BDSM at the Enema Lounge

#1: Ass Stretching, Gangbang, and Enema BDSM Party

Kiley made her way through the supermarket slowly, looking at the things around her as if contemplating shopping, delaying the moment she would let go, savoring the fear of strangers staring as she exposed herself for all to see. One of the workers watched her for a moment as if she were about to steal, headed over to her, and asked, "Was there anything you needed help with tonight, Kiley?"

Kiley was taken aback by the use of her name. The man, who happened to be well-chiseled and probably a few years younger than her, perhaps barely legal, smiled at her widely and nodded his head. "It's okay. I'm here to collect you, assuming you still want to be collected."

"I see," Kiley mumbled. "I do." Her nerves were obvious, and sensing this, the young man smiled at her again and offered his hand.

"Nothing horrible is going to happen. I'll personally make sure of it." Kiley took his hand and followed him toward the back of the store. Passing the electronics, the baby goods, the shoes, the automotive section, and into a little door reading, "Employees only."

Once in this backroom, Kiley's grip on the stranger's hand tightened as they continued through a warehouse of items waited to be stocked, and ended up at another door. The young, buff worker took his time getting the key out of his pocket and opening the door.

Inside, Kiley saw a number of people relaxing around a couch. In one corner was a cart full of different devices and instruments that Kiley couldn't quite make out. As her usher went to walk forward, Kiley stopped in her tracks.

"You don't have to be here," he assured her once more. "But we are happy to see you." There must have been at least ten men and a few women, but all of them were staring directly at Kiley now as she hesitated.

Kiley nodded and walked forward into the room. Hesitantly, she let go of her usher's hand, and watched him intently as he moved off, apparently in search of someone that wasn't in the room yet.

"Take a seat, honey," one of the women stood up and met her, leading her to the couch in the middle of the crowd, sitting down with her, and continuing to talk. "You are so beautiful," she cooed.

"T-thank you," Kiley responded, trying to focus on the woman and ignore those around her. "You are too." Kiley blushed hard, trembling a bit

The woman pet Kiley's face with the back of her hand. "So soft, and young, honey. You don't need to be nervous. Everyone will love you." The woman kissed on Kiley's neck. A few small woos and other affirmations emitted from the small crowd, and Kiley felt a shock of tingles from her head to her toe. All of a sudden, her pussy was gushing with fluids as the woman continued to loosen her up, kissing up her neck some more before kissing her on the mouth.

"If you'd be more comfortable, we can all get naked," one of the men shouted out. There were giggles.

The woman shot the man a flirty glance, and unbuttoned her own top, showing her bare breasts. "Your turn, sweetie," the woman said to Kiley.

Kiley fumbled with her top, unbuttoning herself slowly, revealing her lacy black bra holding her C-cups in their captivity. The woman kissed her chest, forced the shirt the rest of the way off, and popped her bra. When Kiley's breasts fell out, everyone cheered. Looking around, Kiley could see the men all had erections. The couple women still seated with everyone else were rubbing the men, and themselves, and there was an understanding in the room that it was time for shirts off.

The woman loosening up Kiley took one of her breasts, sucking hard on the nipple before swapping to the next. Kiley bright red face flushed with heat, her vagina quivering in her panties as the woman's hand made its way to her zipper, pulling it down while never disconnecting from her titties.

Kiley reached out and groped the woman's breast quickly, but pulled back, unsure of herself and her role in this event.

"That's it, enjoy yourself, Kiley," the woman said, pushing her down and pulling down Kiley's pants before mounting her and forcing her titties into Kiley's face. Kiley took the moment to grope, suck, and lick on the woman's titties. She touched the woman's bear skin, and felt herself completely lost in the moment. Almost without noticing, she'd been stripped of her panties and was laying there naked, petting another woman as a small crowd continued to watch her. The woman dropped down between her legs, and sucked Kiley's clit deep into her mouth, flicking it hard with her tongue. Kiley shook almost instantly with an orgasm, incapable of holding back. The woman did not stop, though, and continued to eat her out, finger bang her, and send her writhing. Just as Kiley thought she would explode again, the woman backed off, wiped her face, and joined the crowd.

"Kiley," a new stranger said, standing with the young man who had ushered her into this strange

room.

Kiley laid there exposed, dripping from her cunt, realizing now that almost everyone in the room was nearly naked, the woman she'd been fooling around with now kissing another woman, sharing her taste between each other's lips.

Above her stood the new stranger, a dark woman with cold eyes. "I hope you enjoyed that. I hope you're ready for your punishments." She diverted her attention to the woman who had been pleasuring Kiley, "You too." Sheepishly, the adventurous woman joined Kiley once again on the couch.

"You," the woman said to her young man, "ready everything, fetch the cart." He obligingly went to cart and seemed to be setting things up.

"You eat her, it's only fair," the woman instructed Kiley to taste her first bit of pussy. Kiley happily obliged, frightened by the presence of the obvious leader in the group, but hungry to tear away the woman's panties and dive deep into her short bush and breathe in the fragrance of the woman's excitements. As Kiley started in gingerly, the woman grabbed her hair and pushed her hard into her snatch, grinding heavily, going full-sprint toward an orgasm, knowing that time was precious in the duration it would take the young man to prepare everything. Kiley's tongue work was obviously amateurish, but just the opportunity to ride her face was enough to get the last of the woman's juices flowing. As she began to shake hard with an orgasm, the dark, cold woman slapped her across the face. The initial gasp sounded painful, but immediately another gasp of pleasure sounded out behind it, and another, and another, until the woman lay there spent, Kiley's face covered in her goosh.

The crowd clapped respectfully and the mistress bowed to them all while gesturing to the women. "Kiley and Veronica, everyone. They are going to be our stars tonight, and I welcome you all to take out your dicks, flick those peas, and find the balance between pleasure and pain that works best for you. Tonight, you control yourselves. Tomorrow, you may be up here, under my control. As you know, this will be an interactive event, so don't get too excited yet."

"It's all ready," the young man said, wheeling up the cart. Kiley's face went white. She knew what was about to happen, but the reality of the moment set in once more.

"I am Mistress Eva," the dark woman said. "What will you call me at all times?"

"Mistress Eva," Veronica responded quickly.

"Mistress... Eva..." Kiley hesitated.

"On your needs, asses up in the air and toward the crowd."

The women assumed the position. Mistress Eva adjusted the cart beside the couch, in just the right position to be out of view of all the guests. She rubbed her hand over each of the women's asses, smacked them playfully a few times, and bowed to the audience once more.

A few of the men had their dicks out, in their hands, stroking at a pace meant to prolong their ejaculation. The couple women were taking turns sucking a cock, stroking a cock, eating each other. The entire room reeked of sex and anticipation.

"V. first," Eva motioned to her young man, who immediately took a bottle of lube to Veronica's asshole, dropping a few drops on, before returning to the cart and bringing out a butt plug. Without much warning, he shoved it deep inside of Veronica, who let out a screech, but whose pussy could visibly be seen leaking at the fullness in her asshole. The young man pulled the plug out, pushed it back in, and pulled it out. He left it there, and went to Kiley. When he dropped a little lube on her asshole, she had a knee-jerk reaction, almost pulling away.

Kiley's white skin looked like porcelain, and this time as the young man used another plug, he was easy and gentle on her, knowing it to be her first time. "This isn't daycare, boy," Eva said. "Shove it in there."

He obliged, leaning down to Kiley's ear and apologizing as she let out a curdling yelp at the abrupt intrusion. Yet, there was her pussy, wet and leaking just like Veronica's.

The Mistress approached the young man and Kiley, and dipped a finger into Kiley's spread open pussy. Taking it out of Kiley's slit, she offered her finger to her young man, who eagerly sucked it off her index finger, lingering a moment longer than necessary. "You may," was all Eva said before the young man stripped down to his bare skin, his 8" dick flopping out, hard and ready. Without much warning, in his eagerness, he slammed it deep inside of Kiley's open slit, the butt plug making it harder to get into the tight hole without completely splitting her open.

Kiley let out a heavy sigh, and as the man began to pump, the crowd's energy was apparent. More dicks in hands, more dicks in mouths, even a couple men pleasuring each other.

"Take turns on V," she instructed. Half the group instantly rose to their feet, and formed a line behind Veronica, each taking one minute turns penetrating her cunt, smashing into her hard, pulling and pushing on the buttplug, slapping her ass until it was beet red. Three men and the two women remained on the couch, watching, and taking turns pleasuring each other. One of the women remained sandwiched between two men, one in her ass, one in her cunt, and would remain in this position for almost the rest of the evening, the men sometimes switching out with other men in the room. These were men that could control themselves...

As the young man pushed into Kiley's hole, greedily and violently stabbing at her inner walls, the men continued to take short turns on Veronica, nobody trying to explode or fill anybody up with cum just yet. Finally, as Veronica screamed out in ecstasy once more, the Mistress gently had everyone back off. No more sitting necessary. Kiley was close behind her, still only taking the dick of the younger man in the room, whose girth and length made her almost too full. After she writhed and screamed out in ecstasy, he pulled out, a pool of her juices flowing to the ground. Pulling himself together, the young man readied something on the cart as the mistress had everyone stand back. She popped the butt plug from Veronica's ass, pushed her over, and let her lay on one side of the long couch, clearly spent, needing a bit of rest.

"Are you ready for the main event?" Mistress whispered into Kiley's ears.

"Yes, Mistress Eva," she cooed, dizzy with the events going on around her.

The mistress removed the plug from Kiley's ass, and immediately afterwards her young man shoved a tube inside. Attached to the tube was a bag of liquid. The young man aimed Kiley's ass toward the crowd, and slowly lifted the bag to begin filling her asshole with the warm liquid. The immediate sensation of being just short of bursting filled Kiley with panic. As the fluid kept pouring in, she held her breath for a moment, gasped for air, and held her breath again, clenching her cheeks together hard, trying not to spill out. The crowd cheered, still stroking themselves, the threesome still taking place, boners and juices and everything everywhere.

The fullness of the enema made Kiley shake and squirm and want to complain, but she didn't dare move more than a few inches. She knew she had no control left. And yet, for some reason, her pussy still leaked out, her groin still ached to get fucked again.

After a few minutes, the mistress nodded to her young man. He pulled the tube from Kiley's asshole, and told her there was a bucket just behind her whenever she was ready. The crowd

silenced in this moment. Waiting for the stretched out hole to drop its entire load as they gathered around closer, the couples fucking finally standing still with the rest of the crowd.

As Kiley leaned herself back, the flow of fluid from her asshole ran down her legs, down her coochie, onto the couch, and finally most of it came out in one large gush, an audible spilling into the bucket. A couple of the men stood close by and shot their loads at the same time, shooting far enough that they went up Kiley's back, into her hair, and all over the couch. The other men held out for just a moment longer.

"Proceed," Mistress said. And with this, the young man wiped her up with a towel, mounted her asshole, pumped a few times, and deposited his huge load of cum deep inside her freshly enema-ed asshole. Shaking the last drops out, satisfied finally, he moved out of the way. The next man approached, shoved his dick in her pussy for just a few thrusts, and then placing the top of his penis at the absurdly stretched and gaping butthole, he deposited his load as well. They continued until every man had cum into her asshole, the warmth and fullness almost lost on Kiley, now in a daze from the experience.

All the while, Veronica had been lying on the couch, fucked silly and spent before, but slowly playing with herself now. The young man removed the bucket, and wiped down the area around Kiley, the mistresses instructing everyone to find a seat, and for motioning for Veronica.

"You're the bucket now," the Mistress said. In those few words, there was an excitement that Veronica couldn't contain. She quickly jumped to her feet, placed herself below Kiley's raised asshole, and had her mouth wide open. The mistress pushed Kiley's back down gently, instructing her to let the jizz spill out of her asshole, down Veronica's face, into her mouth, sticking in her eyes, covering her tits. Veronica, mouth open, tried to suck down as much of it as she could, and without any instruction, shoved her face to Kiley's gaping hole and sucked hard to get every last drop she could. When she was satisfied that no more would come out, she pushed Kiley onto the couch, mounted her, and began kissing her hard. Kiley kissed back, but was in a daze.

The crowd remained quietly watching, all spent and happy and feeling disgusting about themselves in the best possible ways. The mistress left without another word, leaving her young man to take care of all the cleanup duties and deciding when the night would truly be over.

## #2: Big Black Slave Dick, Butt-plugged Enema for the New Girl, and Double Penetration

When Kiley woke up in a daze, it only took finding Veronica in bed next to her to remember the events of the night before. The enema. The crowd. The men filling her asshole up with their jizz and then Veronica swallowing it and sucking it out. It all seemed so surreal, but here was Veronica

sleeping in her bed next to her, still stinking of jizz and sex, completely naked, and looking beautiful.

“Good morning,” Veronica rolled over, wrapping her arm around Kiley.

“G-good morning,” Kiley stuttered. “I... do you want breakfast.”

“I’d love some, but I probably need to go home and get ready for work,” Veronica cupped one of Kiley’s breasts. “I don’t know if I’ll have enough time to...”

Without finishing her sentence, Veronica continued to grope Kiley’s tits, and then kiss on her bare neck for a moment. Kiley felt chills roll up her spine as Veronica’s hand wandered to her bare pussy, still sticky and dirty from the night before. Massaging her clit, Veronica buried her face into Kiley’s boobs, rubbing hard against them as if she were a cat trying to get pets.

“Let’s go to the shower,” Veronica said, hopping up, basically yanking Kiley along with her. Traipsing through the apartment, over a pile of clothes from the night before, and entering the shower, Veronica took the offensive once more, pushing Kiley against the wall just mere seconds after the hot water started to wash away the grit from the night before. Finger-banging her with two fingers, Kiley’s sappy wet cunt flowed freely, Kiley’s eyes rolling back in her head as her newfound friend continued to fondle her. As Kiley felt herself losing grip on reality further, Veronica dropped to her knees and slammed her mouth hard against her cunt, nibbling at her clit, her fingers still pounding into her slit. Kiley let out a loud moan, began to shake, and almost tried pushing Veronica away as the orgasm intensified and her juices flowed and mingled with the water. When Veronica finally pulled away, Kiley reached for Veronica’s body. Veronica kissed her hard on the mouth and hopped out of the shower.
