REUNION

Have you made your reservations through FitzPatrick Travel Service to attend our 20th Anniversary Reunion? If you haven’t, be certain to get it in the mail tonight. This is the one reunion you will not want to miss—it will be long remembered by all of those attending.

The schedule of events to take place in Hawaii is listed for your information. Any changes, corrections or additions will be posted on the bulletin boards in the Sheraton Hotels.

Schedule of Events

Wednesday, December 3rd - Arrival of Survivors, families and friends. Your luggage will be handled by responsible personnel and will be placed in your hotel room. This first day is for your convenience.

Thursday, December 2nd - Beginning at 1000, a full BRUNCH will be served at the Sheraton-Waikiki Hotel, and will be open to all Survivors, families and guests. Until 1800, TICKETS WILL BE REQUIRED. Tickets for late-comers, and other guests, will be available at the PHSA desk at the Sheraton-Waikiki Hotel, at a cost of $3.50 each. DON'T MISS THE BRUNCH.

Don't fail to place your name on the USS Arizona Memorial Trip list so that sufficient transportation will be made available. It is planned to have these USS Arizona Memorial visits made on the day of your choice—and at times that will be posted and conforming with the times set for daily visits by the 14th Naval District. Allow yourself at least three hours for the complete tour, which will include the visit to USS Arizona, memorial tour of the harbor, guided tour of the Submarine Base and Museum, plus a short documentary film.

Commemorating at 1000, a grand WELCOME RECEPTION sponsored by the PHSA will be held on the second floor of the Sheraton-Waikiki. You will have tickets for this function and will be required for admittance. Additional tickets will be available to purchase from members of the Alaka' Chaper.

The USS Arizona Memorial Tours will be in effect, be sure to place your name on the list so sufficient transportation will be made available.

An excellent day for the "All Day Circle Island Tour" ($7.00 per person). This is one of the highlights of your visit in Oahu and a MUST if it is your first time in the Islands.

Goodness, I hope you didn’t forget to bring your camera and plenty of film—you will need both on this trip. A good time to go shopping, get on the beach, or just visit.

Suggest you contact your official photographer and have your pictures taken for the Souvenir Picture Book that is to be made available to all Survivors and guests.

Sunday, December 4th - USS Arizona Tours and "All Day Circle Island Tour" for those who would like to go. This is a free day.

Football game in the evening. University of Nebraska vs. University of Hawaii. Transportation will be furnished and embarkation point will be announced. IF YOUR GOING, READ THIS!

Please follow instructions closely!

Those of you who will be making the trip to Honolulu this December it is important that you follow all instructions from your official and exclusive travel agent, the Fitzpatrick Travel Service and also any directives from the national offices. Any unauthorized deviation from flight routings and specified airline arrangements made by Fitzpatrick could lead to some embarrassment, to say nothing of the possible inconvenience and time loss. Our travel agent has been instructed to schedule all flights to be as convenient and pleasant as possible for you and your party. Jo Elliott of Fitzpatrick has assured this office that all will be done for the best possible advantage to our association.

PAGEANT OF THE LONG CANOES

An item of interest that PIASA members and their families should consider taking in while in Hawaii is the Polynesian Culture Center.

The Center is located near Hialea on the north coast of the island and about an hour’s ride by bus.

From the looks of the schedule, Dec. 3rd and 4th or Dec. 8th and Dec. 10th would be ideal time to take this fabulous excursion.

Bus will leave the Sheraton Waikiki Hotel about 1:30 p.m. (in a group) and arrive at the Center about 2:30 p.m.

The first order of the day is the Pageant of the Long Canoes on a tropical lagoon. Too, there will be Polynesian dancing and singing - too beautiful to describe. Following the pageant there will be a tour of the various Polynesian Villages (Mauri, Samoan, Hawaiian, Tongan, Tahitian and Fijian). Then, time out for dinner - your choice of American or Hawaiian foods. At 1:00 p.m. you will see the fabulous Polynesian Review which is a two hour show.

The entire cost for this event is only $19.00 and includes transportation ($8.00). Reservations need not be made in advance but can be made when you register at the hotel. This is a 2-hour excursion - so, don’t miss it!

DONATION AND CONTRIBUTIONS
TO PHS A ARE TAX DEDUCTIBLE

The following letter has been received from the Department of the Treasury, Internal Revenue Service, Washington, D.C., dated July 22nd, and is published for information to all members and chapter officers. Any and all questions pertaining to this letter should be addressed to the National Office, National Secretary-Treasurer.

"Gentlemen":

We have considered your application for a group exemption letter recognizing your subordinate units to be exempt from Federal income tax under section 501(c)(4) of the Internal Revenue Code.

Our records show that you received an individual exemption letter dated June 28, 1965 recognizing you to be exempt from Federal income tax under section 501(c)(4) of the Code. It was held that contributions to you are deductible for income tax purposes under section 170(c) of the Code.

Based on the information supplied, it is concluded that the subordinate chapters; which authorized you to include them in the group exemption application; and which are named on the list submitted, are recognized to be exempt from Federal income tax under section 501(c)(4) of the Code. Donations and contributions to them are deductible for income tax purposes under section 170(c)(3) of the Code.

This ruling does not extend to any subordinate unit which has previously received a ruling or determination letter recognizing it to be exempt. Its qualifications to be included in this group ruling must be separately established.

Your subordinates are required to file an annual information return Form 990. If you do not include the subordinates in a group return, each must file this return by the 15th day of the 5th month after its annual accounting period.

The subordinates are not required to file a Form 1120 income tax return. However, if they are subject to the tax on unrelated business income under section 511 of the Code, they must file Form 990-T. Every organization is required to be exempt under section 501(c)(4) of the Code is liable for the taxes imposed under the Federal Insurance Contributions Act (social security taxes); and for the tax imposed under the Federal Unemployment Tax Act if it has four or more individuals in its employ.

Any questions concerning excise, employment, or other Federal taxes should be submitted to the District Director, Cincinnati, Ohio, which is your key district for exempt organization matters.

You should advise each of the subordinates of the provisions of this ruling, including the requirement for filing information or other returns. Each year, within 45 days after your annual accounting period closes, please send us two copies of the following information about your subordinates:

1. A statement describing any changes during the year in the purposes, characters, or method of operation of your subordinates.
2. A list of the names, mailing addresses including ZIP Codes, and employer identification numbers (if required for group exemption letter purposes) of subordinates on your group exemption roster that during the year:
   a. changed names or addresses
   b. were deleted from the roster
   c. were added to the roster
3. For subordinates added to the roster, a letter signed by one of your principal officers containing or attaching:
   a. A statement that the information upon which your present group exemption letter is based applies to the new subordinate
   b. A statement that each has given you written authorization to add its name to the roster
   c. A list of those to which the Service previously issued rulings or determination letters relating to exemption
4. If applicable, a statement that your group exemption roster did not change during the year.

Your key District Director is being advised of this action.

Sincerely yours,
J. A. Tedesco,
Chief, Rulings Section

On July 17, 1971, the National Vice President, "Bo" Wilson, the Berlier and the National Convention Chairman, Hank Shean, were in session at the National Convention in Alderwood Manor, Washington. They met to formulate final plans and schedules for their return trip to Hawaii this December. The following itinerary was observed in conjunction with these plans:

Upon getting squared away after their arrival on the 16th of July, all hands headed for the purpose of correlating all activities and financial projections into a workable trip schedule. A visit with Mr. and Mrs. Ray Emory, (National Historian) on the evening of the 16th, produced much information and interesting conversation. By burning some "midnight oil" into the wee hours, much work was accomplished.

The National officers were guests at a sumptuous outdoor dinner at Hamlin Park on Saturday evening, the 17th. Hosted by Washington State Chairman, Gerald Wiggins of the Aloha Chapter and the Seattle Chapter.

The 18th of July saw the annual bar-b-que put on by the Seattle Chapter for the sixth consecutive year and as always, handled in fine fashion by Ray Schmatisch and his committee. Attendance at this annual affair numbered some 300 people and was thoroughly enjoyed by all. Even at play, survivors are always interested in PHSA and all the national officers answered many questions put forth concerning our association and the Honolulu trip. The national officers and Hank Shean were presented with the depictions depicting the Arizona Memorial designed by Elmer Grayson and Ken Irwin and the Seattle Chapter.

Less than two hours after our arrival in Honolulu we were in conference with the various representatives of the Sheraton Hotel Chain, accompanied by Jo Elliott of Fitzpatrick Travel Agency. Incidentally, a schedule of meetings with the hotel people, civil and military authorities, had been scheduled for us by Bob Garbuschewski and Lynn Robinson of the Aloha Chapter sometime before our arrival in Honolulu. This proved to be very helpful; a tremendous time saver. As it is impractical to repeat all conversations taking place at these meetings, a schedule is presented for your information.

July 19, 1971 - Arrival in Honolulu approximately 1300. 1400 - Conference with hotel representatives: Sheraton-Waikiki, Moana, PK and Royal Hawaiian regarding rooms, display routes, information desks, registration and directory, catering and entertainment. Dinner and an early bed time hour was welcomed by all.

July 20, 1971 0900 - Meeting with Preston Chapman in which transportation to all activities was discussed. Mr. Chapman furnished a driver and limousine during our stay and many transportation problems were ironed out in between our appointments. 0930 - Met with Mr. Shane, superintendents of the hotel and we talked over schedules and my wish to work up to meet the thousands of visitors arriving for the convention. 1130 - Met with PAO Officer Lt. Col. Barnes, Commo, and his right hand man, Mr. Rockroth. Boating schedule, mini-hours, and a visit to the new sub base museum were discussed. 1200 - We were guests at a lovely dinner at the Kolb Club. The Aloha Chapter showed samples of their shirts and muu muu material and the program book was reviewed.

July 21, 1971 0900 - Another meeting with Lillian Porter of the Sheraton-Waikiki in regard to banquet facilities and to type letter of request to Commo, re: banquet facilities aboard the USS Arizona Memorial.

7200 - Garbuschewski and I over on ABC local tv station talk show. 1400 - Met with Sears people about color tv donation, no action as yet. ("Bo" and Hank off to Univ. of Hawaii to coordinate half time PSIA participation - John in conference with hotel). 1600 - Guests of Lillian Porter for an early dinner and discussion of menu and individual banquet program books. 1930 - To the home of Hawaii State Chairman, J.J. Downes for review of program book layout and make-up.

July 22, 1971 1030 - Received by Mayor Fai, City of Honolulu, in which we requested a proclamation and the reading thereof at the December 4th council meeting. 1300 - To the office furnished sample proclamation. Mayor Fai was kind enough to have pictures made of this meeting and all who attended have been furnished a print. 1330 - Received by Governor Burns, of Hawaii and also requested the same type of proclamation from his office and the reading on Dec. 4th. In addition, Hank Shean furnished a pamphlet on Hawaii which is very unusual and which he requested the governor to print some 500 copies of. Governor Burns is very interested in this but as yet no confirmation on the printing. This office has recently recommended the governor of our request for the printing 1600 - Met with Mr. Harry Buer, photographer in regard to convention coverage and photo booklet for individuals.

Your national officers as representatives of the PHSA in Hawaii were received at all levels with cordiality and much hospitality. The cooperation of the civil and military authorities to this date, has been almost unbelievable. Every request made of these people has been granted us. There remains now only the task of coordinating the schedules. I take this opportunity to thank "Bo", John and Hank for their time and effort expended in this particular project. The cooperation of these gentlemen relative to the work load is unparalleled and they deserve much credit. The Aloha Chapter is to be congratulated for their very fine efforts and special kudos must go to "Skil", "Robby" and Mary Ann. Our Hawaiian gal, Sue Harrigan, who has been a friend for over 30 years has been invaluable in her help. Although not a survivor, "Buzz" Agard and his wife Irma, residents of Honolulu, occupy a special place in our association by reason of a very active interest in our association. May I suggest that if you have not made your reservations for the Aloha Chapter's Luau, that you do so! This Luau promises to be a new to be forgotten experience. Elsewhere in this "Gram" the convention schedule is shown. There may be minor deviations, but in the main that reunion surely will be one of the best ever.

To those of you who will be "mindin’ the store" while others are in Honolulu, please be reminded of this column in the 28th issue of the "Gram" and do your very best to take part in the observance of this 28th anniversary of the attack to the fullest extent your personal circumstances will permit.

Yours in PHSA Ray Glover, Nat’l. Prs.

SUNCOAST FLORIDA CHAPTER
Following many weeks of planning, meetings and an extensive ticket campaign, it all came to be on August 29th, during a heavy mist of dawn, when a few hearty Survisors set out from all points of Suncoast Florida to tackle the awesome chore of setting up the galley, goodies, and the necessities required for a successful picnic. Phillippi Park, Safety Harbor, Florida, a sleepy little town of steam baths, massage parlors, and Old Seminole Indian Burial Mounds, was the destination. When the hot Florida sun started to burn down all was in readiness, and the first aikane (buddy) and his wahine (woman) began arriving, some as far as 150 miles distance.

Hank Shane, Past National President manned the Quarterdeck: Sarge Cook, chapter president and State Chairman, overees: George Sale with Vallo Striling, (happy seamen) - Chefs - cooking steaks to perfection Hawaiian Teriyake style: Charlie Homynak in charge of the bar and Paul Gaulden, chapter vice president, in charge of music and general operations.

It was a gala affair with Admirals, Colonels and Privates mingling as they were long lost aikanes (buddies). Talk of past deeds. Canal and River Streets, along with other war stories were the order of the day.

Horseshoe pitching and other activities went on throughout the day, ending with a Hull Dance by members, their wives and friends.

Without the help of the Women's Committee, and all the wives, all who did a wonderful job, the picnic would not have been the success it was.

At sundown all the happy Survivors were hoarse and a very tired group, ready to head home happy in their memories, to wait another year for this wonderful event.

To all we say mahalo nui loa (thank you very much) a hui kou kaua (until we meet again), ALOHA.

EDWARD "SKI" SZWAB
Edward "ski" Szwab, born Jan. 3, 1920, at Crabapple, Ohio, left the United States, at the age of eight, with his parents and brother to live at Raciborz, Poland. At the age of eighteen, he returned to the USA (alone and broke) because Germany was about to invade Poland in 1939. His dad, brother and family still reside in Poland.

Upon his arrival in the USA, Ed did farm work in Ohio, then joined the CCC's for one year. He was a ski instructor in Idaho and Washington. He enlisted in the Navy at Seattle, Wash., on a dare, in 1941, and received his boot training at the Naval Training Center in San Diego.

His first duty was aboard the USS Platte, Submarine Base at Pearl Harbor, and the USS Holland.

On December 7, 1941, Ed was on duty at the Submarine Base and was about to go on liberty with a buddy about the time colors were to be raised-unaware that that day was destined to go down in history as the day Pearl Harbor was attacked. As the Japanese planes were attacking, "ski" ran for the Armory and set up a 30 cal. machine gun that was atop the administration building and began firing. "ski" returned to his barracks two days later after pulling men out of the bay that were wounded or dead, in utter disbelief that this could happen to the United States.

Ed's later duties include: Gunnery School, at Wash. D. C., PT Boat, USS Vanuatu (AGPD) from Guadalcanal to Manila, 1945, USS Wesharing (AKA-108), USS Douglas A. Moreau (DE-422), USS Floyd Bay (LAV), USS Shangri La (CV-38), and USS Bennington (CV-20). He retired from the Navy.

EDITOR OF GRAM ATTENDS TENNESSEE CONVENTION
The PHSA members from all corners of Tennessee met in Nashville at the Vanderbilt Holiday Inn on April 17th for their annual state convention bringing their wives, children and friends along with them.

District Director Forrest B. Wool presided at the convention during the business session.

Ronald E. Drew (US Naval Academy), president, addressed the convention and gave a short talk, then spent the weekend with the Tennessee Survivors in seeing many of the historic sites in the area and took in the Grand Ole Opry.

NEWS FROM UTAH
On Aug. 15, 1960, "ski" married Sophia Soucheka on November 21, 1942, at Fairport, Ohio. They have two wonderful children: Marcia Ann, 27, who is in secretarial school and is married to Warren Lindgren, an ex-Marine, and Edward Eugene, 22, who is serving with the U. S. Army at Anchorage, Alaska. The Swabas have two lovely grandchildren, Michael - 8, and Carol - 6.

"ski" became a PHSA member, San Diego Chapter No. 3, in 1957. He served as the chapter president, 1969-1970. At the present he is a trustee and membership chairman.

Edward told me, "Since joining the PHSA, I have met many wonderful people who have helped me to achieve this membership goal and to them I express my many thanks and sincere appreciation. To San Diego Chapter No. 3 members and their lovely wives, no finer people have I had the privilege to meet. This has been a pastime that has been made by the little free time I have had. Making friends and maintaining them has been my goal, not only in San Diego, but throughout all the chapters in the United States. My main objective is to uphold the PHSA motto: 'Remember Pearl Harbor - Keep America Alert!'"

"ski" is employed by the State of California, State Highway Department. The Swabas reside at 7070 Hurlbut Street, San Diego, California 92123.
