The Dark Hungers of Ra *Depravity Five* **By Tasia Winters** *Pen name Aaron Evans. Formerly published in the Scenes of Depravity series* The Pleasure Slave of Horus The Passion of Osiris The Lust of Anubis The Degradation of Isis The Dark Hungers of Ra The Bondage of Bastet **The Dark Hungers of Ra** *The initial gathering always takes place in Don Sergio's room. It's traditional for him to invite all of his guests to his opulent rooms, where introductions are made and the opening ceremonies are completed. It's always a lavish affair full of pageantry, nudity, and opulence. Depravity 2013 was no different. The theme was "ancient Egypt," in keeping with the location, at the Luxor hotel in Las Vegas. It was at the opening ceremony where I chose the people I would interview. Each of them was masked and adorned in the bizarre, pagan costumes we had been provided. I watched this particular man as he bought not one, but two slaves. Immediately, I decided we would have to speak. "Julian" wore a brilliant sun mask of red and gold. Of course he was Ra, one of the most powerful and influential gods of ancient Egypt. He was the perfect man for the part. His desires, his hungers, seemed far beyond any other man I had ever met. Perhaps even enough for a god.**** As I wheeled my newly purchased slave girl from the auction room, I felt like the cat that got the cream. Jenna was a gorgeous young woman, probably about twenty-five. She had dark, shining hair and eyes to match. As was the case with so many of the slave girls, she was topless. She kept herself demurely covered with her hands, though, which I found insanely attractive. "You know you won't be able to keep yourself covered all night." I gave her a sharp smile. "I intend to have every part of you." "Yes, my lord Ra." She gave me a long look, and batted her pretty eyelashes. I loved her role-play. She had called me nothing but "Lord Ra" since I had bought her. For all of her youth, she certainly knew exactly how she was expected to behave. She was both submissive *and* slutty, a combination I found irresistible. "One moment, pet." She gave me a nervous smile, and I stepped back into the auction room. I had to help Leigh with my second purchase. Hailey was a little older than Jenna, but certainly didn't show her age. She had short, strawberry hair, and tattoos of twisting serpents up one arm. Hailey was very fit, but unlike Jenna, had no shyness about her. She sat in her cage, looking for all the world as if it were absolutely normal for her to be topless in a pet cage, being pushed about by strangers. "I have her." Leigh smiled at me, pushing her hair from her face. "I just had to get her through the crowd." I stepped up over to my glorious wife, and gave her a kiss on the cheek. While I was close, I whispered, "You were just trying to get some time alone with your toy." She grinned, biting her lip. "Not yet I wasn't. I figure you'll allow me all the time I need this weekend." "You think." I put my hand on my wife's ass. "Maybe this was a mistake. You're being a little cocky. Perhaps I should have sold you for the weekend." Her smile was wicked. "Never. You did that last year. You would never repeat yourself, not when you think you can do better." I sighed. She knew me so well. "Fine." I capitulated with a grin. "Keep close. We have almost two hours, and I want to get our pets ready." "Yes, my lord Ra." She grinned, lightly mocking me. I gave her a teasing, irritated look. "Hurry up. The sooner we get there, the sooner I can watch some stranger fuck that pretty ass." "Who says you get to watch?" She stuck out her tongue.

Willing pleasure slaves, orgiastic revels, and more!

This is a collection of no-holds-barred true accounts from Depravity- the worlds largest convention for swingers, BDSM enthusiasts, and people with all manner of sexual deviations. I was first invited in 2011, but 2013 is the first year that I created a record of what transpires there. This is an unauthorized biography, and the only one of it's kind.

In 2013, Depravity was held on the top floors of the Luxor, in Las Vegas. This year, for the first time ever, I privately interviewed the attendees, so I could bring you this account.

My very first night at Depravity I watched the public nudity and sexual punishments of those who had misbehaved. Soon, I partook in a slave auction and "won" the attention of three willing women for my weekend. Each of them were young, hungry, and submissive- almost to a fault.

It was the most amazing weekend of my life.

Before the weekend was over, I had fucked, and in turn been fucked by, more people than I remember. I had publicly flogged one of my slaves. I had forced a woman I had never met to service one of my slaves with her mouth, starting with her feet and moving up to devour her more intimate areas. I watched while she came, flogging her pretty breasts with a scourge as she did.

Everything about this spectacle is worth remembering.

That was *last* year. This year, I returned to Depravity with a different goal in mind- to leave with the stories of men and women who punish, torment, and fuck each other with such willing abandon.

I never expected how depraved those stories would be.

The six titles in this series have an Egyptian theme, due to the location of Depravity 2013 being in the Luxor (a pyramid). The series includes:

Depravity 1 The Pleasure Slave of Horus

Depravity 2 The Passion of Osiris

Depravity 3 The Lust of Anubis

Depravity 4 The Degradation of Isis

Depravity 5 The Dark Hungers of Ra

Depravity 6 The Bondage of Bastet

This is The Dark Hungers of Ra.
