Introduction It's good to see you back again and as always; I thank you for the support. As a Detroit Writer I find it very hard to break off into the industry and I'm speaking from experiences. I've entered into Film Festivals; even was a part of a Local Comedy hit Sitcom; which was filmed in Detroit. The name of the Sitcom is called; Bewick and Mack. It's still moving in the right direction and God bless them; because they've been at it for quite some time now. You can check that out on You Tube; if you'd like. But back to us and what we're here for and that's the continuance from where we left off. Little Tee has a little trouble on his hands. He's coming home and seeing the streets as a young adult; for the first time since he was a child. Can you imagine that? He's a strong cat though; so it's going to be like water under the bridge for him. Enough said; so let's get into it.

Chapter 1 "The Continuance." Famous and Trey had the taste for pizza; so they drove to Happy's Pizza, on Woodward and the Boulevard; in order to get the two for ten dollar special. Girl where in the hell have you been hiding? I haven't seen you since the night of the precious incident. Didn't I tell you not to mention that shit ever again Willamina? Nikki said after bumping into him inside of the restaurant. I'm sorry about that girl; please forgive me! Willamina said with his attention on the car Famous was riding in; but mostly on Trey. I see that you're riding with a Hot Boy! Famous giggled. Yeah, he's just a good friend of mine. Well, can you introduce me to him? No, I cannot! Why girl, are you ashamed of me or something? Not at Willamina! It's just that you should already have enough men to play around with; so can I please have my own? The two then began to laugh. Yes and that I do girl! Willamina said; with a twirl of his neck. You don't have to tell me; because I can see for myself. Famous said; based on the flashiness of his dress. Yeah, I'm heading out tonight; after I let some of this pizza slide down my throat. Famous just shook her head; because the cat that she had went to school with; was way pass out of the closet and it was amazing to her. Trey sat in the car with his eyes glued to the scene; wishing that Famous would walk what he thought was a female out and introduced her to him. Ok, here comes my order now! Famous said; being that Trey had called the order in before time. I'm still waiting on your call Famous. I'm sorry about that Willamina; I've just been very busy lately. I can see that! Willamina replied. They both began to laugh again. Girl, let me get out of here and I promise to call you up tomorrow. You do that Famous; because I need you Wednesday. That's cool but let me get out of here. Famous didn't have the time for much chit-chat; because the spot was empty and money was probably being lost behind it. She then said her goodbyes and headed out to the car; where Trey couldn't wait for her

to get there. Dam Famous, who in the fuck was that, you were in there kicking it with? Trust me; you don't even want to know Trey. What in the hell makes you think that? Pull off Trey, pull off Trey! Why would I do that, that shit would be rude as hell Famous? He said as Willamina broke his ass trying to catch them; before they pulled off.

&#x22;Detroit Life After 15 Years&#x22; Is like a good ass movie that never ends! Big Tee is home after serving 15 years in prison. He's home and happy to be; but ends up committing multiple Homicides; in order to protect his new found love. With his D.N.A. left at the scene of the crime and Homicide police hot on his trail, he decides to skip town and head for Arkansas to be with his Grandmother. Shortly after he arrived; he decided that ending his own life, would be better than spending the rest of it where he was just released from. He Hangs Himself and leaves the love of his life pregnant with his child; which turned out to be a boy. She was left hopeless; without anyone to turn to and decided after her son turned 6 years old, that he was old enough to see her dating someone. Well, that first date turned tragic! Her drink was spiked, by the first guy that she trusted to go out with and as an end result, she was introduced to CRACK COCAINE! Little Terrance watched his Mother go from Beautiful to Hopeless and it all happened so quickly. Tired of the numerous men; coming into his house and disrespecting his Mother, he decides to kill one of her regular dates in cold blood. He is then sent off to serve 12 years in a Juvenile facility; until his 18th Birthday, for Murder in the First Degree. If you really want to read some Hood Shit, then here is where it's at.
