

DBA MINDSET

Six Steps To Your DBA Success

I M G A R D E K O K O B E

WHAT YOU WILL LEARN

*Learn the six principles which will guarantee an
Oracle DBA Job for you*

STEP 1

Decide Exactly How Much You Want

You reviewed the Oracle DBA salary range in module 2

Now what?

Step 1 - How much do you want to earn? -Decide and write it down on a sheet of paper

What is the importance of being specific?
Download, print out and complete the worksheet.

STEP 2

Determine Exactly What You Intend To Give Up

In step 1 , you decided how much you wanted to earn as an oracle DBA.
Now what?

Step 2 - Determine exactly what you are going to give up.

On your sheet of paper, list the things you are going to trade-off so that you can free up the space for your goal achieving DBA activities.

Download, print out and complete the worksheet.

STEP 3

Establish A Definite Date

In step 1, you decided on the amount of money you wanted to earn.

In step 2, you created a list of things you were going to trade-off for your DBA goal achieving activities.

Now what?

Step 3 - You have to decide when you want to start your Oracle DBA job. Pick the date.

Download, print out and complete the worksheet.

STEP 4

Create A Plan And Get Moving In That Direction

In step 1, you decided on the amount of money you wanted to earn.
In step 2, you wrote your list of things you were going to trade-off for
your DBA goal achieving activities.
In step 3, you picked your start date.
Now what?

**Step 4 - You create a plan with action items you can start doing today
to move you in the direction of your goal.**

Download, print out and complete the worksheet.

STEP 5

Write out a clear concise statement

In step 1, you decided the amount of money you wanted to earn
In step 2, you wrote your list of things you were going to trade-off for your goal achieving activities.

In step 3, you picked your start date.

In step 4, you created your plan for achieving your goal.

Now what?

Step 5 - You write down a clear concise statement for the amount of money you intend to acquire as an Oracle DBA, state the date for its acquisition, state what you intend to give up/do to get your DBA job.

Describe clearly the plan through which you intend to get your DBA job.

Download a copy of the goal card (link is provided on the course page).

Create your goal card and post to the class page

Download, print out and complete the worksheet.

STEP 6

Read Your Written Statement

In step 1, you decided the amount of money you wanted to earn
In step 2, you wrote your list of things you were going to trade-off for your goal achieving activities.

In step 3, you picked your start date.

In step 4, you created your plan for achieving your goal.

In step 5 – you wrote down your goal on your goal card.

Now what?

Step 6 – Read your written statement TWICE a day, once just before going to sleep at night and again immediately after waking up in the morning.

Make this a habit

Download, print out and complete the worksheet.
