70th Anniversary Pearl Harbor Day Commemoration

A record crowd of 5,000 people, including 150 Pearl Harbor Survivors, attended the 70th Anniversary Pearl Harbor Day Commemoration on the back lawn of the Pearl Harbor Visitors Center on December, 7, 2011.

The featured speakers for the Commemoration included Leslie Wilcox, President and CEO, PBS Hawai‘i. Leslie did an excellent job as Mistress of Ceremonies for the Enduring Legacy program.

William H. Muehleib, PHSA National President, saluted the USS Chung Hoon as it passed in review. He later reported on the shut down of the Pearl Harbor Survivors Association, Inc.

Featured Speaker, Ray Mabus, Secretary of the Navy, leads the Navy and Marine Corps and is responsible for an annual budget in excess of $150 billion and almost 900,000 service personnel.

Mal Middlesworth, PHSA Vice President, was the Commemoration Keynote Speaker and spoke on the Enduring Legacy of the 70th Anniversary of the Attack on Pearl Harbor.
This Is The Last Edition Of The Pearl Harbor Gram

By Mal Middlesworth
Editor, The Pearl Harbor Gram

The first issue of the Gram was published in October, 1964. It included two black and white photos; one of the Hickam Field entrance and a second of Gene Lindsey, the National President, placing a bouquet of roses in the Shrine Room of the USS Arizona Memorial. It is fitting and proper that the final Gram issue also features the Arizona Memorial and the new Pearl Harbor Visitors Center on the 70th Anniversary of the December 7th Attack we were all a part of.

Like most Pearl Harbor Survivors, I never thought about or talked about my military service after WWII ended. We were too busy getting an education, finding a job, and raising a family. While the founding fathers were meeting on Dec. 7th in 1957 in Gardena, California, I was involved with my first job after college—not concentrating on the war in the Pacific. As late as the 25th Anniversary I had never heard about the PHSA, even though a national officer lived about 9 miles from my home in Illinois.

Before the 50th Anniversary Reunion in Hawaii, we discovered that there was a local chapter and joined. We were going to Hawaii to play golf on another island, so we traveled home via Oahu to attend the 50th Reunion. We had no idea we would ever attend another convention, much less the 70th Anniversary Commemoration.

Bob Watson, who had been the Gram Editor for 14 years, resigned because of his poor health. He transferred to California Chapter 9 and I assisted him with his last 2 issues. Ed Chappell, then National President, had seen the newsletter I was publishing for Chapter 9 and appointed me Editor in January of 2001. Bob Watson and I edited 100 of the 189 Gram issues published by the PHSA.

Bruce Klein from Fresno served as Assistant Editor in the early days. Leo Priest from Palm Springs also helped for a number of years later. JoJean and I would carefully read each page, checking for proper spelling, punctuation, and readability before sending proofs to Leo for his review.

No matter how carefully we checked, Leo would always find something we missed. He’s an ex-newspaperman so we had added a real pro to the staff. Bruce and Leo are two of the finest gentlemen we would encounter in our Pearl Harbor Gram activities over these many years.

I could never have served as Gram Editor without the support and assistance of my wife, JoJean. She proofed each article in all the issues we worked on together. She corrected my mistakes and the errors made by those who sent in stories. She maintained a booster ad database and sent out postcards to advertisers when their ad needed to be renewed. Many long-time advertisers were there when we took over and stayed with us during the full 11 years.

At the same time I functioned as the Gram Editor, I also served two and a half terms as National President and two terms as National Vice President. However, the Gram was my favorite “job” with the PHSA. It put us in personal contact with Survivors, wives, widows, and family members. We were fortunate to be able to hear the individual Pearl Harbor stories first hand and to talk to the wives, widows, and family members as well.

We established the NOW Committee to research the options available to our organization that would maintain the enduring legacy the Pearl Harbor Survivors Association, Inc. had established since its inception. During this period we developed a partnership with the Arizona Memorial Museum Association, now called the Pacific Historic Parks. The new name reflects the National Park Service mandate across the Pacific Theater including specific installations on the Island of Oahu. We found the logical successor organization right in Pearl Harbor.

We thank all of you for the opportunity that allowed us to meet so many members of our unique association.
The President’s Message

Fellow Survivors:
This message is to bring you up-to-date on the final events of the Pearl Harbor Survivors Association, Inc. As you know, our organization was incorporated in the State of Missouri as a 501(c) tax-exempt corporation in 1958. We were also chartered by an act of the 103rd Congress on August 3rd, 1994, under Public Law 103-308. The PHSA was also a member of the Veterans Service Organization group of the Department of Veterans Affairs.

It was necessary to terminate our relationship with these organizations as a result of the Executive Board's decision to end our corporate status as of December 31, 2011. All of the terminations of the above organizations have been completed.

Our Association has accumulated various assets: office equipment, memorabilia, plaques, and financial investments. The Pacific Historic Parks has agreed to become our legacy entity. As such, they have accepted our memorabilia, historic documents and have agreed to be the trustee of our financial assets. The assets will be dedicated to educational programs about the attack at Pearl Harbor and the other military installations on the island of Oahu.

The termination of our incorporation was not in any way to be interpreted as an end to the many social and fraternal relationships that exist among our members. I wish to thank the many spouses, widows, the Sons and Daughters and Associates who were an unofficial part of many chapter meetings. The E-Board would encourage these relationships to continue.

One other topic - the 70th Anniversary Pearl Harbor Day Commemoration on December 7, 2011. There is no accurate count, but attendance exceeded the estimates made by the National Park Service. There were over 150 Survivors in attendance—plus, 5000 attendees, including spouses, widows, family members, friends, and the general public. The Survivors were escorted to their seats by ushers based on their seating cards and invitations.

National Park Service provided escorts for the Official Party, Survivors and guests. Your National Vice President was the Pearl Harbor Day Commemoration Keynote Speaker. I hope to have his presentation made a permanent part of the Pearl Harbor Visitors Center exhibits. It was an event which we all will remember with pride.

I salute you, my fellow Pearl Harbor Survivors, and wish you well in the months that follow.

William H. Muehleib

Pacific Historic Parks To Mail Their Publication To Gram Subscribers

If you were on the November Gram mailing list you received a copy of the Winter 2011 Remembrance magazine. This issue was also the official program of the 70th Anniversary Pearl Harbor Day Commemoration.

Pacific Historic Parks will offer their membership magazine Remembrance to all 2012 Gram subscribers at no cost in 2012, 2013, and 2014. Starting in 2015 PHP will offer memberships to these subscribers at the special rate of $15 a year. Memberships include receiving Remembrance. The $15 yearly subscription fee will be available to all Survivors, wives, widows, and sons and daughters.

Remembrance will include some of the Gram’s traditional items such as Survivor news articles, photographs, events, and death reports. Send this type of information to:

Ray Sandla, Editor
Pacific Historic Parks
1 Arizona Memorial Place
Honolulu, HI 96818

Ray’s E-mail address is: rsandla@pacifichistoricparks.org
His phone number is 808-485-2748. PHSA National Secretary, George Bennett, has supplied Pacific Historic Parks with the latest Pearl Harbor Gram mailing list for the Spring 2012 Remembrance magazine mailing.

Prayer for the Dead
Eternal rest grant unto them and let perpetual light
shine upon them and may they rest in peace—
Amen.

Former National President, Arthur G. Herriford of Sherman Oaks, CA died on December 19, 2011. Art served as National President during the 2009-2010 term. He and his wife, Shirley made outstanding contributions to PHSA at all levels from his local chapter, as a state officer, and as National V.P. and President. Their roles in National Conventions was renowned. We cannot replace their dedication!

70th Anniversary Pearl Harbor Day Commemoration

At 0400 the News Media Satellite and “live” television trucks arrived and started to set up. At 0430 all military volunteers parked in a nearby parking lot and took a shuttle to the Pearl Harbor Visitors Center.

At 0740 Leslie Wilcox, the Mistress of Ceremonies, welcomed the large crowd and provided her personal reflections on the significance of the attack on Pearl Harbor. At 0743:40 she asked the audience to rise for the arrival of the Official Party.

The Official Party included Paul DePrey, Superintendent, World War II Valor in the Pacific National Monument, NPS; Rear Admiral Frank Ponds, Commander Navy Region Hawaii and Naval Surface Group Middle Pacific; Admiral Patrick Walsh, Commander, United States Pacific Fleet; Ray Mabus, Secretary of the Navy; Lt. General Duane Thiessen, Commander, U.S. Marine Forces Pacific, and Mal Middlesworth, National Vice President and Pearl Harbor Gram Editor, Pearl Harbor Survivors Association, Inc.

0515 The Floral Tribute/Wreath working party reported to the visitor center and at 0515 departed from the boat docks to the Arizona Memorial. From 0530 to 0630 the working party prestaged the wreaths on the Memorial and returned to the visitor center.

Also at 0530 all parking staff and volunteers and Pearl Harbor Visitor Center staff and volunteers were in position and the Bag Storage at the USS Bowfin was opened.

At 0600 the Visitors Center was opened to invited guests, which included all Pearl Harbor Survivors, World War II veterans, their wives, family members, and guests.

At 0744:15 Kahu Ka’ilia offered a Hawaiian Blessing to open the program. At 0747:15 Leslie introduced our Co-Hosts Superintendent Paul DePrey and RDML Frank Ponds.

The invited guests had an invitation or a seating card and were directed to ushers and escorted to their seats.
During the welcoming remarks by Superintendent DePrey and Admiral Ponds, the USS Chung Hoon (DDG-93), an Arleigh Burke-class Aegis destroyer, was now heading for the area between the Arizona Memorial and the Pearl Harbor Visitors Center.

The Mistress of Ceremonies informs the crowd that it is customary on December 7th to observe a moment of silence at 0755 to commemorate the beginning of the attacks on Pearl Harbor. When the Destroyer sounds the ship’s whistle, heads are bowed in memory of those who fought and those who died here on Dec. 7, 1941.

A group of F-22’s from the 199th Fighter Squadron of the Hawaii Air National Guard completes the Moment of Silence by executing a Missing Man Formation.

At 0756:15 Leslie asked the audience to rise. The Pacific Fleet Band played the National Anthem and the band’s bugler sounded Attention—and the Joint Service Color Guard paraded the colors.

The command, Post Colors, was given at 0801:40. The color guard marched off and posts the colors nearby. As the audience is seated, Leslie asks the Pearl Harbor Survivors to remain standing, which drew a spontaneous reaction from the record-setting crowd.

At 0802.30 Leslie explains that it is customary for ships passing close aboard Arizona to pay their respects by rendering honors. On December 7, 2011 Chung Hoon also rendered honors to the Pearl Harbor Survivors who had gathered with those attending the 70th Anniversary Pearl Harbor Day Commemoration. William Muehleib, National President of the Pearl Harbor Survivors Association, Inc. represented the attending Survivors and returned the salute to USS Chung Hoon as she passed by close aboard to port.

President Muehleib, right, also took the opportunity to provide the reasons why the Pearl Harbor Survivors Association, Inc. was shutting down as a corporate identity to a very interested audience.
ALL TIME CONSTRAINTS ARE NOW OFF.

Editor's Note: Up to this point, all 2011 Commemoration Day program events have started at a specific time based on a 27-page script that covers the time period from 0300 (3:00 a.m.) to 1645 (4:45 p.m.) The script was revised during the planning process and rehearsals were held several days before the presentation. The final script for the Dec. 7th program was approved on December 4th, 2011 and well executed by the hundreds of people involved.

Next was a Prayer for Peace offered by Rev. Tanaka of the Japanese Religious Committee For World Federation followed by the English translation by Mihoko Maier.

Superintendent Paul DePrey read a message on behalf of Secretary of the Interior, the Honorable Kenneth Salazar, who was not able to attend Commemoration program.

Mistress of Ceremonies, Leslie Wilcox, then welcomed Lt. General Duane D. Thiessen, USMC to the microphone to introduce the Keynote Speaker, Mal Middlesworth.

Admiral Patrick Walsh then introduced the Honorable Ray Mabus, Secretary of the Navy.

At Pearl Harbor Day Commemorations it is customary to place a wreath on a flag mast of the capitol ships that were in port during the attack. Wreaths are also placed on the USS Utah and USS Arizona which are still in the harbor.
In addition to the capitol ships in Pearl Harbor, each of the other military installations on the Island of Oahu on Dec. 7th, 1941 were also recognized in the wreath presentation ceremony. National Park Service Staff and personnel from the U.S. Armed Forces presented the wreaths.

In service to their enduring legacy, Pearl Harbor Survivors were asked to stand and be recognized when the wreath for their capitol ship or battle site was recognized.

Leslie called out “Wheeler Field” and a Park Ranger tolled the USS Arizona bell on the back lawn. The Wheeler Field Survivors stood up as able and the crowd applauded them. Leslie gave a brief description of the attack on Wheeler Field. Next she called out USS Utah. The Arizona Bell tolls, the Survivors from the Utah stood up, were recognized by the record crowd, and they sat down.

The process continued with the USS West Virginia, Naval Air Station Kaneohe Bay, the USS Oklahoma, USS California, Ewa Mooring Mast Field, USS Nevada, USS Arizona, Hickam Field, USS Tennessee, USS Maryland, Bellows Field, USS Pennsylvania, etc. You get the idea.

At the end of the process Leslie started into the next part of the script but suddenly the Survivors, whose ships had not been called out, started calling out the name of their ships. The ship names came from all corners of the crowd.

Now we were involved in Ships and Stations — a long honored tradition at Pearl Harbor Survivor conventions. Leslie handled the non-scripted addition to the program well and we realized we were where we are supposed to be on the 70th Anniversary of the attack on our great nation.

Chaplain Richard Pusateri, Marine Forces Hawaii, offered the Benediction as the Pacific Fleet Band softly played the Navy Hymn. The Marine Corps Rifle Team fired a volley, Echo Taps was provided by two band members, the colors were retired, and the El Camino Choir entered the stage. The audience remained standing as the Official Party and Honored Guests departed.
M. C., Leslie Wilcox, asked that all Pearl Harbor Survivors, WWII Veterans, and Civilian December 7th witnesses who are able, with their families and guests, to please exit through the Walk of Honor. The Honor Cordon Commander barked “Honor Cordon, Hand Salute” and the honorees moved through the Cordon of active duty sailors and volunteers. At 0930 the Pearl Harbor Visitors Center opened with priority entry to Walk of Honor participants.

Walk of Honor honorees leave the 70th Anniversary Pearl Harbor Day Commemoration on December 7, 2012.

The El Camino Choir accompanied our Hero’s Walk of Honor with their special rendition of our country’s most beloved patriotic songs. Tug Boats were in the harbor conducting a water tribute to those who served in Pearl Harbor and on the other military bases on Oahu on Dec. 7, 1941.
L. to R., Sally Nockold, National PHSA Treasurer, Gery Porter, Secretary of the Navy Ray Mabus and Mrs. Mabus.

National Park Service Senior Historian, Daniel Martinez, briefs the Official Party, Ceremony Participants, and Official Guests on the elements of the Memorial Program.

At 0945 the Admiral’s “White Boat #2” departs the Pearl Harbor Visitors Center and heads for the USS Arizona Memorial with the Official Party, Ceremony Participants, and Official Guests.

L. to R.: PHSA Vice President, Mal Middlesworth and National President Bill Muehleib examine a wreath.

The Secretary of the Navy, Ray Mabus, and family members view the Shrine Room Wall; an inspiring monument to those who lost their lives on the USS Arizona on December 7th, 1941 and those who have died since the attack. All the choreography of the Pearl Harbor Day Commemoration Day program that started at 0930 underscores the Enduring Legacy of all the Survivors.
Above is the USS Arizona Memorial Shrine Room after the wreath presentations.

On the right: Secretary of The Navy, Ray Mabus and family members drop rose petals into the well area.

Below: Official Party and Official Guests in prayer led by Navy Chaplain.

At 1020 the group returns to the boat dock and offered an escorted tour of the Pearl Harbor Visitors Center.

President Muehleib Represents
PHSA At White House Breakfast

PHSA President Bill Muehleib and wife Jo met President
Obama and the First Lady at the 2011 Veteran’s Day White
House breakfast. The breakfast was part of the Veterans’
Service Organization activities.

It was most fitting and proper that Bill and Jo Muehleib
would represent the Pearl Harbor Survivors Association,
Inc. at the 2011 Veterans’ Day activities in our nation’s
capitol. They’re an outstanding couple and have been front
and center at many of the Veterans Service Organization
events for many years.

As he ascended from District Director to Vice President
and National President, Bill Muehleib also served PHSA
as the Association’s Representative on the Veterans
Service Organization, an important part of the Veteran’s
Administration. In previous Administrations the White
House Breakfast and the trip to the Arlington National
Cemetery ceremony were held on Memorial Day.

CA Chapter 6 Commemorates
70th Pearl Harbor Anniversary

Chapter President Sam Clower salutes as taps is played dur-
ing the 70th Anniversary ceremony of the attack on Pearl
Harbor and the military bases on the Island of Oahu.

Television, radio, and Associated Press reporters and pho-
tographers gathered in the Sacramento area to record the
commemoration of the attack on Pearl Harbor 70 years ago.

Six Survivors were on hand to share their stories, along
with two child survivors, members of Sons & Daughters
of Pearl Harbor Survivors, Sweethearts, Wives, family
members, and friends. Several members of the 49ers
POW organization were also in attendance.

Candles were extinguished in memory of the six Survivors
from Chapter 6 that passed away this year, and a flower
was added to a wreath for each name.

Although Pearl Harbor Survivors Association has shut
down, Chapter 6 President Sam Clower Sr. stated, “We
will continue on as long as someone can stand up.”

A Ford Island Sailor And Friends
John Finn And Lita Bowman
Two Great Gram Supporters

When you publish the Gram for 11 years you meet many outstanding people. Above are two of the many who have supported us over the years. John Finn was a one of a kind person - a hero who remained his own man despite all the demands that we all placed upon him. Lita Bowman, wife of M/Sgt. Raymond D. Bowman who was stationed at Camp Malakole on December 7th, is the same kind of person. They both enriched the lives of all the Survivors they encountered during the years we knew them.

CA Chapter 23 Survivors Honored By Community

David Templeton of radio station KSRO and Chaplain Herb Louden on air in Santa Rosa, California.

Chapter 23, State, and National Chaplain Herb Louden was featured Tues., Oct. 25, on KSRO radio. In a live interview in the studio with David Templeton, Louden told some of his still vivid memories of that Day of Infamy.

He also related some of the history of the Pearl Harbor Survivors Association and invited the public to the December 7 Breakfast and Memorial Ceremony at the Santa Rosa Veterans Memorial Building. Templeton asked questions about the structure of the organization and how often the chapter meets.

Jesse Love has received the Gray Foundation's Community Service Award for his service to his community. The citation listed his work on behalf of his church, Community Baptist Church on Sonoma Avenue, and his service to Ch. 23 and the veterans community. Love is a charter member of both the church and the Pearl Harbor Survivors’ chapter.

The award was symbolized by a crystal plaque, and Love also received resolutions from Congresswoman Lynn Woolsey and the Sonoma County Board of Supervisors.
Cecil Malmin is one of the most dedicated state officers the State of California PHSA organization ever elected. He’s been the Secretary for the largest state organization for 20 years. He served as the Vice State Chairman (North) and founded two of the state’s local chapters.

He retired from the Navy after 30 years service and spent 5 years as a civilian employee of the Army Signal Corps. His wife, Dottie, died 6 November, 2009 after the two were married for 68 years. They had four children.

Cecil and brother Tom enlisted in the Navy in 1937 and spent most of their service on the same bases or in nearby installations. On Dec. 7th Cecil was at Kaneohe NAS and Tom was driving a bus on Ford Island. Cecil hopped in his Model A and raced to a hanger where a Chief was pulling out a 50-caliber machine gun. The Chief told Malmin and another sailor to hold the weapon on the tarmac while he fired at the Japanese planes. The Chief Ordinance man was John Finn who was awarded the Congressional Medal of Honor for his actions that day.

When the bombers hit, Cecil and two other men climbed into a PBY parked near the water and started firing a 50-caliber machine gun. That’s when he saw the bombs coming right towards the PBY. The shrapnel from one of the bombs sliced through Cecil’s arm pinning the arm to his chest. When a bomb truck picked him up, he jumped on the running board. The doctor told him he was going to receive a medical discharge because of his wounded arm. After swimming daily for a month he could touch his face with his hand. The discharge was vacated and the rest is history.

Pearl Harbor Survivors Association Executive Board Meeting Minutes
September 29, 2011

In attendance: President, William Muehleib (via conference phone); Vice President, Mal Middlesworth; Secretary, George Bennett; Treasurer, Gery Porter; District Directors: Sam Freyfield, Bob Kerr, George Blake, Bernard Comito.

The meeting was called to order at 08:00 and the items to be discussed were agreed upon by consensus. The issue at hand is “Do we continue the PHSA until planning for the 2012 convention is upon us? Do we close down the PHSA as a corporate identity to coincide with our 70th anniversary of the attack on December 7, 2011?”

Considerations discussed were as follows:

1. The age of our members. There was unanimous agreement by nodding of heads that this was a valid consideration.

2. Poor health of our rapidly declining membership. There was unanimous agreement by nodding of heads that this was a valid consideration.

3. Inability to find national, state and local Chapter officers who are both willing and more importantly, capable of serving. One concern was addressed and there was unanimous agreement by nodding of heads that this was a valid consideration.

4. Current decreasing ability, desire and motivation of the national officers to function and carry on the management of the business affairs of the association. There was unanimous agreement by nodding of heads that this was a valid consideration.

5. The inability of the local chapter officers to comply with the IRS requirements of a 501(c) corporation. There was unanimous agreement by nodding of heads that this was a valid consideration.

6. We have an ever decreasing number of annual members carrying the financial burden of the total membership for many years. The President and the Treasurer clarified the state of the finances and assured the board that there was sufficient money to reimburse board members for this meeting’s expenses and to pay all of the bills of the corporation at closing. There was unanimous agreement by nodding of heads that this was a valid consideration.

Board members were polled by voice votes as to their agreement of these considerations. All agreed.

A discussion followed concerning the date of corporate closure. The choices presented were December 7, 2011, to coincide with the 70th Anniversary of the attack on Pearl Harbor, or December 31, 2012, to allow for a convention in Fredericksburg, Texas, over the December 7, 2012, date. Since no one was able to be the chairman and organizer of a meeting in Texas, and there was doubt about the number and condition of potential attendees, the 2011 date was agreed to.

At 09:45, George Bennett moved that the operation of the Pearl Harbor Survivors Association, as a corporate entity, be closed by December 7th, 2011. The motion was seconded by Gery Porter. Sam Freyfield amended the motion to make the closing date December 31, 2011, as December 7th is emotional enough for the survivors. No additional sadness should be added to this day. This consideration was accepted. The motion was offered as follows:

The operation of the Pearl Harbor Survivors Association, as a corporate entity, will be closed as of December 31, 2011. The motion was approved unanimously as amended.

Bernard Comito moved that the board authorize the Treasurer to hire professional help, as he deems is needed, to assist in the process of closing the financial records through December 31, 2011. Bob Kerr seconded the motion.
The treasurer suggested that the regular fiscal audit for the period October 1, 2010 through September 30, 2011, be postponed to include October – December, 2011. The final audit would be a 15 month audit. A discussion followed which included the Bylaws requirement for a fiscal audit covering October 1 – through September 30 of the following year.

Gery Porter moved to amend the Bylaws as follows: I move to extend the audit period of October 1, 2010 – September 30, 2011, until December 31, 2011, for a 15 month period. George Bennett seconded the motion. The motion passed unanimously.

The topic for the next part of the meeting was: The steps necessary to close down the PHSA as a Corporation are as follows:

1. Dissolve the State of Missouri Corporate Charter. The current agent to the state of Missouri has died so a volunteer is needed to take care of this. Gery Porter volunteered to gather information on this.

2. Give up the Congressional Charter. William Muehleib volunteered to follow-up.

3. Resign from the Department of Veterans Affairs, Veterans Service Organization group. William Muehleib asked to complete this as he has worked closely with this organization and the closing process is unclear in the federal charter.

4. Financial assets must be placed in trust with an appropriate organization. Tom Shaw of the Pacific Historical Park (PHP) will be contacted about this as this facility has been shown to be the best suited to carry on the ideals expressed in the 1958 Charter. Sam Freyfield moved that the PHSA assets be put in a trust fund to the PHP and stipulate that the assets be spent for education concerning Pearl Harbor. After discussion of other potential beneficiaries, and physical versus financial assets, and whether to spend principal and/or interest only, the motion was withdrawn.

Gery Porter moved that assets of PHSA after the organization has shut down and all the bills are paid, be turned over to PHP and that interest earned be used for education about the attack on Pearl Harbor and other military installations on Oahu on December 7, 1941. Sam Freyfield seconded the motion. The motion passed with one dissenter. Bob Kerr voted no because he believes that the Sons and Daughters Organization should be included in the disbursement.

Gery Porter identified the physical assets in his garage as supplies totaling about $100 in value. He has offered to buy some of them at market value.

5. Historic documents must be passed on to an organization willing to respect and handle them as to the historic data they represent. In addition to other officers' records, Mal Middleworth has a paper copy of every Gram since the first issue. He suggests they be digitalized. Discussion covered the possibility of the PHP taking the old copies and paying to digitalize them. Gery also has old file cabinets and out of date office equipment to dispose of. The most problematic items are the brass plaques and presentation boxes which are very heavy and expensive to move. Mal Middleworth will see if the PHP will pay to have them shipped to them, perhaps to offer in the book store.

6. A newsletter should be established to provide communication among the former PHSA membership. This has been completed. The PHP will include “Gram” information in its publication, “Remembrance,” and it will be mailed to all “Gram” subscribers. The last “Gram” will be published in October and a copy of “Remembrance” will also be sent to subscribers by PHP.

7. A PHSA web site should be managed and monitored by a responsible Pearl Harbor survivor or successor organization. Discussion followed about the presence of an unauthorized and out of date Pearl Harbor site on the Internet. They will be requested to cease and desist from using the PHSA logo.
There isn’t anything else the organization can do. Further discussion concerned using a free web site management service. No conclusion was reached. More investigation is needed.

Next steps. George Bennett and Mal Middlesworth will work together to compose an article for the next Gram informing the membership of the decisions of this meeting and how future subscription checks should be handled. It is understood that there will be a period of time after December 31, 2011, when there will be membership confusion about the change, especially concerning check payees. Every effort will be made to update members through the “Gram” and by passing the information to the chapters.

A motion was made to approve reimbursing expenses incurred by Howard Snell for traveling to Fredericksburg, Texas, to gather information about a possible convention in December, 2012. Bernard Comito seconded the motion and it passed unanimously. Howard Snell will be asked to notify Fredericksburg, Texas, of the convention cancellation.

It was moved and seconded that an Executive Board Directive be sent authorizing the Executive Board members to be reimbursed for expenses incurred attending this meeting. The motion was unanimously approved.

A sharing time followed about the chapters and their plans for their money, flags and charters.

William Muehleib announced that he had a survey to send to the Executive Board that asks for information about state statistics.

Sam Freyfield suggested that PHSA officially notify the Sons and Daughters organization of the closure of PHSA as a corporate identity. William Muehleib will do this.

President William Muehleib thanked the members of the Executive Board for attending this meeting and giving the issues careful consideration. He deeply appreciates the board’s willingness to complete this important task.

Respectfully submitted,

George Bennett, PHSA Secretary

I certify that the above represents the true and accurate minutes of the Pearl Harbor Survivors Association, Inc. Executive Board Meeting held in Ontario on September 29, 2011, and that I am the National Secretary of the Pearl Harbor Survivors Association, Inc.

INDEPENDENT AUDITORS' REPORT  

We have audited the accompanying balance sheet — modified cash basis of the Pearl Harbor Survivors Association, Inc. as of December 31, 2011, and the related statement of activities, and cash flows — modified cash basis for the three months then ended. These financial statements are the responsibility of the Agency’s management. Our responsibility is to express an opinion on these financial statements based on our audit.  

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.  

As described in Note 1, the Association’s policy is to maintain its records on the modified cash basis of accounting. Generally, revenues are recognized when received and expenses are recognized when they are paid. Certain items of a prepaid nature are accrued and recognized over the duration of the asset. Accruals are made to reflect the timing differences of revenues and expenses associated with bi-annual conventions. This basis is a comprehensive basis of accounting other than generally accepted accounting principles.  

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Pearl Harbor Survivors Association, Inc., as of December 31, 2011, and the changes in its net assets and cash flows for the year then ended, on the basis of accounting described in Note 1.  

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information on pages 9-14 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. This information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

PEARL HARBOR SURVIVORS ASSOCIATION, INC
NOTE TO FINANCIAL STATEMENTS
FOR THE THREE MONTHS ENDED DECEMBER 31, 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization
Pearl Harbor Survivors Association, Inc. (The Association) is a nonprofit tax-exempt entity as defined under section 501(c)(19) of the Internal Revenue Code. The Association is federally chartered and is operated exclusively for purposes beneficial to the interest of the nation and its uniformed services personnel, their dependents and their survivors. Each year the Association files a return (Form 990) with the Internal Revenue Service. In addition, the Association updates the IRS on the subordinate organizations that are covered by the Association’s group exemption letter. State and local chapters are required to file their own form 990 with the IRS.

Dissolution
The Association has ceased operations and dissolved the entity effective December 31, 2011.

Basis of Accounting
The financial statements of Pearl Harbor Survivors Association have been prepared on the modified cash basis of accounting, with the following exceptions: (a) Deferred Life Membership Dues are recorded as they accrue over a ten year period; (b) Prepaid Convention Expenses are deferred until the year of the convention and the fees received for the convention are shown as convention deposits until the year of the convention; and (c) Prepaid Insurance is recorded and expensed over the life of the policy and prepaid memorial supplies are recorded and expensed as distributed.

Basis of Financial Statement Presentation
The Association reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Inventory
Inventory is priced at lower of cost or market value, on the first-in-first-out method. All inventory has been liquidated and there is none on hand at year end.

Property and Equipment
Depreciation is provided in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives, on the straight line basis. The lives used for assets currently depreciated range from 5-7 years. Several years ago, donated assets were reflected as contributions at their estimated value at date of receipt. In recent years, no amounts have been recorded for these items (or for donated services) as no objective basis is available to measure the value of such contributions. All capital assets have been fully depreciated.

Functional Expenses
Expenses are charged directly to program or management in general categories based on specific identification. Indirect costs have been allocated based on salary expenditures. There were no fund raising expenses.

Income Taxes
The Organization is a nonprofit corporation exempt from income tax under Internal Revenue Code Section 501(c)(19). The Organization is classified as “other than a private foundation” by the IRS. In accordance with accounting standards, which provides accounting and disclosure guidance about uncertain tax positions taken by an organization, Management believes that all of the positions taken by the Association in its federal and state income tax returns are more likely than not to be sustained upon examination. The Association files returns in the U.S. Federal jurisdiction.
Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Recognition of Donor Restricted Contributions
Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Investments
Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

Fair Value Measurement of Investment Assets
In accordance with the FASB Accounting Standards Codification 820-10, Fair Value Measurement, the Association records its investment assets at fair value. Under this standard, fair value is defined as the price that would be received to sell an asset (i.e. the ‘exit price’) in an orderly transaction between market participants at the measurement date. Additionally, this standard establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under this standard are:

Level 1 – Inputs that reflect unadjusted quoted prices in active markets for identical assets or that the Association has the ability to access at the measurement date.
Level 2 – Inputs other than quoted prices that are observable for the asset either directly or indirectly, including inputs in markets that are not considered to be active.
Level 3 – Inputs that are unobservable.

2. DEFERRED LIFE MEMBERSHIP DUES
Current Deferred and Long-Term Deferred Life Membership Dues are carried as liabilities. Life Membership Dues are presently amortized over 10 years where as Annual Membership Dues are recognized in the year received. As of December 31, 2011, total deferred memberships were valued at $. All deferred life memberships have been fully recognized.

3. COMPENSATION
The organization is a volunteer organization with no employees. Certain functions such as bookkeeping are outsourced to independent practitioners. There are, therefore, no issues regarding payroll, compensated absences or related matters relevant to the organization to be reported. Certain expenses for officers and for members authorized to perform specific services are reimburse.
4. INVESTMENTS
Investments are stated at fair value and consist primarily of certificates of deposit and commercial debt instruments as follows:

<table>
<thead>
<tr>
<th></th>
<th>Cost</th>
<th>Unrealized Fair Value</th>
<th>Gain/(loss)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Wells Fargo</td>
<td>$ 103,578</td>
<td>$ 107,775</td>
<td>$ 4,197</td>

</tr>
<tr>
<td><strong>Net Merchandise Sales</strong></td>
<td>$ 448</td>
</tr>
</tbody>
</table>
7. TEMPORARILY RESTRICTED NET ASSETS
There were none.

8. SUBSEQUENT EVENTS
Due to declining membership the Association has voted to cease operations and dissolve the entity effective December 31, 2011. The Association has selected Pacific Historic Parks, a nonprofit located at Pearl Harbor, to receive its net assets. The actual value to be transferred will be the net assets less various wind-up expenses related to the dissolution that occur subsequent to December 31, 2011. Pacific Historic Parks supports and funds educational materials, museum exhibits, and interpretive programs for four National Parks throughout the Pacific, including Pearl Harbor.

Management has evaluated subsequent events through February 08, 2012, the date on which the financial statements were available to be issued.

Northern California Leaders Meet To Discuss Future of Chapters

Northern California Pearl Harbor Survivors gathered in Alameda on January 18, 2012 to discuss the future of California chapters. Although the national organization has disbanded, the chapters have vowed to continue meeting socially and participate in as many activities as possible. Many of the chapters will continue to publish their own newsletter.

Powell Wyoming High School Celebrates Veterans Day 2011

Each year Powell Wyoming High School Principal, Bill Schwan, invites all area veterans to attend a special event that honors their service to the nation. In the center of front row is Ray Brittain, a former PHSA District Director. Ray is also the Secretary of the local Disabled American Veterans organization. On his right is Bill White, a survivor of the Bataan Death March. On Ray's left is the Powell postmaster, Wendy Taufman, who is also a Disabled American War Veteran.
The Internment of Vernon J. Olsen - USS Arizona - December 7, 2011

At 1530 the Olsen Family, Guests, and the Navy and National Park Service participants conducted the internment ceremony. Included were welcoming remarks, a 2-bell ceremony, Chaplain service, flag presentation, the internment process, rifle salute, echo taps, and unveiling of Vernon J. Olsen's name in the Shrine Room of the USS Arizona Memorial.

Flag detail unfolds and folds the flag and presents to the widow.

Left: The ashes and family members are taken to the dock where the urn is placed inside the shelf-like well of turret #4 by NPS Dive Team. The cylindrical well was formed when turrets #3 and #4 were removed.

Above: Vernon J. Olsen's name is added to wall of the Shrine Room. The internment ceremony on the USS Arizona Memorial is one of the most dramatic military services one will ever witness.
