«Interior Design in French Classic Style» presents sixty classic interiors, ranging from hÃ´tels particuliers and chÃ¢teaux to renowned restaurants that date back to the 18th century! Whether private or public, these places attract the eye to every detail, every material, proving how great classicism can be the source of joyous admiration and refined pleasure. These prestigious addresses that once hosted kings and queens, these timeless spaces that extend their welcome, show how well thought out decoration and fabrics chosen with taste can cross the centuries, and thus offer a beautiful future to new versions of the classic style! Each place is presented with a text exploring the history and design, and the visit continues through magnificent images, rich in colour and elegant patterns and forms, to captivate the reader time after time.
