The Billionaire's Party Cow By Maya Nelson Erotic Lactation Stories # 2

I spent the entire week leading up to Friday dolling myself up. I wanted to be drop-dead gorgeous for Enzo and his business associates. A facial, manicure, and pedicure were just the start of the litany of indulgences that I took. Once Friday came, Anton called to inform me that Enzo would be sending a limousine to pick me up. At the end of our conversation, he had one last thing to add. "Monsieur Enzo has a special request. He would like for you to wear something white to match the sweet milk that flows from your breasts." I would have been grossed out if any other man would have said that to me. Enzo, however, was different. His stunning good looks, hospitality, refined tastes, and French accent were just too much for me to handle. I was also intrigued by the way that Enzo shared me freely with Anton, his assistant. It was almost as if he enjoyed group sex more than one-on-one screwing. Maybe that's normal in France. The limousine came just as Anton had promised. The ride over was pretty uneventful. I had a couple of drinks in order to calm my nerves. This was the first time that I would be the center of attention at a party. The fact that guests would all be wealthy businessmen just added to my anxiety. Once I stepped inside of Enzo's apartment, I was greeted by Anton. "Hello, Mademoiselle," he said in his usual thick accent. "Monsieur Enzo and his guests are waiting for you in the parlor. May I take your bag?"

In the second installment of the Erotic Lactation Stories series, Natasha is the center of attraction at Monsieur Enzo's dinner party. At the conclusion of the meal, she realizes that her breast milk is the desert. She is led into a special bedroom where the real party begins.
