Eduardo Lurue&#xf1;a, nine times champion of the world of kung-fu and martial arts and future astronaut, is capable of performing amazing feats, such as winning martial arts fights with blindfolds, doing a handstand with a finger, controlling pain, strengthening his Force to unimaginable extremes or use your mind to attract what you want.

In this book he explains how he got it and offers the practical keys so that any reader can achieve their dreams and goals in life.

For Eduardo Lurue&#xf1;a, the human mind has no edge, and all of us can break the limits imposed by society and education to open ourselves to a new world of infinite possibilities.
