What am I telling you folks? That the ones who have the money are us, in the Global Debt Facility, a trust administered by the World Bank and IMF. If you want to know what assets are in the Global Debt Facility, just look at the inventory list at the foot of this letter that was cleared by the Board of Governors of the World Bank and IMF. <https://s3.amazonaws.com/khudes/lucc2.pdf> This letter says simply that the bankers owe us more than we owe them. THIS LETTER IS OUR TICKET TO THE GLOBAL CURRENCY RESET. Country debt is eliminated. Interest on country debt is eliminated. Our paper money is a scam and is getting replaced by real money from the Global Debt Facility and local currency that is going to be issued by our local villages and towns.

The bankers appointed the President of the World Bank and the Managing Director of the IMF, but Kim and Lagarde are under the control of the Board of Governors of the World Bank and IMF. That is, the Ministers of Finance and Development of the countries that belong to the World Bank and IMF. Here is my legal opinion about who runs the World Bank: <https://s3.amazonaws.com/khudes/general+assembly3.pdf>

I am the lawyer for the Global Debt Facility that contains the world's wealth that is administered by whom? Not the bankers. Not Kim and Lagarde. The Board of Governors of the World Bank and IMF. What is toxic to the bankers is that a political scientist named Jacek Kugler came to the World Bank in 2004 with a power transition model that predicts how coalitions will form, and enabled us to show how coalitions form to defeat the bankers. Did you hear me? DEFEAT THE BANKERS. Even if some

of the Board of Governors are corrupt, they are unable to ignore the coalitions on the Board of Governors. <https://s3.amazonaws.com/khudes/sentia+model.pdf>

The bankers who buy your politicians and brought you World Wars I and II and the holocaust and tried their hardest to bring you WWIII are insolvent. They are in receivership in the Global Debt Facility. Where are we now? We have shown the hidden handiwork of the lawyers and accountants that are trying to keep this corrupt system in place. We have discredited TOTALLY the mainstream media that censor the real news. The social media, (twitter @karenhudes, on facebook at <https://www.facebook.com/karen.hudes.10/> and if you don't use facebook, many of the posts are at <http://www.frank-webb.com/karen-hudes---updates.html> ) public access tv (my series on Tuesdays about The Network of Global Corporate Control: Part 2- Honest Money FLAGSHIP - 05/12 - 05:59 EST pm <http://dctv.org/Live>) are the places to follow.

What is going on now? Last week the General Counsel of the DC Council was replaced.

[Alis Castano](#) Still believe you live in a "democracy" ? Nope. It's an OLIGARCHY.

[Study: Congress literally doesn't care what you think](#)

"Professors Martin Gilens (Princeton University) and Benjamin I. Page (Northwestern University) looked at more than 20 years worth of data to answer a simple question:

Does the government represent the people? Their study took data from nearly 2000 public opinion surveys and compared it to the policies that ended up becoming law. In other words, they compared what the public wanted to what the government actually did. What they found was extremely unsettling: The opinions of 90% of Americans has essentially NO IMPACT AT ALL. Gilens & Page found that the number of Americans for or against any idea has no impact on the likelihood that Congress will make it law. "The preferences of the average American appear to have only a miniscule, near-zero, statistically non-significant impact upon public policy." One thing that does have an influence? MONEY. While the opinions of the bottom 90% of income earners in America have a "statistically non-significant impact," Economic elites, business interests, and people who can afford lobbyists still carry MAJOR INFLUENCE. Nearly every issue we face as a nation is caught in the grip of corruption."

[Anglo-American Money Owners Organized World War II, by Valentin Katasonov](#)

To mark the 70th anniversary of the Victory against Nazism, we publish a study of Valentin Katasonov on financing of the NSDAP and the rearmament of the Third Reich. The author deals with new documents that confirm the organization of the Second World War by US and UK Bankers, covered by President Franklin Roosevelt and Prime Minister Neville Chamberlain, in the hope of destroying the USSR. The war was not unleashed by frenzied Fuhrer who happened to be ruling Germany at the time. WWII is a project created by world oligarchy or Anglo-American "money owners". Using such instruments as the US Federal Reserve System and the Bank of England they started to prepare for the next world conflict of global scale right after WWI. The USSR was the target.

The Dawes and Young Plans, the creation of Bank of International Settlements (BIS), the Germany's suspension of reparations payments it had to pay according to Paris Peace Treaty and the acquiescence of Russia's former allies in this decision, large-scale foreign investments into the economy of Third Reich, the militarization of German economy and the breaches of Paris Treaty provisions – they all were important milestones on the way of preparing the war. There were key figures behind the plot: the Rockefellers, the Morgans, Lord Montagu Norman (the Governor of the Bank of England), Hjalmar Schacht (President of the Reichsbank and Minister of Economics in the Hitler's government). The strategic plan of Rockefellers and Morgans was to subjugate Europe economically, saturate Germany with foreign investments and credits and make it deliver a crushing blow against the Soviet Russia so that it would be returned into the world capitalist system as a colony."

**Colonel Jagjit Singh Siddhu was responsible  
for enforcements of the Russians  
with English and French equipment from the Asian side.  
When the Russians were losing they got lot's of equipment,  
when the Russians were winning he told the Russians that  
there was NO equipment available at all.  
The Russians then blinked with one eye,  
and then they all drank tea together.  
This PROLONGED the war for 2 years  
according to this Indian gentleman.**
