This is a work of fiction. All sexually active characters are at least of 18 years or older. Any resemblance to events or people, past or present, living or dead, is not just coincidental but would be fucking surprising.

Hi there. Nice to meet you. Since we're about to become intimately acquainted, you can call me Kat. I'm your friendly lesbian kink explorer, smut peddler and deluxe porn story author. My stories are full of wonderfully depraved lesbian domination, doused with a good dose of peeing, some rough fisting, stretching and hard insertions, anal as much as vaginal, a little bit of public humiliation, abuse and degradation, with the occasional spanking and bondage, sometimes coupled with some gratuitous sperm play in my rare bisexual moments and, of course, all of that with lots and lots of beautiful, regular, naughty and oh-so-willing women.

I know, you're impressed already, right? So before you dive in and delve deep into the story and your own orifices, let me use this precious moment of your time to tell you how you can get some FREE, SELECT books of mine by just [subscribing to my newsletter HERE](#). Also included are regular updates on new stories and sales, and the occasional little gift. Yeah, I know, like you needed any more incentives, but that's just how generous I am.

Chapter 1

„White Cola. Pure-Fresh-Clean. For your needs. For your wants. For your life.“

Emma brushed the advertisement aside and cursed the server. If she wasn't at the end of her credits, she wouldn't hang around here, but things being what they are... For a moment she pondered, if she could get a White Cola for her otherself anyway. Then she'd have to go strip again, that was certainly easy money anyway. But currently...

Currently she had other needs, she decided. And that's why she was here, on this cheap adserver, where only shady characters were hanging out. The surroundings were simple, a few old tree models were arranged to something like a park, which was lit by the occasional prefab street lamp. The whole thing looked too jumbled and symmetrical to seem natural or even classy, but she wasn't here for the surroundings anyway.

In the distance, she saw a few points of light, indicating other visitors or couples, which were at it in the darkness of the trees, shrubs and pathways, and underneath the lamplight a few single women were standing around, looking slightly bored and lightly, if cheaply dressed. She approached one of them, whose profile indicated her name as "Mistress DYRKSPYR". She was in all the usual groups and wore the equally usual shiny black getup, that Emma could spot everywhere around here.

"Hi," said Emma.

No response. Her otherself might just be afk, or busy somewhere else. M;istreSS didn't have a truesign in her profile, but Emma was too aroused to care about that. She sighed and clicked a White Cola for herself, just to feel like her needs weren't neglected. While she was still scraping together the credits, MistreSS suddenly replied back.

"What you want?" she asked.

At least a female voice, Emma thought. Truesign or not, today she wasn't in the mood for guys and at least wanted to believe she was with a woman. "I... discipline, mistress," she said sternly. "I'm here to experience discipline."

MistreSS nodded and her eyes were moving slightly, indicating she was reading through Emma's profile. "As I can see, we've got a few common interests," she remarked dryly. "You want the complete package?"

Emma nodded and took a deep breath. Oh yes, she thought. You don't even know how completely I want that package. "Yes, mistress," Emma answered. "I beg for immediate, harsh reprimand."

The drone arrived when MistreSS took Emma by her hair and forced her to her knees. "Then start acting like an obedient slut," she hissed. Emma's otherself ignored the bot, who was holding the Cola, and devoted herself to the situation. This was just the kind of treatment, she had been hoping for, and the start was already promising. *

A lesbian cyberspace mystery

Just like every day, Emma is looking for a very special thrill on a kinky niche server where she's looking for a Mistress for the night. Just when she was finally on her knees and gets her mouth filled from the pussy of her mistress, her SIM-unit breaks down, tearing her body and mind from the dreamlike state of cyberspace. Aroused, bothered and eager for pleasure, will she find a way to get back in to finish the job?
