Perfect for use in Sunday school, Bible clubs, midweek programs, and even at home with a parent, this wordbook study on salvation introduces children to God's grace.

Clarifying some of the difficult questions surrounding salvation, this wordbook helps children see how they have fallen short of God's glory and are in need of Jesus. Also provided are follow up questions to make kids understand more fully why they should believe in Jesus, and what it will mean for their lives.

The wordbook guides children through the doctrine of salvation with **activities like cryptograms, word searches, coloring pages, quizzes, and interviews with someone "who is part of God's family."** Children also have an opportunity to become a member of God's family and complete a "Certificate of Spiritual Birth."

This workbook, designed especially for kids in grades 2&#x2013;5, complements the rest of the *Children&#x2019;s Wordbook* series. They are great resources for parents and teachers who want to teach children the Christian doctrines of *salvation, baptism, communion, giving, and the Church*.
