Dear Karen,

I read your latest analysis where you mentioned the CIA as crooks not working for America.

The CIA they are Knights of Malta in service to the Authority of Rome & they are working against the American Republic.

Also Karen I came across a speech from General Douglas MacArthur that might interest you & possibly you might find use of that speech.

General Douglas MacArthur addressed the Massachusetts state Legislature in Boston, on July 25, 1951 :

“I find in existence a new and heretofore unknown and dangerous concept that the members of our Armed Forces owe primary allegiance and loyalty to those who temporarily exercise the authority of the executive branch of government, rather than to the country and its Constitution which they are sworn to defend. No proposition could be more dangerous. None could cast a greater doubt upon the integrity of the armed services. For its application would at once convert them from their traditional and constitutional role as the instrument for the defense of the Republic into something partaking of the nature of a PRAETORIAN GUARD, owing its allegiance to the political master of the hour.”

.....

Karen that speech where General MacArthur mentions the PRAETORIAN GUARD shows that the Authority of Rome are known within America's Armed Forces.

America's Armed Forces they have to make a decision on which side they will stand, either with the American Republic or with the Authority of Rome.
