**Jennifer Garner and Ben Affleck** An Unauthorized Account of the Rise and Fall of Bennifer *By Malcolm Stone All rights reserved (c) 2015 Malcolm Stone* Bennifer Comes To a Bittersweet End: How Ben Affleck and Jennifer Garner's Love Affair Started and Ended On June 30, 2015, a day after Ben Affleck and Jennifer Garner celebrated their marriage of 10 years, an official statement announcing their impending divorce was made. Although rumors of their marriage being on the rocks has been lurking in the shadows, the finality of their relationship left many people curious about the couple and why their marriage has fallen into smithereens. **A Recap of Jennifer Garner and Ben Affleck's Romance** Jennifer who hailed from West Virginia had a deep love for domestic things. She is the kind of woman who has this maternal side and who adored Martha Stewart. Jennifer had a thing for kids and one of her close friends disclosed in an interview with People that she was the best baby sitter. Ben on the other hand, had a much different childhood, Ben who grew up in Boston and was a child star on PBS shows and after Good Will Hunting (1997) his career was up and running. After his marriage to Jennifer, Ben also went into directing. It was during Pearl Harbor in 2001 when Ben and Jennifer first worked together but on the filming of Daredevil in 2002, the two noticed each other despite the fact that they were in a relationship with other individuals. Ben and Jennifer started falling for each other during the set for Daredevil although during that time, Jennifer who starred in Felicity and in Alias was still a rising TV star. Ben, on the other hand, had an established career and he already bagged an Oscar award.
