The President’s Message

Two new key elements have been added to the 2008 PHSA National Convention. The first is a bus transportation package that will pick up those attending the convention at their airline in San Antonio. Then a shuttle bus will take them to a central gathering location and a regular sized bus will take them directly to their motel.

The San Antonio to Fredericksburg trips will run on Thursday, December 4, only.

On December 8th, the bus will pick the convention attendees up at their motel and take them directly to their airline terminal in the San Antonio International Airport.

For more information on bus transportation, see page 6. We’ve added a line to the registration form on page 7 for those who want to use the bus system that worked so well in 2001. This bus system provides those attending the convention with a choice of car rentals or bus. Many are driving to Fredericksburg—the third option.

The second item is the addition of more sleeping rooms. Sunday House Inn and Suites and Super 8 Motel have offered more rooms. Both are centrally located on Main Street; handy to shops, restaurants, and Museum complex.

Resolutions To Be Voted On At 2008 National Convention Must Be Received By 8/1/08

All resolutions to be voted on at the 2008 National Convention must be received by Resolution & By-Law Committee Chairman, Bill Muehleib, on or before August 1, 2008. Resolutions must be submitted in ORIGINAL and four (4) copies through Administrative Channels. State Chairmen and District Directors will review and comment on them as they proceed through channels. Chairman Muehleib’s address is: 2661 Wimbledon Point Drive, Virginia Beach, VA 23454. His phone number is 757-496-8991. FAX #: is 757-496-8992. Bill’s e-mail address is “Bill” <motivator2@verizon.net>.

Third District Director, George Blake, and Seventh District Director, Bernard Comito, are the other committee members. District Director Blake’s address is 534 Crestone Ave., Salida, CO 81201. Phone number is 719-539-6837 and his e-mail address is: gwb@salidaco.com. District Director Comito’s address is 61 Hillside Road, Dalton, OH 44618. Phone: 330-683-0511. Bernie’s e-mail address is: bcomito@ssnet.com.

There will be important decisions made at the business meeting in Fredericksburg on Saturday, December 6th. It is important to the PHSA future that a large number of members attend this important meeting.

Bus Transportation To And From San Antonio And Fredericksburg Added To 2008 National Convention Schedule

Bus service from San Antonio to Fredericksburg and the return to San Antonio has been added to the 2008 PHSA National Convention Program. This round-trip concept worked so well during the 2001 Official Mainland Commemorative Ceremony at the National Museum of the Pacific War that it will be utilized again for the December, 2008 convention.

Those who choose to use the bus transportation system will be met and picked up at the San Antonio International Airport by a shuttle bus. They will be taken to the Pius Church in San Antonio where they will be entertained and fed. When enough people arrive at the church to fill a larger bus, they will be transported directly to their motels in Fredericksburg.

Bus service from San Antonio to Fredericksburg will be available only on **Thursday, December 4th** and the return to San Antonio airport from Fredericksburg will be on **Monday morning, December 8th**. The price of the round trip to and from the airport to your motel in Fredericksburg is $50 per person.

Most flights arrive at San Antonio International Airport between 10:00 a.m. and 2:00 p.m. When making your airline reservations, please try to choose a flight that arrives inside this four-hour window, if you can. The trip from the church to Fredericksburg takes about an hour.

The **August Gram** will include a form to be used by those who want to take advantage of the bus transportation program. The form will provide spaces for recording the airline used, the number and arrival time of the flight, and instructions to whom you should send this necessary data.

Space to reserve your seat or seats on the bus has been added to the registration form on page 7.

Have You Reserved Your Fredericksburg Rooms Yet?

As we go to press, the two Host Inns (Inn in Barons Creek & Fredericksburg Inn & Suites) are about 50 percent booked. We’ve added two new locations to the housing list. Sunday House Inn & Suites offer 30 dbl queens and 10 kings @ $79 on week days & $ 89 on weekends, plus tax- double occupancy. Super 8 Motel has offered 15 dbl dbls & 15 kings @ $79.50, plus tax. All 4 locations provide breakfast.

The group rate at Inn on Barons Creek is $99 plus tax and $129 plus tax for 6 nights beginning December 3, 2008.

The group rate at Fredericksburg Inn & Suites is $89 plus tax for 4 nights beginning December 4, 2008.

Sunday House & Suites (above) and Super 8 Motel rooms (on the right) are across the street from each other. Both include breakfast and are on Main St., close to restaurants, shops and the museums. For Sunday House reservations: phone toll free 1-800-274-3762. For Super 8 Motel reservations phone toll free: 1-800-800-8000 or 1-830-997-6568 direct.

USS Arizona Reunion Association Holds Annual Reunion In Tucson

Four USS Arizona Survivors attended the 2007 Tucson Reunion. Left to right are: Milton Hurst, Glenn Lane, Joe Langdell, and Clinton Westbrook.

USS Arizona Reunion Association held its annual reunion in Tucson December 5-10, 2007. Four USS Arizona survivors and two former crew members (prior to December 7, 1941) were able to attend the reunion held at the Hotel Arizona in downtown Tucson. The two former USS Arizona crew members who also were able to attend were Tom Traylor and Wes Cole.

The Association’s next reunion will be held in Honolulu, Hawaii December 1-8, 2008. Photo and reunion story were provided by Budd Nease, USNR (Ret), Historian, USS Arizona Reunion Association. Budd’s address is 40031 Corte Calonova, Murrieta, CA 92562. His phone number is (951) 461-8646. CDNDoozer@aol.com is Budd’s e-mail address. According to Budd, there are twenty-six known living USS Arizona survivors at this time.

Vincent (Jim Vlach), one of the known twenty six, attended the White House Commission on Remembrance’s Old Glory’s Journey of Remembrance at Riverside National Cemetery on January 7th, 2008. See story on page 10.

Jim has been working with the National Park Service in Hawaii in an attempt to correct some of the items contained in books being sold at the Arizona Memorial Museum book store. He has found a number of misstatements in several books and is working to get corrections.

West Point To Pearl Harbor—A Little Boy Remembers the Japanese Attack and Other Survivors Stories From America’s Greatest Military Disaster

This gifted writer is offering the extraordinary story of the Spangler family who experienced and survived the Pearl Harbor attack that fateful day of December 7, 1941. WEST POINT TO PEARL HARBOR was inspired by two factors of great importance to the author: the fear that Pearl Harbor’s hard-earned lessons would be forgotten and his father’s death in 1998. Dick Spangler reveals the private journals of his father’s life as a cadet at the U.S. Military Academy in the late 1920’s and 30’s. Dick Spangler shares the intimacy of love letters written between his parents, coupled with incredible eyewitness accounts of surviving sailors and soldiers, plus his own childhood memory of this most unforgettable moment in history. The stories are told so vividly by survivors that the reader can experience the true feelings of these courageous heroes who were forced to participate in the horrifying event. There is no truer way to learn history. This book commemorates in an enduring manner those who were there on American soil at the start of World War II. Features 150 photos — many never published before.

Mandatory reading for those who were there and for those generations of Americans who have a serious sense of what many historians consider the most epochal military event in our nation’s history.

A portion of the royalties is being donated equally to the Pearl Harbor Memorial Fund and to West Point’s Long Gray Line Endowment.

Price: $36. plus $3. S&H. Send check or money order to: Dick Spangler, 11611 Tampa Ave., #187, Northridge, CA 91326

Pearl Harbor Survivors Partner With White House Commission On Remembrance In Nationwide Flag Raising Events

As stated in the February, 2008 Pearl Harbor Gram, the Pearl Harbor Survivors Association, Inc., has partnered with the White House Commission on Remembrance in its new program to emphasize the importance of honoring all Veterans with a new undertaking called the "National Moment of Remembrance."

On December 7th, 2007, PHSA members from the DC and Maryland Chapter participated in the program’s initial introduction in the National Capitol’s Mansfield Room. At 12:55 P.M. (7:55 A.M. Oahu time) Taps was played during the "Moment of Remembrance."

At the same time, Old Glory was raised on the Arizona Memorial by Pearl Harbor Survivor Al Rodrigues and National Park Service Rangers. This was the first of twenty-five stops the flag would make through May 26, 2008.

California State Honor Guard raised and lowered the colors at the Riverside National Cemetery, Riverside, California on January 7, 2008—the 5th stop of Old Glory's 25-stop tour.

Mr. Jim Ruester, Riverside National Cemetery Public Affairs Officer, provided the welcome & closing remarks. Gery Porter, PHSA 1st District Director and Chapter 27 President, gave the Keynote Address.

Our National Anthem was led by Students from the McAuliffe Elementary School in Riverside. The National Association of Elementary School Children and the Music Educators Association also are Commission Partners.

Pearl Harbor Survivors from Southern California Chapters 3, 9, 12, 21, and 27 attended the Riverside National Cemetery.

Several distinguished speakers including State Representative, Gabriella Gifford, were on the program at the Southern Arizona Veterans Memorial Cemetery, Vista, Arizona on January 14th. Joe Larson is the Cemetery Director.

An elementary school choir is an important part of each "National Moment of Remembrance" program.

On December 7, 2007, A Day of Remembrance, Honor, and Appreciation was held at Naval Surface Warfare Center, Corona Division, Naval Weapons Station Seal Beach, Corona Detachment. Pearl Harbor Survivors attending the outstanding event included (above, L. to R.) Mr. and Mrs. Warren Fowler, PHSA National President, Mal Middlesworth and wife, JoJean, Lynn Johnson and father Ben Crickett from Chapter 29, and Bud Bacon. The presentation was sponsored by the Norco Regional Conservancy and the Lake Norconian Club Foundation.

Members of Tri-City Chapter 31 Pearl Harbor Survivors Association held their annual December 7th memorial service at the Oceanside Harbor, the site of one of three memorials erected by the chapter. The two other memorials are located in Temecula and Fallbrook. The memorial included a two-bell ceremony for chapter members who died the past year and remembrance of those who perished on the military installations on the Island of Oahu in 1941.

The three Chapter 31 memorials on the Tri-City sites are testimonials to the dedication of the members to their motto—Remember Pearl Harbor-Keep America Alert.

Cyndi Fenn and her daughter, Carolyn, 5, read the names etched on a memorial honoring those killed at Pearl Harbor. The two attended a Pearl Harbor Remembrance Day ceremony at the Oceanside Harbor.
The Children of Battleship Row
Pearl Harbor 1940-1941

This historically accurate book documents the story of the Japanese attack on the Island of Oahu from the perspective of a survivor whose home was less than 500 feet from the Arizona when it exploded. She was nine years old. Later in the day, she and her older sister would respond to the attack by loading belts of machine gun bullets.

In October of 1940, Joan Zuber Earle and her sister moved with their parents to Ford Island, in the middle of Pearl Harbor. While her father, the commander of the Naval Air Station Marine barracks, and mother set up housekeeping, the Zuber girls and their friends explored their island paradise. They danced in the Lei Day Festival dressed as flowers.

The book is well written with the precision of a marksman. The author has a special talent, to write simply and clearly about her childhood in a time and location that would change the world forever. Excellent photos. It’s must reading for all Pearl Harbor Survivors, their children and grandchildren. A great gift for both young and old!

Survivors Dedicate “Remember Pearl Harbor” Monument At NAS Pensacola Cemetery

Members of Florida Chapter #9 proudly dedicated a beautiful monument to all Pearl Harbor Survivors on December 8, 2007. The memorial site is the Barrancas National Cemetery located on NAS Pensacola, Florida.

December 8, 2007 survivors, wives, widows, and family members from Pensacola, Florida Chapter #9, dedicated a monument to all Pearl Harbor Survivors. The memorial was funded by the chapter community and placed in an area near the north entrance of the Barrancas National Cemetery on board NAS Pensacola. Here, in a circle, each branch of service is honored with a memorial in an area where funerals are conducted.

Now, the Pearl Harbor Survivors have joined them in a monument of remembrance. Myron Jay Carraway, on the right in the above picture, helped form the chapter. John Cummings, with the dark glasses, is the current chapter president. The monument unveiling is pictured below.

New Jersey Chapters 1 and 2 Continue Tradition With December 7th On The Turnpike

New Jersey Chapters 1 and 2 continue to use their flair for selecting heavy consumer traffic areas to get across the message, Remember Pearl Harbor - Keep America Alert. They use a rest stop on the NJ Turnpike and a horse race track.

New Jersey Chapter 1 and 2 held an exceptional December 7, 2007 memorial service with 10 Survivors and many guests in attendance. The key speaker was the Assistant Adjutant General of New Jersey, Brigadier, Frank R. Carlini. Left to right in the above picture are Ralph Jeffers, Joseph Schmidig, Granthun Wilson, Arthur Goodstone, Thomas Fallon, Raymond Hechler, John Walton, Robert Stocum, General Carlini, John Hansen, and Nicholas De Hagara.

The ceremony was held on the Richard Stocton Rest Stop on the NJ turnpike. The Pearl Harbor Memorial plaque, shown below, and adjacent area are maintained by HOST Corporation, the food concessionnaire on the turnpike.
Long Island Chapter Members Honored By Statue Of Liberty Flyover On Remembrance Day

BY MATTHEW CHAYES  matthew.chayes@newsday.com  AP Photo

Sixty-six years after Pearl Harbor was bombed, a vintage plane took off from Republic Airport carrying commemorative roses. It dropped them over the Statue of Liberty at 12:55 p.m., precisely the moment, New York time, that Japan attacked in 1941 and pushed the United States into war.

Nearly a dozen men who fought on the day that still lives in infamy were honored Dec. 7th for their wartime service at a ceremony on the East Farmingdale airport’s grounds.

At its peak in the 1970’s, Long Island’s Chapter 135 of Pearl Harbor Survivors Association boasted nearly 40 active members, said William Halleran, who was a 23-year-old yeoman on USS Phoenix Dec. 7, 1941. Now, said Halleran, 89, the ranks of men who saw the attack first-hand on that Hawaii base get thinner and thinner with each anniversary ceremony.

However, “today’s warriors are inspired by yesterday’s,” said Col. Mike Canders, who commands the 106th Rescue Wing of the Air National Guard.

Palm Springs Chapter Honored At Local Air Museum December 8, 2007

Palm Springs, California Chapter 21 was honored at a ceremony at the Palm Springs Air Museum on December 8, 2007. From left to right are: Clarence Lux, Ed Wise, Bernie Rubien, unidentified lady, John Durst, Howard Olsen, Leo Priest, Richard Higgins, Past President of Chapter 14, and Don Jones, Chapter 21 President. Don Jones is also the California State Chairman.

On December 7th, Don and Bernie Rubien were interviewed by Gloria Margarita from Channel 6 and a person from Channel 2. The interviews were aired that evening.

In the photo below, taken at the museum, are Nick Gonzales, from Joshua Tree, a member of the 251st C/A at Camp Malakole on December 7th. Don was at the Marine Barracks, and Leo Priest, on the right, was also in the 251st C/A during the attack. Leo puts out Chapter 21’s great newsletter and is the Gram’s Assistant Editor.

A Documented History of the War In the Pacific — Plus
One Man’s Journey Through His Life. All In One Book!

This book, like the veteran featured in the story, is dedicated to
promoting the ideals of “Remember Pearl Harbor” and the ob-
jectives of the Pearl Harbor Survivors Association. The opening
of this well-written book traces the life of Mack
Abbott, who grew up in the South, to his days in
Parris Island Marine Boot Camp. This is a partic-
ularly interesting section spiced with humor and
present-day references.

The next section of the book recalls his trip to
Hawaii on the USS Lexington, and his duty tour
with the Third Defense Battalion. Included is a
historical Prelude to Pearl section that’s worth
the price of the book itself. After the attack on
Pearl Harbor, Mack
was sent to Palmyra
and Midway, and pro-
vides an excellent
account of the Battle of
Midway. Chapters 8-10
feature the battles for
Guadalcanal and Tulagi, Saipan and Tinian. The book ends with
the post war era and a Chapter titled Life Begins At 80.

To order the book, enclose a check

Fading Away
By George Blake, 3rd District Director

At his retirement ceremony, General Douglas MacArthur said, "Old Soldiers (Sailors & Marines) Never Die, They Just Fade Away." And so it is with The Pueblo Colorado Chapter of PHSA. Organized in 1968 Steel City Chapter was the second of four chapters formed in Colorado.

Based in Pueblo its membership included Survivors from 100 miles East, 100 miles West, and South to the New Mexico Border. Due to the vast territory it covered attendance at meetings was never very large, but the Chapter remained viable for over 39 years.

However with passing of time, aging members, illness and deaths, most meetings were attended by only 3 to 4 members and a few supportive wives and widows. The same loyal members were filling the same offices over and over again. Finally in 2007 it was decided to dissolve the Chapter and return our charter. A special reunion meeting was called for a picture taking session and only three survivors were able to make it.

From left to right: Carl Jurie 27th Infantry, Chapter President. Leroy Gutherie USS Conyngham, and George Blake, 41st Coast Artillery and 3rd District Director.

Members loyal to the end but unable to attend the picture taking include John Garcia 35th Infantry, Clair Avenell USS Swan, Clyde Holmes USS Pennsylvania, Gene Smith USS Ralph Talbot.

Last but not least there were Yozelle Arensdorf, widow of Russ Arensdorf USS San Francisco and long time Honorary Member and Chapter Secretary, and Frank Mck from Hickam Field, not a member of this chapter but who attended almost every meeting.

Sect'y Jim Evans, Sez:
Hi again. Missed you in November and February GRAMs— didn't get my article in to the editor in time. I wanted to tell you about a little trip Jeanne and I took this last summer. Started out for Abilene, Texas for Jeanne's family reunion. Stopped in Fredericksburg, Texas where we met President Mal Middlesworth, Treasurer Ken Creese, and 4th District Director Bill Eckel. They were there to scout out sites for the 2008 convention. We helped out where we could.

Wonderful little town Fredericksburg. They are really looking forward to the PHSA convention this December. The Fredericksburg community and the PHSA have big things planned. You will be reading a lot about the convention in coming GRAM issues. We are looking forward to a tremendous turnout of survivors and family members.

By the way, you can make hotel reservations and download registration forms at our web site: www.pearlharborrememembered.net.

Then we drove over to Missouri to visit Catherine Baskette, widow of John, who was the Missouri State Chairman. He worked very hard for the PHSA for many years. He was also the PHSA Representative with the State of Missouri, as we are incorporated in Missouri.

Then on to Maryland to see our latest great-grandchild. We also stopped in Kansas City, MO to visit Leonard Anderson who has graciously consented to represent the PHSA in Missouri. We found Leonard to be a most affable and welcoming host as we visited in his home. He was a little concerned about what his duties might entail having recently suffered some breathing problems and being hospitalized a short time.

We assured Leonard that most all of the reporting is done through the Secretary's office, but PHSA needed someone living in the State of Missouri to serve as the Corporation Representative. He really fits the bill. Leonard "Andy" Anderson has been a very active member of PHSA Kansas City Chapter for a very long time. We most sincerely thank him for accepting this necessary position and assure him we are all experiencing these health issues but we do what we can, as long as we can.

Then on to Washington, D.C. for the Annual National Reunion of the Second Marine Division Association, which was the reason for the trip in the first place.

If you ever get around D.C. be sure to make a trip to Quantico, VA. The Marine Corps Museum there is really something to see.

By the time we returned home, we had logged some 8,000 miles on the car and were very happy to set down for awhile without a steering wheel in front of us.

By the way, all the GRAM and dues payments you sent were waiting for us when we returned. Took a couple weeks to get everything squared away. We had six tubs full of mail and the Post Office was glad to see us return; said it gave them some room to work.

As you all know, PHSA membership dues were delinquent March 1st. The latest Alphabetic Roster has been distributed and if your name is not included; sorry, should have paid your dues. Look forward to meeting old friends and making new friends in Fredericksburg.

Aloha, Jim Evans,
National Secretary

Hickam Field Supports the Gram
To the Board of Directors
The Pearl Harbor Survivors Association, Inc.

I have audited the accompanying statement of financial position-modified cash basis of The Pearl Harbor Survivors Association, Inc., as of September 30, 2007, and the related statement of activities and cash flows-modified cash basis for the year then ended. These financial statements are the responsibility of the Association’s management. My responsibility is to express an opinion on these financial statements based on my audit.

Except as set forth in the following paragraphs, I conducted my audit in accordance with auditing standards generally accepted in the United States of America.

Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

I believe that my audit provides a reasonable basis for my opinion.

I was not present to observe the taking of the physical inventory at September 30, 2007, (stated at $2,743), and the Association’s records do not permit adequate retroactive tests of those inventory quantities.

As described in Note 1, the Association’s policy is to maintain its records on the modified cash basis of accounting. Generally, revenues are recognized when received and expenses are recognized when they are paid. Certain items of a prepaid nature are accrued and recognized over the duration of the asset. Accruals are made to reflect the timing differences of revenues and expenses associated with biannual conventions.

This basis is a comprehensive basis of accounting other than generally accepted accounting principles. In my opinion, except for the effect of such adjustments, if any, as might have been determined to be necessary had I observed the taking of the physical inventory, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of The Pearl Harbor Survivors Association, Inc., as of September 30, 2007, and its activities and cash flows for the year then ended, on the basis of accounting described in Note 1.

PEARL HARBOR SURVIVORS ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2007

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The association is a nonprofit tax-exempt entity as defined under Section 501 (c)(19) of the Internal Revenue Code. The Association is federally chartered and is operated exclusively for purposes beneficial to the interest of the nation and its uniformed services personnel, their dependents and survivors. Each year the Association files a return (Form 990) with the Internal Revenue Service. In addition, the Association updates the IRS on the subordinate organizations that are covered by the Association's group exemption letter. State and local chapters with gross receipts in excess of $25,000 are required to file their own Form 990 with the IRS.

Basis of Accounting

The accompanying financial statements have been prepared principally on a modified cash basis, with the following exceptions: (a) Deferred Life Membership Dues are recorded as they accrue over a ten-year period; (b) Prepaid Convention Expenses are deferred until the year of the convention and the fees received for the convention are shown as convention deposits until the year of the convention; and (c) Prepaid Insurance is recorded and expensed over the life of the policy and prepaid memorial supplies are recorded and expensed as distributed.

Inventory

Inventory is priced at lower of cost or market value, on the first-in-first-out method. As noted, the audit is qualified to inventory due to the inability to observe or physically count it.

Property and Equipment

Depreciation is provided in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives, on the straight-line basis. The lives used for assets currently depreciated range from 5-7 years. Depreciation expense for the year was $532. Several years ago, donated assets were reflected as contributions at their estimated value at date of receipt. In recent years, no amounts have been recorded for these items (or for donated services) as no objective basis is available to measure the value of such contributions.

Functional Expenses

Expenses are charged directly to program or management in general categories based on specific identification. Indirect costs have been allocated based on salary expenditures. There were no fund raising expenses.

The accompanying notes are an integral part of these financial statements.
Federal Income Tax

The organization is exempt from federal income tax under Sec. 501(c)19 of the Internal Revenue Code.

Financial Statement Presentation

The Association reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Securities

The Association adopted SFAS No. 124, Accounting for Certain Investments Held by Not-for-Profit Organizations. Under SFAS No. 124, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

Recognition of Donor Restricted Contributions

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

NOTE 2 - DEFERRED LIFE MEMBERSHIP DUES

Current Deferred and Long-Term Deferred Life Membership Dues are carried as liabilities. Life Membership Dues are presently amortized over 10 years where as Annual Membership Dues are recognized in the year received.

To the Board of Directors

The Pearl Harbor Survivors Association, Inc.

The report on my audit of the basic financial statements of Pearl Harbor Survivors Association, Inc. for the year ended 2007 appears on page one. I conducted my audit in accordance with auditing standards generally accepted in the United States of America for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental statements are presented for the purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

REQUIREMENTS FOR CHAPTERS TO FILE FORM 990-N (e-Postcard) WITH IRS

WHEN TO FILE:
Due date to file the e-Postcard is the 15th day of the fifth month following the end of a chapters fiscal or calendar year. Most chapters use the calendar year to report to the National Treasurer on PHSA Form 12 and to send a signed Appendix H which authorizes National to file for them. This practice should be continued unless otherwise notified.

However, sending the Form 12 and signed Appendix to the PHSA National Treasurer does not relieve a chapter from filing an e-Postcard with IRS. For chapters operating on a calendar year, the deadline to file an e-Postcard for 2007 is May 15, 2008.

If chapters do not file Form 990-N for three consecutive years, they will lose their tax-exempt status.

EMPLOYEE IDENTIFICATION NUMBER (EIN): Previous instructions to use EIN #430822121 was in error. That is the EIN assigned to National PHSA. The correct EIN for each individual chapter to use can be found in Appendix A of PHSA Handbook. DO NOT use the National EIN. Doing so will probably cause your electronic filing to be rejected.

HOW TO FILE:
On the internet go to www.irs.gov/eo and follow all instructions. You will be led through several pages to get to the e-Postcard. Carefully read and follow instructions. If needed, technical assistance can be obtained @ (877) 829-5500.

MAILING NOTICE:
Since the National Secretary maintains the address listings for all members of the Association plus all others who have subscribed to the Pearl Harbor GRAM, it is imperative that when you move or change your address, that you notify the PHSA National Secretary of such changes at P.O. Box 1816, Carlsbad, CA 92018-1816.

Please use the convenient change of address form on the right to notify the PHSA that you have changed your mailing address. There are separate sections for your old and new addresses.
