The agenda of this E-Book follows thus: First of all, I tell you: which inner-existing-living-quality of yours works (analyzes/ learns/plans/speaks/teaches/writes etc.) on every subject & object?. After that, I tell you: how this inner-existing-living-quality of yours (which is pointed by me in this E-Book) is NOT your Mind & Brain?. After that, I tell you: how your Mind & Brain do not & cannot work (analyze/learn/plan/speak/teach/write etc.) on any subject & object?. After that, I tell you: which is that technical-act - which if you stop performing during working (analyzing/learning/planning/speaking/teaching/ writing etc.) on any subject or object, you essentially live, on your own, beyond time & space (forever) as the universe's ultimate worker in the same capacity in which you work?. After that, I tell you: how you essentially live, on your own, beyond time & space (forever) as the universe's ultimate worker in the same capacity in which you work, if you stop performing that technical-act (which is pointed by me in this E-Book) during working
