2nd skrÃ¡Ã°a (little tattered booklet) of 40, for bairns of all ages. Ã†gir means the great seas, and he is said to be an ocean-deity. Personifications are misleading. Ã†gir in Norse myths means the Abyss of Waters, Brahman, the Great Void, our consciousness, universal consciousness. We are It. The feast at Ægis´ is transcending the world of thoughts. Goddess Rán, an ocean deity, means The Perfect Orderliness in The Un-manifest, which shines into the created universe in Its image. Rán is from Sanskrit rach. In Óðsmál real meaning of names is given, using etymology and the rich meaning contained in Icelandic names and terms. We need understanding, we need experience of our innermost Self. For that we transcend. Óðsmál gives us understanding of the core and essence of Heathenry. Óðsmál tells us why we choose to be born.
