To the Coalition for the Rule of Law:

I am showing you a three year old tweet containing a comment that RT never posted, all about the corruption in the world's auditors. <https://s3.amazonaws.com/khudes/Twitter6.27.15.1.pdf>

The Banking Cartel blocked last week's Tweet, so I am reprinting it at the back. The Banking Cartel has obviously forgotten that with the critical mass of people who see the difference between reality and their lies, blocking the information that I provide only backfires by confirming the existence of the Banking Cartel and what it is they are trying to censor. What are they trying to censor? That all the attempts to steal humanity's assets in the Global Debt Facility, including the world's monetary gold reserves, have failed. The Banking Cartel consists of bumbling, impotent, idiots. Their attempts to hide my posts only confirms the existence of these assets that do not belong to the Banking Cartel or any of its agents, including that liar TIBURCIO VILLAMOR MARCOS TALLANO TAGEAN IV:

Another day, another failed attempt of a crook trying to steal the wealth of the world in the Global Debt Facility:

Karen Hudes right now

As a whistleblower who was retaliated against for trying to correct inaccurate financial reporting in the World Bank's financial statements, I testified in 2012 about the corruption in the international financial system to the Committee on Budgetary Control of the European Parliament. I also reported this corruption to Dr. Josef Moser, President of the Austrian Rechnungshof and Secretary General of the International Organization of Supreme Audit Institutions. The staffmember in the European Parliament who advised me to keep my email to Dr. Josef Moser was fired for his efforts to end the corruption I had reported.

The comment will be published after moderation

To Dr. Josef Moser, President of the Austrian Rechnungshof and Secretary General of INTOSAI

Your Excellency,

I have been reporting significant and pervasive control deficiencies at the World Bank for many years as in-house counsel at the World Bank. The World Bank refused to cooperate with a US Government Accountability Office investigation requested by Senators Lugar, Leahy and Bayh:

"In March 2009, GAO staff stated that 'we cannot begin this work because of challenges we recently faced in gaining access to World Bank officials to discuss these types of questions. We are continuing to negotiate access with World Bank officials but this process is likely to take at least several months.' Senator Lugar's staff continues to press the World Bank and GAO to begin this report during the first half of 2010."

See page 18 <http://www.foreign.senate.gov/imo/media/doc/55285.pdf>

I am now a bondholder of the IBRD, and commenced litigation against IBRD and its external auditor, KPMG. I have requested the Board of the World Bank to remove this litigation from the DC Circuit Court of Appeals.

The World Bank's General Counsel, who is supervising the litigation, is part of the internal control lapses.

I have testified before the European Parliament and the UK Parliament posted my evidence on its website twice. The latest testimony was published on November 2, 2012 and is at:

<http://www.publications.parliament.uk/pa/cm201213/cmselect/cmpubadm/writev/publicpolicy/m03.htm>

I spoke this morning at length with Mr. Einar Gorrissen about my request for INTOSAI to advise the Dean of the World Bank's Board, Dr. Merza Hasan, on this matter.

Sincerely,
Karen Hudes

Hai,

Wat bedoel je precies met 'dit'?

Ik blijf moeite hebben met generale termen als "bring into compliance" en "rule of law" als je niet precies uitlegt wat je concreet bedoelt. Sorry.

De e-mail aan Dr. Josef Moser zou ik persoonlijk als Word-document bewaren als in het attachment: met datum, zender en afzender in de bestandsnaam.

Hi
What does this mean precisely? I still have difficulty with your generalizations like "bring into compliance" and "rule of law" without precise definitions and concrete meanings. Sorry.

I would keep your email to Dr. Josef Moser as a Word-document with date, sender and recipient in the file name.

This is all a lie. I do not WISH TO HAVE ANY FURTHER CONTACT WITH YOU. ALL OF THIS HOGWASH IS BARRED BY THE STATUTE OF LIMITATIONS, AS I HAVE PREVIOUSLY EXPLAINED MANY TIMES TO THAT LIAR AND CROOK, TVM. THERE IS NO RENEWAL REQUIRED TO THE BILATERAL MINESFIELD BREAKTHROUGH SUCCESSOR AGREEMENT.

AS FOR ANY CURRENCY MANIPULATIONS YOU ARE PLANNING, THEY ARE BLOCKED, AS YOU DO NOT OWN THE WORLD'S MONETARY GOLD AND HAVE NO ABILITY TO DEAL WITH IT IN ANY WAY. NO MONEY SYSTEM CAN REMAIN DETACHED FROM THE WORLD'S GOLD, AND YOU HAVE NO ABILITY TO INSTITUTE A GOLD STANDARD WITHOUT THE WORLD'S GOLD.

YOU ARE BLOCKED. I DO NOT NEED YOUR CONSENT FOR ANYTHING, YOU ARE COMPLETELY IRRELEVANT.

Sincerely,

Karen Hudes

Greetings Ms. Karen Hudes,

I posed this comment on your last week's YouTube presentation, on April 24th 2018. Despite confirming the comment to be present on my "Elder Dragon" account; when

viewing on an alternative account, the comments do not appear. Therefore, to establish contact and an understanding, I have reached out to your provided email address.

I have been involved with the workings of HRH TVM and Alpha Omega, and the organization generals know who I am.

I cover some of this in the youtube responses, the replies are as follows:

Thank you Ms. Karen Hudes,

The renewal of The 30-Year Bilateral - Trilateral Minesfield Breakthrough Successor Agreement, was originally to be signed during the ASEAN Summit, by TVM, President Trump and President Duterte; but, since was rejected by President Duterte, TVM has renewed with Pres Trump on the mainland United States.

The authority of HRH TVM as the King Of Recognized Asset Nations over the account AAA-MCD-777-INFINITE GLOBAL ACCOUNT, allows him to do this.

The following signatories of The World Bank Group's "Infinite Bank Statement" must therefore abide by his authority...

- H.E. Pres. Robert Zoellick (World Bank)
- H.M. Queen Elizabeth Windsor II (England)
- H.E. Sec. Gen. Ban Ki-Moon (UN)
- H.E. Pres. Sang-Hyun Song (ICC)
- H.E. Man. Dir. Christine Lagarde (IMF)
- H.E. Sec. Gen. Peter Citrus (BIS)
- H.E. Pres. Hisashi Owada (ICJ)
- H.E. Pres. Giancarlo Del Bufalo (FATF)
- HH. Pope Benedict XVI (The Vatican)
- H.E. Pres. Barack Obama (US)
- H.E. Chairman Ben Bernanke (FRB)
- H.E. Sec. Timothy Geithner (US DoT)
- H.E. Pres. Richard Haass (CFR)
- H.E. Dir. Gen. Francis Gurry (WIPO)

The transition out of the central banking fiat currency system, and into a cryptocurrency and gold backed currency future, is already in implementation phase...

You can confirm for yourself if this information is factual..

And from the video posted Apr 17, 2018 with your reply on behalf of yourself

Elder Dragon 2 weeks ago:

You may not know me, but you may have heard of me. I go by the alias Fates De Whynot. Its a pleasure to meet you

I am connected with Alpha Omega and even Facebook connected with HRH TVM himself. You are correct, and have been correct, on all your information. Thank you.

Its hard to make sense of it all, but the banking cartel, i presume, is the cabal, the ones whom hurt many in their doings; i am against that agenda. I dont know much about the history, perhaps you can help me discern things. I would like to learn more, email one of the Provost Marshals to get in contact with me.

Thank you for your hard work

If you are an Elder Dragon, and connected with Alpha Omega and Tiburcio Villamor Marcos Taguean IV, then you are connected with the Banking Cartel. You are trying to create confusion with your lies.

Elder Dragon 2 weeks ago:

Like I said, it's hard to make sense of it all. Although I've had history with The Red Dragon through The Ambassador, and connected with Neil Keenan representing the Eastern Golden Dragon Family; I am not of either Family.

I have no financial ties or a caste of any system; I told TVM that we are equal as humans and visionaries. Since then, I have aided Alpha Omega with strategizing the next stage; cryptocurrency:

I learnt about you from when I worked with The Ambassador of The Red Dragon Family

<http://neilkeenan.com/neil-keenan-update-the-red-dragons-sweet-talking-ambassador-still-doesnt-tell-the-truth-part-2/>

When Neil Keenan exposed them as fraud, I left and I began working with Neil, and speaking with AO.

So, we have TVM representing the Western wealth, and Neil Keenan representing Eastern wealth. I could be considered an "investigator of truth"

Hence, I have come to you to make sense of it all, I will begin by watching your videos, to understand the current situation, going forward; I don't mean to deceive...

Thank you

This is only an introduction, and I am reaching out to you, for you and I at least have a knowledgebase and connections to AO.

As a final confirmation, since you work for The World Bank, you can confirm the attached to be factual or false.

Thank you for your time and I look forward to your reply.
