

SIX STEPS TO SUCCESS - STEP 1

1. Enter the EXACT amount of money you desire to earn as an Oracle DBA including the currency. Be sure to be specific and write it down in the present tense as if you already had the job and are earning the money. For example "I am so happy and grateful now that I have earned \$105,000.

2. Create your full statement: "I am so happy and grateful now that I have earned _____ (amount) _____ (currency)."
