California Chapter 3 Members Welcome Home USS Pearl Harbor

On December 18th, 2010, Pearl Harbor Survivors and Honorary Members of Carnation Chapter 3, San Diego, welcomed home USS Pearl Harbor (LSD-52) from the latest deployment as part of the Peleliu Amphibious Ready Group. Included in the welcoming group shown above were, L. to R.: Gordon Jones, CMDR(SW/AW), Ret., Kathy Hansen, Bill Craddock, Ben Valleau, Jesse Thompson, Bob Ruffato, and John Morrill. On the way home, USS Pearl Harbor stopped in Pearl Harbor and participated in the December 7th Memorial Service. PHSA is always appreciative of the Navy’s cooperation in having “our ship” at the Dec. 7th activities in Pearl Harbor. We’ve been with the ship since the christening.

Sailors and Marines aboard USS Pearl Harbor arrived in Trincomalee, Sri Lanka, July 13 to participate in exercise Benevolent Phoenix 2010. During the visit, the crew participated in a variety of shipboard training scenarios, relationship-building activities, and conducted several medical and dental events with members of the Sri Lankan Military.

“We look forward to creating a strong relationship with the Sri Lankan Navy by engaging in a two-way professional military exchange as well as experiencing the country’s unique culture,” said Cmdr. Dave Guluzian, then Pearl Harbor’s commanding officer. The change of command from Cmdr. Guluzian to Cmdr. Denius was made on July 31, 2010 during deployment.

While at Base Hospital Mutur, Sailors and Marines repaired bathroom sinks and toilets and examined the water purification system, according to Hull Technician 1st Class Taylor Edberg, a community relations volunteer.

Editor’s note: The above text has been taken from two releases written by Mass Communication Specialist 2nd Class Michael Russell, USS Peleliu (LHA5) Public Affairs in an attempt to acquaint our readers with LSD-52’s 7-month deployment activities.
President's Message

Along with changes which are made in the administration of any organization on the election of new officers, there is an obligation to advise the membership of what has been happening since our convention.

The four resolutions passed at the 2010 convention have required an updating of our national constitution and by-laws as well as revisions to our Handbook. Copies of the updates are now available. Our thanks to Arthur, Shirley, and Michael Dardenelle on their work in getting this done.

Arthur Herriford had filled in on the position of Secretary/Treasurer due to the resignation of Gery Porter from that combined position. Unfortunately, Arthur Herriford’s health made it necessary to submit his resignation. Upon my request, Gery resumed the position of Treasurer effective May 1, 2011. With the recommendation of First District Director, Sam Fryefield, George M. Bennett accepted the position of National Secretary, also effective May 1. We are now in the position of having a national officer in each of these positions. Our PHSA’s membership records have recently been digitized by Palomar College per previous arrangement made by Jim Evans, now deceased.

Another convention item which was addressed was our proposed national convention to be held in 2012 in Fredericksburg, Texas. This was passed on the voice vote without discussion. It is the intent of the Executive Board to follow through with this action, depending on whether we can meet the requirements of the PHSA Handbook, Section 18, Section 1.a, “The National Convention should be held where there is a chapter in the host city or close enough to properly oversee the preparation prior to and during the convention.”

Your Executive Board is working to meet that requirement. If we are unsuccessful in doing so, holding a convention in Fredericksburg in 2012 becomes questionable.

It is the intent of this Executive Board, to do what is necessary to meet our corporate and charter requirements as long as we are able and to keep PHSA alive and well.

Memorial Plaques and Blue Boxes Distribution Program

Most Life members received their plaques and boxes when they joined as Life Members. However, a few Life members and most Annual Members have not yet received them according to PHSA records. When some chapters, widows, and family members sent in death information on the official PHSA Form 15, or by other forms of communication, many did not know about the Memorial Plaques and the presentation boxes available to them. See Pg. 7 for details.

PHSA Bronze Plaques Distribution Program

The inventory of PHSA Bronze Plaques is now available for all members who have not previously requested a plaque. The plaque was originally designed to be used on gravestones and markers. While the National Cemeteries no longer allow the plaques to be placed on grave markers, many privately owned cemeteries still permit them to be installed as initially intended.

Since the subject of the bronze plaques was addressed in the November, 2010 Gram in a message from the Sec./Treas., requests from members and families for the plaques have been substantial.

Life members received their plaques when they became Life Members and are identified by the letters “LQ” in PHSA records. The few Life members who have not received plaques are identified by the letter “L” in the roster. However, group distribution of plaques has never before been made available to Annual members. Annual members are identified by the letter “A” in PHSA records. Below is a request form designed for all members who have not received their bronze plaques and blue presentation boxes.

Annual Members, surviving spouses, or family members of Annual Members who have not received a plaque and blue box may order the two items by cutting out and using the below Request Form. Life Members who did not receive a plaque should use the same form. Charges are for shipping & handling the heavy 3-inch diameter x 3/8 inch-thick plaques.

The plaques in the blue boxes make a most appropriate presentation item when given to the families of the deceased by local chapters at funerals. Many local chapters have maintained an inventory of the plaques and boxes so they always are available when funerals or memorial services are scheduled by family members and the mortuary.

The plaques and presentation boxes also make outstanding memorials for widows and family members to keep.

If you have some money left in your chapter account, purchasing a supply for your current and/or past members might be an appropriate use of any available funds.

Chapter 6 Dedicates Memorial Bench In National Cemetery

By Donna Madeira

Chapter 6 Pearl Harbor Survivors dedicated their Pearl Harbor Memorial Monument at the Dixon National Cemetery on Veteran's Day 2010. Chapter 6 President Sam Clower Sr. welcomed Survivors, SDPHS members, family, friends, and others who were honoring veterans at Dixon that day. He gave a history of the lengthy process it took for approval and creation of the memorial bench that was funded entirely by donations. Chapter 6 founding members, Bob Addobati and Bill Littlejohn, laid the beautiful Hawaiian wreath and SDPHS member and Chapter 6 treasurer Keith Pittman played taps. Survivor Chuck Kohler, Chapter 13 trustee, also attended, along with his wife Judy, SDPHS members and honorary members from his chapter.

Veterans' Day evening Survivors were hosted to front row seats at Sacramento Youth Symphony's "Patriotism & Peace" concert. Attending were Bill Littlejohn (chapter 6 trustee) and his wife Jo, Merle Whitten and Jean, John & Beverly Sabo, Bob Addobati (chapter 6 vice president), and Merl Resler. SDPHS members attending included Keith Pittman and Lou and Donna Madeira.

The above photograph was taken by SDPHS member, Lou Madeira, who did such a great job of photography at the 2010 National Convention in Hawaii. If you didn't make it to Hawaii, Lou's pictures in the February Gram provided you with a day-by-day record of the convention activities. Thanks for the continued assistance by Donna & Lou.

National Constitution and By-Laws Changes and Handbook Revisions Available

New "change pages" for your State and Chapter Blue Books including changes in the National Constitution and By-Laws and new pages for the State and Chapter Handbooks are available through the four new District Directors via e-mail at no cost. If e-mail is not available to State and Chapter officers, these change pages may be acquired from the National Secretary's office for a $10 fee.

These change pages include Resolutions approved by the members in the business meeting held December 4, 2010 as part of the 2010 National Convention in Hawaii.

District Director names and contact information was included on page 18 of the February 2011 Gram. The revised list of the states now covered by the four District Directors is also included in the February Gram on page 19.

Without these revised pages your copy of the National Constitution and Bylaws and the Handbook pages are no longer valid, workable documents.

Pacific Historic Parks (PHP), formerly known as Arizona Memorial Museum Association (AMMA), played a key role in the most successful 69th Anniversary Pearl Harbor Day Commemoration on December 7, 2010 and the Dedication of the new Pearl Harbor Visitor Center.

The new Visitor Center is the result of 8 years of fund raising by AMMA members and Pearl Harbor Memorial Fund donors. They collected $56 million for the improved facilities and the 23,600 sq. ft. of space used to return the December 7th ceremonies to the center’s expanded back lawn. What a majestic view of the harbor, Arizona Memorial, and other area venues.

But that’s the big picture. At our age, the devil’s in the details. PHP again secured and supervised the buses that took us to and from convention hotels and Pearl Harbor. They again provided free bus transportation for each Survivor plus one other rider—the program we worked out with them in 2006.

PHP also provided the tent, tables, and chairs for the PHSA luncheon on the grounds of the new Visitor Center. The organization also made presentations at the PHSA 2006 and 2010 conventions in Hawaii and 2008 in Fredericksburg, Texas so we could better understand their role to support and fund National Park Service’s educational and interpretive programs.

I happened to see James Y. DeLotel’s obituary in the Eugene, OR, newspaper. It reported him as being a Pearl Harbor Survivor who was serving on the USS Utah at the time of the Dec. 7th attack. He was not listed in our PHSA roster so I investigated further.

I contacted his widow who informed me that he had been an active member up to 2007. In chatting with her, she told me that he had been transferred to the USS Detroit after the attack. As I worked in the Pay Office and was reconstructing pay records of refugees from the sunken ships, it turns out that I was one of the first to welcome him aboard the “Dirty D”. Now I have attended his service at the Roseburg National Cemetery on 11 Mar 2011.

Spokane Control Tower Named After Pearl Harbor Survivor

By act of Congress, the tower at Spokane International Airport was named for Ray Daves, a retired air traffic controller and World War II veteran who survived the 1941 attack on Pearl Harbor and the 1942 sinking of the carrier USS Yorktown.

“By naming the control tower after Ray, we will remind all those who come here of this great patriot who represents the best of our nation,” said U.S. Rep. Cathy McMorris Rodgers, who on Friday presented Daves with an official copy of the bill in the tower’s ground-floor offices.

The dedication was the idea of FAA employee, Tom Torvik, who was inspired by the 2008 book about Daves, “Radioman: An Eyewitness Account of Pearl Harbor and World War II in the Pacific,” by Spokane author Carol Edgemon Hippierson. Torvik and his sister, Stephanie Yanuszeski, a teacher at Windsor Elementary School, began a letter campaign promoting the dedication.

McMorris Rodgers introduced a bill in the House of Representatives and Senator Patty Murray presented a companion measure in the Senate. On Dec. 22, President Barack Obama signed into law what is apparently the only such dedication of a federal control tower. “This is the first one that we are aware of,” said Michelle Skomars, the FAA’s air traffic manager at the 271-foot tower, which began operation in August 2007.

U.S. Rep. Cathy McMorris Rodgers congratulates Ray Daves, a Past President of Lilac City Chapter of the Pearl Harbor Survivors Association. Chapter member Ralph Virene represented the Chapter at the ceremonies.

RAY DAVES
AIR TRAFFIC CONTROL TOWER
THIS BUILDING IS DEDICATED TO A PIONEER IN AIR TRAFFIC CONTROL FOR SPOKANE, WASHINGTON

Ray Daves, WWII Veteran and Pearl Harbor Survivor, began his Air Traffic Control career in 1946. He was instrumental in helping shape Spokane’s air traffic procedures and airspace into what they are today. Ray retired from the Federal Aviation Administration in 1973.

His dedication and love of the job continue to be an example for all those that follow in his footsteps.
Chapter 12 Participates In Quartz Hill Veterans Day Parade

Chapter 12 members Curly Elliott, George Keene, Jack Rogo, Ken Creese, and Arthur Herriford participated in the Veterans Day parade in Quartz Hill, California. Five Survivors rode on each side of the large Arizona Memorial float. Spouses Gwen Keene and Shirley Herriford also were in attendance. The Survivors and wives said they never had witnessed such an outpouring of respect and honor as they received from those watching the parade in the small community just north of the San Fernando Valley.

Survivor License Plate Collection on USS Lexington Museum

For 20 years Stewart E. Lewis from Laotto, Indiana has been collecting Pearl Harbor Survivor license plates. His goal was to collect these special plates from all the states that issued them and place the set in a WWII museum. Only North Dakota and Rhode Island did not issue Pearl Harbor Survivor license plates.

A complete set of the plates are now on exhibit on the USS Lexington Museum On The Bay, Corpus Christi, Texas.

The museum rests just across the ship channel from downtown Corpus Christi. Stewart is still looking for these plates and will pay $100. for plates from 15 states and $25. for all the other states.

Stewart E. Lewis’ address is 3734 S. 950 E., Laotto, IN 46763. Phone number is 260-897-2364.

WARNING TO VETERANS

Forwarded by Kevin Secor, VSO Liaison, Office of the Secretary of the Department of Veterans Affairs.

An organization called Veterans Affairs Services (VAS) is providing benefit and general information on VA and gathering personal information on veterans. This organization is not affiliated with VA in any way.

Websites with the name "vaservices" immediately after the “www” ARE NOT part of the Department of Veterans Affairs, the U.S. Government agency. Do not go to them or if approached or called, do not offer them any information concerning yourself or data on other veterans.

Keep in mind that the real VA website address ends in gov. Also, be aware that the Department of Veterans Affairs does not randomly call veterans, nor does it ask veterans for information which it does not already have--like Social Security Numbers.

In particular, if you have not dealt with the VA previously--and in person--and all of a sudden, you receive a call from someone saying they are with the VA or something similar sounding, hang up the phone.

Also, do not respond to emails which suggest that they are from the VA. The VA never conducts official business nor asks for personal information, by E-mail.

VAS may be gaining access to military personnel through their close resemblance to the VA name and seal. Our Legal Counsel has requested that we coordinate with DoD to inform veteran’s organizations of this group and their lack of affiliation or endorsement by VA to provide any services.

In addition GQ requests that if you have any examples of VAS acts that violate chapter 59 of Title 38 United States Code, such as VAS employees assisting veterans in the preparation and presentation of claims for benefits, please pass any additional information to Mr. Daugherty at the address below.

Great Lakes Sailors Attend Illinois Chapter 1 Survivors Meeting

Nine Illinois Chapter #1 members showed up at the September 28, 2010 meeting and were joined by 8 Sailors from Great Lakes Navy Base, including one CDR Courtenay E. Murakowski, XO TSC Great Lakes.

Survivors L. to R. included Ambrose Ferri, USS Vestal, Finch Stowell, USS Oklahoma, Ralph Lindenmeyer, NAS Ford Island, Joe Triolo, USS Tangier, John Terrell, USS Perry, Dean Garrett, Hospital Point, John Barry, 14th District Naval Intelligence, Tom Decker, USS Hull, and Lyle Hancock, Navy Yard Dispensary.

Wisconsin SDPHS members, Rick and Eric Miller, always order items from the Arizona Memorial to give to the Survivors at the meetings. This year they bought the Pearl Harbor 2011 Calendar that feature photos and stories of PHSA members—one for each month of the year. The calendar is available at the new Visitors Center book store.

They also raffled off a map of Pearl Harbor during the December 7th attack and one of the young sailors won the map and had the survivors autograph it for him.

Rick and Eric Miller, who sent in the story and photograph, are sons of of Clarence J. Miller, USS Ramsay DM 16 who died in 2000. They actually live in Wisconsin but work closely with Illinois Chapter #1 in Northern Illinois. Rick states "My brother, mother, nephew and the rest of the family will keep the memory of my dad and those of all of the Pearl Harbor Survivors alive."

Indiana Group Meets In N.E.

PHSA/SDPHS Indiana Chapter 2 held their October meeting at Christos Restaurant in Plymouth, Indiana, in the hopes of linking up with Survivors at the northeastern end of the State. Along with our Chapter 2 President, Merle Berdine, with surprise and delight we welcomed two more survivors, one widow, and a child survivor - Jim DeWitt (USS Antares), Jim Moore (USS Antares), Lois Kaczor (Ed Kaczor, USS Antares), and Wendy Masters - along with fifteen guests, representing three generations! Several SDPHS officers were also in attendance including Carol Gladys (Joy Beezley, USS Medusa), SDPHS National Vice President, Mary McPherson (Ed Kaczor, USS Antares), SDPHS Ohio State Chair, and our own Jim Laud, SDPHS Indiana Chapter 2 President and Indiana State Chairman.
WEDDING ANNIVERSARIES are not automatically entered in the GRAM. The National application for membership does not call for that information, so there is nothing on file nationally. Members must submit the information in time for publication. Note that we list the 65th, 60th, 55th, and 50th anniversaries only. You should send the information to the GRAM Editor six months in advance.

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying balance sheet — modified cash basis of the Pearl Harbor Survivors Association, Inc. as of September 30, 2010, and the related statement of activities, and cash flows — modified cash basis for the year then ended. These financial statements are the responsibility of the Agency’s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Association’s policy is to maintain its records on the modified cash basis of accounting. Generally, revenues are recognized when received and expenses are recognized when they are paid. Certain items of a prepaid nature are accrued and recognized over the duration of the asset. Accruals are made to reflect the timing differences of revenues and expenses associated with bi-annual conventions. This basis is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Pearl Harbor Survivors Association, Inc., as of September 30, 2010, and the changes in its net assets and cash flows for the year then ended, on the basis of accounting described in Note 1.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information on pages 9-14 is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information is the responsibility of the Association’s management. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2010

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization
Pearl Harbor Survivors Association, Inc. (The Association) is a nonprofit tax-exempt entity as defined under section 501(c)(19) of the Internal Revenue Code. The Association is federally chartered and is operated exclusively for purposes beneficial to the interest of the nation and its uniformed services personnel, their dependents and their survivors. Each year the Association files a return (Form 990) with the Internal Revenue Service. In addition, the Association updates the IRS on the subordinate organizations that are covered by the Association's group exemption letter. State and local chapters are required to file their own form 990 with the IRS.

Basis of Accounting
The financial statements of Pearl Harbor Survivors Association have been prepared on the modified cash basis of accounting, with the following exceptions: (a) Deferred Life Membership Dues are recorded as they accrue over a ten year period; (b) Prepaid Convention Expenses are deferred until the year of the convention and the fees received for the convention are shown as convention deposits until the year of the convention; and (c) Prepaid Insurance is recorded and expensed over the life of the policy and prepaid memorial supplies are recorded and expensed as distributed.

Basis of Financial Statement Presentation
The Association reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Inventory
Inventory is priced at lower of cost or market value, on the first-in-first-out method.

Property and Equipment
Depreciation is provided in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives, on the straight line basis. The lives used for assets currently depreciated range from 5-7 years. Several years ago, donated assets were reflected as contributions at their estimated value at date of receipt. In recent years, no amounts have been recorded for these items (or for donated services) as no objective basis is available to measure the value of such contributions.

Functional Expenses
Expenses are charged directly to program or management in general categories based on specific identification. Indirect costs have been allocated based on salary expenditures. There were no fund raising expenses.

Income Taxes
The Organization is a nonprofit corporation exempt from income tax under Internal Revenue Code Section 501(c)(19). The Organization is classified as "other than a private foundation" by the IRS.

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.
NOTES TO FINANCIAL STATEMENTS (Continued)

Recognition of Donor Restricted Contributions
Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Investments
Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

2. DEFERRED LIFE MEMBERSHIP DUES
Current Deferred and Long-Term Deferred Life Membership Dues are carried as liabilities. Life Membership Dues are presently amortized over 10 years where as Annual Membership Dues are recognized in the year received. As of September 30, 2010, total deferred memberships were valued at $5,618.

3. COMPENSATION
The organization is a volunteer organization with no employees. Certain functions such as bookkeeping are outsourced to independent practitioners. There are, therefore, no issues regarding payroll, compensated absences or related matters relevant to the organization to be reported. Certain expenses for officers and for members authorized to perform specific services are reimburse.

4. INVESTMENTS
Investments are stated at fair value and consist primarily of certificates of deposit and commercial debt instruments as follows:

NOTES TO FINANCIAL STATEMENTS (Continued)

FAIR VALUABLE MEASUREMENT OF INVESTMENT ASSETS
In accordance with the FASB Accounting Standards Codification 820-10, Fair Value Measurement, the Diocese records its investment assets at fair value. Under this standard, fair value is defined as the price that would be received to sell an asset (i.e. the 'exit price') in an orderly transaction between market participants at the measurement date. Additionally, this standard establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under this standard are:

Level 1 – Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Diocese has the ability to access at the measurement date.
Level 2 – Inputs other than quoted prices that are observable for the asset either directly or indirectly, including inputs in markets that are not considered to be active.
Level 3 – Inputs that are unobservable.

In 2010 Hawaii Visitors and Convention Bureau asked NPS, PHP, and PHSA to assist them in two shopping center events in the Los Angeles area. We were delighted to assist those who are so dedicated to helping PHSA. L. to R. are PHP’s Tony Catekista, NPS Historian, Daniel Martinez, Gram Editor, Mal Middlesworth, Shirley and Art Herriford, and JoJean Middlesworth. Names of those attending the Grove Shopping Center in Fairfax were not available from Ontai-LaGrange and Associates.

**MAILING NOTICE:**

Since the National Secretary maintains the address listings for all members of the Association plus all others who have subscribed to the Pearl Harbor GRAM, it is imperative that when you move or change your address, that you notify the National Secretary of such changes at 513 SE Clark Ave., Battle Ground WA 98604-8902

Please use the convenient change of address form on the right to notify the PHSA that you have changed your mailing address. There are separate sections for your old and new addresses.
