Pearl Harbor 2009

They returned one more time —

to watch and listen — and to honor those who never left.

The Pearl Harbor Survivors thank our hosts for the 2009 joint memorial ceremony.
The President’s Message

Happy New Year to All. By the time you receive this GRAM, we will have entered into a New Year with important decisions to be made at our National Convention Business Meeting.

I urge all who are anticipating attending this very important convention to make your hotel reservations and send your Registration Forms in at your earliest opportunity. We have 350 rooms available and the hotel is keeping a sharp eye on the amount of room reservations that are coming in. If the hotel senses our attendance will be less than anticipated, the hotel will start lowering the amount of rooms available to PHSA, family and friends. Once the hotel lowers the room availability to us, those rooms are gone.

In the event the hotel deducts the number of rooms available to PHSA due to registrations coming in at a slow pace during the early part of 2010, it is conceivable that the "last minute Charlies" may have to pay a higher room rate than we have been given. Rest assured that if you send in your deposits for rooms and Registration and for some reason you have to cancel, you will receive a full refund less your non-refundable registration fee of $40 per person. You must cancel prior to November 1, 2010.

Illinois Chapter #1 Pearl Harbor Survivors Visit Great Lakes  
By Judy R. Lazarus, Great Lakes Bulletin

The opening drill for the 2009 Pass in Review is performed by the Training Support Center Drill Team and Color Guard.

Three members of Illinois Chapter 1 of the Pearl Harbor Survivors Association were special guests for Great Lakes Training Support Center's (TSC’s) Pass in Review ceremony in 2009. MN (Mineman) John Terrell, Chief Petty Officer Ambrose Ferri (USN Retired), and Captain Ralph Laedtke (USN Retired) viewed the event which took place outdoors on the base’s Ross Field.

When the attack on Pearl Harbor began on Dec. 7, 1941, Ferri was serving on the USS Vestal and Laedtke was serving on the USS Solace. Terrell was a fire controlman striker assigned to the USS Perry but was stationed ashore at the Pearl Harbor receiving station on temporary duty while attending a course at the Mine Warfare School. He watched the beginning of the attack from the third deck of the receiving station.

At the ceremony special attention was given to the Battle of Midway and the history of Memorial Day which honors all those who have died in the service to their country.

Great Lakes Training Support center, the site of the pass in review, is where Sailors are trained in various schools in fields such as engineering, electronics, and shipboard damage control. This training builds on the fundamental training new recruits receive at boot camp.

During the Pass in Review Captain David Schnell, commanding officer, of Naval Station Great Lakes, served as reviewing officer for the 4,000 Navy sailors who marched in formation. Also taking part in the event was Capt. Caroline Olinger, TSC commanding officier.

Western New York American Legion Post Hosts Survivors

American Legion Post 735 in West Seneca, New York, hosted a 66th Anniversary event in 2007 for Guests of Honor: area Pearl Harbor Survivors. The affair included a rifle salute, lowering of the flag, and playing of taps. Earl Wickett of South Buffalo was presented a New York State Conspicuous Service cross at the ceremony. Eugene Teleckey of West Seneca also was awarded the Service Cross, but was not present at the luncheon.

Survivor Richard Liedke was in bed waiting to go shower when the attack occurred. "The next moment, all kinds of pandemonium broke loose," he said. Liedke, who served 49 months with the Army said it was a different world back then.

Jim Terry of West Seneca was stationed at the mouth of the harbor 66 years ago. "I was getting ready to go to church," he said. "I didn’t go to church and I didn’t get any breakfast." After serving in WWII until September, 1945, Terry said he was glad to get out of the military.

When he arrived home, the first thing he did was look up a girl he had met in 1943. That girl became his wife, Norma. Terry, who just turned 92, shares the concerns of Liedke: "Who will remember Pearl Harbor after we’re gone? I don’t want them to forget us," he said. "What we went through that day is too important to pass off."

Deceit At Pearl Harbor
by Lt. Cmdr. Ken Landis USNR (Ret.)
From the last survivor of Admiral Kimmel's staff, this book reveals the astonishing transcript of a
telephone warning between Winston Churchill and President Roosevelt eleven days before Pearl Harbor,
showing that the British and even Hitler knew of the oncoming disaster, but Admiral Kimmel did not.
FDR's almost daily conversations with Churchill on the scrambler telephone were being monitored by Hitler's
Gestapo, and Churchill warned that a large Japanese Task Force consisting of six aircraft carriers had left Japan and was heading East. The fact that the Nazis were able to unscramble (decode) the conversation was never considered possible.
Aided by Rex Gunn, a member of the early warning radar and Lawrence McNabb, a crew member of the USS Pennsylvania, Landis tells how this team reveals a host of facts covered up by over 60 years of obfuscation and denial in the name of National Security.
Lt. Cmdr. Landis tells the story of FDR's madcap scheme of sending out three small ships (now known as The Tethered Goats) as Pickets from Manila, to intercept the oncoming Task Force and be sunk, thereby accepting the first blow and igniting WWII. Pearl Harbor occurred before that happened and the story of the Tethered Goats faded in the dustbin of history. This is not the usual Pearl Harbor book since it was written by three survivors and much of the known facts are not rehashed as the multitude of other books do.
The war's major players, Roosevelt, Churchill and even Hitler, all knew well in advance of the oncoming disaster in Pearl Harbor. It is time the public learned the true story of how America's worst military disaster could have been avoided.

Book includes 39 never-before published WWII photos taken by the author, including the ruins of Tokyo after the fire raids as well as the last remaining Japanese battleship burning in Tokyo Bay.

Price: $18.95 plus $4 for S/H. Send Check or M.O. to: Ken Landis-78020 Calle Norte, Dept.G-5, La Quinta, CA 92253. Tel: (760) 564-0908. First 100 books autographed by author.
Henderson, NY Memorial Honors Pearl Harbor Survivors And All Veterans

When greenhouse owner, Gary Rhodes, learned from a newspaper article that U.S. Army M60A3 tanks were being placed in the ocean to form an artificial reef, he wondered if he could obtain a tank for a veterans monument on property he owned. In 2002, after a great amount of paperwork and support of American Legion Post 586, a tank was secured from Fort Drum and placed on his site in Alexander Corners southwest of Henderson Village. The west boundary of the town is Lake Ontario.

The first exhibit item secured for the Alexander Corners Memorial was the Army M60A3 tank from Fort Drum.

Several years later, the President of New York PHSA Chapter #7, Tony Marra of Watertown, asked Mr. Rhodes if another historical item could be added to the memorial and dedicated to the Pearl Harbor Survivors. A Cobra helicopter was added through an Eagle Scout project of Jonathon Rhodes and Boy Scout Troup #28 from the Henderson-Ellisburg area. Pearl Harbor Survivor Association members, Boy Scouts, and local officials attended the October 2, 2004 dedication.

The area is beautifully landscaped with trees and flowers. Three flag poles were donated by PHSA Chapter #7. The American flag, MIA flag, and the PHSA flag are flown daily. The next addition will be two 16-inch projectiles from the battleship USS New Jersey.

On the right is the Cobra Helicopter that was added to the Memorial and dedicated on October 2, 2004. New York PHSA Chapter #7 members included Tony Rella, Ed Stone, Larry Parry, Syl Puccio and John Koening.

The smaller bronze plaque also recognizes the Pearl Harbor Survivors from New York Chapter 7

The three flag poles, donated by Chapter 7, fly the American, Pearl Harbor Survivors, & MIA Flags every day.
U.S. Navy And National Park Service Host Joint Memorial Ceremony On Naval Station Pearl Harbor On December 7, 2009

The joint memorial ceremony commemorating the 68th anniversary of the attack on Pearl Harbor and the other military installations on the Island of Oahu was held on board the Naval Station’s Kilo Pier. The dramatic site looks directly out to the USS Arizona Memorial situated in Pearl Harbor approximately a half mile away.

Kilo Pier, an outstanding venue, was first used for such events on the 65th Anniversary Memorial during our national convention in Hawaii in December, 2006.

To observe 7:55 a.m. start of the attack, the guided missile cruiser USS Lake Erie (CG 70) (above) blew the ship whistle, which commenced a moment of silence.

Then four F-15 Eagles from Hickam Air Force Base performed a missing man flyover while Lake Erie rendered honors to both the USS Arizona Memorial and to Pearl Harbor Survivors on Kilo Pier.

PHSA Pres. Arthur Herriford, (below) returned the Lake Erie salute for those attending the Memorial Service on Kilo Pier.

Adm. Patrick Walsh, commander U.S. Pacific Fleet, was the featured speaker at the memorial ceremony.

Paul DePrey, Superintendent, USS Arizona Memorial, spoke in behalf of the National Park Service.

Allen Millett, PhD, Director of the Eisenhower Center at the University of New Orleans, was the keynote speaker of the event.

How To Reserve Hotel Rooms
In The Headquarters Hotel

It has been determined that registering for Hilton Hawaiian Village rooms is a two-step telephone process if you desire rooms before or after December 4-7.

Step #1. Please make sure that you first request dates within the period of Dec. 4 through Dec. 7th, 2010.

Then, once the hotel registration agent confirms you have a room/rooms for December 4-7 take Step #2.

Step #2. You may then request additional dates up to 3 days either prior to and/or after the convention dates of December 4-7 if you desire. The same rate will apply based on availability. The room reservation toll free number is 1-800-445-8667. Please use booking code number AXA or mention the Pearl Harbor Survivors Association when making your room reservations.

Due to the high demand for rooms from other events in Honolulu at the same time, it is conceivable that the extra days, prior and after, may not be available if your reservations are not made as soon as possible. You are urged to make hotel reservations with a first night’s deposit as soon as possible. In the event you need to cancel, your room deposit will be refunded in full if cancellation is made prior to December 1, 2010. If additional room nights are not available, the hotel will make every effort to clear those extra nights for you, but again, you must book the convention nights of December 4-7 first.

The nightly room rates are $135 for Single/Double Occupancy and $160 for Triple/Quad Occupancy. These rates are quoted exclusive of appropriate state and local taxes, fees, and assessments. In order to assign specific room types, the hotel asks that all room requests be received by the hotel by Thursday, November 4, 2010. After the cutoff date, of November 4th, PHSA attendees may still request rooms based on availability, at Hillton’s then prevailing rate.

The special convention room rate quoted is available ONLY FOR PHSA members, their families and guests, Sons and Daughters and their family members and others who have registered for the convention. All hotel registrations will be checked against convention registration lists.

If you encounter any challenges whatsoever, please call Shirley Herriford at (818) 785-9365 or e-mail her at shirley@herriford.net and the hotel will be contacted in your behalf immediately.

State Farm Veteran’s Day Ad Features Pearl Harbor Survivors

For Veterans Day the people at DDB Chicago, State Farm’s advertising agency, wanted to create a print ad to help show that “nothing’s more important than being there” by honoring veterans. The creative team felt that veterans epitomize what it means to be there for one another—both in battle and in honoring their fallen brethren. They also wanted to find an image that visually told this story in a powerful way.

After an exhaustive search of traditional photographic channels, the photo that “told the story” was discovered on Google images. The ad was created and presented to State Farm, who was also moved by the concept.

Then came the next step—tracking down the photographer and the two men in the photo. The photo itself did not have any descriptive information, so from March through July, 2009, the agency team reached out to various resources without any luck. Then, in mid-July, they received an email from William “Bill” Muehleib, Vice President of Pearl Harbor Survivors Association, who happened to be one of the veterans in the photo. He gave them the additional information they had been looking for, including the name of the second veteran, Frank Maloney.

Both Bill and Frank were very helpful throughout the process and approved the final version of the ad. Out of pure coincidence, both Bill and Frank also happened to be State Farm policyholders. Frank served on the USS Phelps (DD-360) from 1939-1944. Bill was doing ‘round the clock guard duty at Hickam Field on December 7, 1941.

The ad ran in the following publications that have a total circulation of 15,775,000.

As part of State Farm’s campaign, they have also launched a website - thanksforbeingthere.com where people can send and post thank you messages to those people who have made an impact on their lives. As a way of helping the country say “thanks for being there” to our nation’s service men and women, State Farm will be donating $1 to the Fisher House Foundation* for every thank you sent, up to $50,000.

Frank Maloney even posted a Thank You message on the site. Who’s been there for you? Say thanks to someone who has been there for you at thanksforbeingthere.com.

*Fisher Houses provide comfortable temporary lodging near VA hospitals and military installation for families when a military member or dependent requires specialized or extended medial care.

Important Book Resurfaces and Is Now Available Again

Recently I received a copy of an impressive book about the attack on Pearl Harbor that was first distributed during the 50th Anniversary. Never saw the book before, but I wish I had it available during my years as Gram Editor.

As Admiral Grojean, the late Executive Director of the Admiral Nimitz Foundation stated in the book’s Foreword, “The reports in this book are not written by literary giants; nor written to entertain or entrance. They are written to convey facts—facts that are factually portrayed. The information is relayed in a clear, concise manner in keeping with a military report.”

The two widows of the authors, Gary Gibson and Bill Berger, are making the book available again. The ad below provides the relevant information on the content of the book and how you can secure copies of this historical record submitted to the Secretary of Navy by Admiral C.W. Nimitz. Also included are photos & narratives by the CO’s of most of the ships in Pearl Harbor Dec. 7, 1941.

—Mal Middlesworth, Editor the Pearl Harbor Gram

This book is a must for every Pearl Harbor Survivor and Survivor Family.

“LEST WE FORGET”

is a reprint of the reports detailing the Japanese attack on Pearl Harbor that was submitted to the Secretary of the Navy by the Commander-In Chief, U.S. Pacific Fleet Admiral C. W. Nimitz.

The historical book contains 400 pages of official reports, photographs, maps, charts and drawings.

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying balance sheet - modified cash basis of the Pearl Harbor Survivors Association, Inc. as of September 30, 2009, and the related statement of activities, and cash flows- modified cash basis for the year then ended. These financial statements are the responsibility of the Agency's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Association's policy is to maintain its records on the modified cash basis of accounting. Generally, revenues are recognized when received and expenses are recognized when they are paid. Certain items of a prepaid nature are accrued and recognized over the duration of the asset. Accruals are made to reflect the timing differences of revenues and expenses associated with bi-annual conventions. This basis is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Pearl Harbor Survivors Association, Inc., as of September 30, 2009, and the changes in its net assets and cash flows for the year then ended, on the basis of accounting described in Note 1.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information on pages 9-13 is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information is the responsibility of the Association's management. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization
Pearl Harbor Survivors Association, Inc. (The Association) is a nonprofit tax-exempt entity as defined under section 501(c)(19) of the Internal Revenue Code. The Association is federally chartered and is operated exclusively for purposes beneficial to the interest of the nation and its uniformed services personnel, their dependents and survivors. Each year the Association files a return (Form 990) with the Internal Revenue Service. In addition, the Association updates the IRS on the subordinate organizations that are covered by the Association's group exemption letter. State and local chapters are required to file their own form 990 with the IRS.

Basis of Accounting
The financial statements of Pearl Harbor Survivors Association have been prepared on the modified cash basis of accounting, with the following exceptions: (a) Deferred Life Membership Dues are recorded as they accrue over a ten year period; (b) Prepaid Convention Expenses are deferred until the year of the convention and the fees received for the convention are shown as convention deposits until the year of the convention; and (c) Prepaid Insurance is recorded and expensed over the life of the policy and prepaid memorial supplies are recorded and expensed as distributed.

Basis of Financial Statement Presentation
The Association reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Inventory
Inventory is priced at lower of cost or market value, on the first-in-first-out method.

Property and Equipment
Depreciation is provided in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives, on the straight line basis. The lives used for assets currently depreciated range from 5-7 years. Several years ago, donated assets were reflected as contributions at their estimated value at date of receipt. In recent years, no amounts have been recorded for these items (or for donated services) as no objective basis is available to measure the value of such contributions.

Functional Expenses
Expenses are charged directly to program or management in general categories based on specific identification. Indirect costs have been allocated based on salary expenditures. There were no fund raising expenses.

Income Taxes
The Organization is a nonprofit corporation exempt from income tax under Internal Revenue Code Section 501(c)(19). The Organization is classified as "other than a private foundation" by the IRS.

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.
Recognition of Donor Restricted Contributions
Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Investments
The Association adopted SFAS No. 124, Accounting for Certain Investments Held by Not-for-Profit Organizations. Under SFAS No. 124, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

2. DEFERRED LIFE MEMBERSHIP DUES
Current Deferred and Long-Term Deferred Life Membership Dues are carried as liabilities. Life Membership Dues are presently amortized over 10 years whereas Annual Membership Dues are recognized in the year received. As of September 30, 2009, total deferred memberships were valued at $6,318.

3. COMPENSATION
The organization is a volunteer organization with no employees. Certain functions such as bookkeeping are outsourced to independent practitioners. There are, therefore, no issues regarding payroll, compensated absences or related matters relevant to the organization to be reported. Certain expenses for officers and for members authorized to perform specific services are reimbursed.

4. INVESTMENTS
Investments are stated at fair value and consist primarily of certificates of deposit and commercial debt instruments as follows:

On the right is a State Farm ad that appeared on the back cover of the November 16, 2009 issue of Time magazine and in five additional national publications in their November issues during the weeks close to Veterans Day.

The total circulation of the publications in which the ad appeared was 15,775,000.

See page 12 for the story behind this powerful salute to all veterans.

Nothing's more important than being there.

From the frontlines to honoring their fallen comrades, our veterans forever stand together. Once a brother, always a brother. We salute this loyalty. Each and every day it inspires us to be there for those who rely on us. Like a good neighbor, State Farm is there.

Who's been there for you? Say thanks at thanksforbeingthere.com.
