient three times a week. I am on a kidney machine that is keeping me alive and feeling pretty darn good, gaining strength and hope to carry on a normal life. I am training to learn to operate my own machine at home in the next couple of months.

I hope to see you all at the coming California State Convention in July, and to thank you all in person at that time.

Sincerely yours,
Hayne L. Moyer

See You In Hawaii

MOANA HOTEL

The Moana is the Hawaii you’ve dreamed of, romantic evenings under the graceful branches of a giant Banyan tree; a few steps away the golden sands of Waikiki and the blue Pacific. Spend your days relaxing on the beach, swimming...and of course, surfing. Experience the thrill of an outrigger canoe ride. Discover the delights of the Moana’s ‘Beach Bar’. Here the bikini watching is better than anywhere else in Hawaii. Forget the work-a-day world for an island paradise.

KAMEHAMEHA STATUE

Here of the Hawaiians, Kamehameha I, united the Islands into one kingdom and founded the mid-Pacific Kamehameha dynasty. This much-photographed bronze statue of the great ruler, wearing the calak, maile and helmet of early Hawaii, stands before the Judiciary building in Honolulu’s civic center. On June 11, Kamehameha day, Hawaiian societies drape thousands of flowers about the statue, in the form of lei many feet long. (Hawaii Visitors Bureau Photo)

CHILDREN OF HAWAII

Children of Hawaii have been described as the “most fortunate in the world”. With year-round mild climate, they spend most of their time outdoors. Here some children enjoy a day’s outing looking for fish among the rocks. In the background is Mokolii islet (the “cannie hat” islet). (Hawaii Visitors Bureau Photo)

REPORT OF NATIONAL MEMBERSHIP CONTEST

Joel Bachner, National Membership Chairman, states that our national membership contest is drawing slowly to a close. September 30th is the closing date. All sponsored membership applications must be postmarked no later than September 30th, 1971, to be eligible for the contest.

Members who sponsor 100 or more new members will be awarded a round trip, via air, from the West Coast to Hawaii. The member who sponsors the most new members under 100 will be awarded a $100 savings bond. The members sponsoring the second and third most members under 100, will each receive a $50 savings bond. In case of a tie, each will be awarded the same prize.

The next seven members, sponsoring the most members under 100, will receive a PHSA plaque.

All new members sponsored under this contest must be a member in good standing at the end of the contest for the sponsor to receive credit. Sponsors who sign-up ten or more new members will be awarded a PHSA lapel pin by the national office. Only one pin to be awarded to the sponsor regardless of the number of members sponsored.

There will be a drawing for three prizes — first, $100 savings bond; second, $50 savings bond; third, $25 savings bond. A special award of a $50 savings bond will go to the member who signs up all the rest-imstated days of dropouts.

HOWARD BRANNON CHAPTER

Howard Brannon (Arkansas) No. 1 has changed their chapter's name to the Howard Brannon Chapter.

The change in name is in honor and remembrance of their departed member and State Chairman, Howard Brannon. This change is a result of a gentleman's agreement of the original chapter charter members on February 3, 1968 — the first deceased charter member would be so honored.

All PHSA officers should correct their records to reflect the newly named chapter.
