

Welcome Students!

Know exactly how you're doing in class by completing assignments, checking scores, and asking questions of your teacher. You can also access your Kiddom account and homework from home. **Happy learning!**

Directions:

1. Go to www.kiddom.co
2. Sign up using the Class Code given to you by your teacher.
3. Enter your name.
4. Enter a username or email address.
5. Enter a password. *Don't forget it!*
6. Your teacher will get a message to accept you in the class.

What to Do:

- See assignments and directions from your teacher, the skills you're working on, the due date, and how you are being graded.
- Ask the teacher questions, view the assignment file or website, and submit final work.
- When assignments are graded, you can see progress and ask for feedback or extra practice.
