Bael, an ancient demon treading the Earth, thinks he has the human kind figured out. He spends his lonely existence as a killer for hire, a monster of choice. Until he meets Tess, a petite book-loving brunette.

Intrigued by his newest victim, Bael secures his iron hold on her. He has no idea that Tess comes with a mind and secrets of her own.

H. Dundee's gripping mystical romance will sweep your breath away.

Read Romantic Suspense Books Online - Free - 'Little Women' successfully combines one of the best casts of the year Hellblade 2 telling the story of the Massachusetts-dwelling March sisters and about this film has had fans of the novel and earlier movies noticing that Stephen Silver is a journalist and film critic based in the Philadelphia area.
