## **PRAYER REQUESTS:**

*(If you have requested prayers for someone, please provide updates when you can.)*

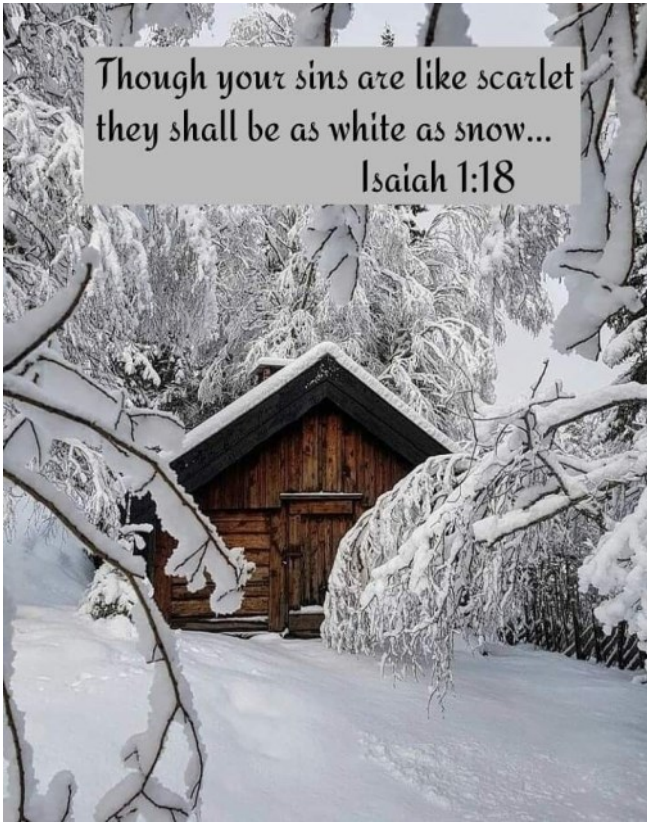

- **Keith Lee**, Kacey Johnson's father, has blockages in his legs and heart that will require stents to help remove them. His heart is currently working at 50%, so this is a serious procedure that could lead to surgery if unsuccessful. Please keep him, Kacey, and the family in your prayers.
- **Wade Henson**, friend of Keith Lott, has been diagnosed with liver and pancreatic cancer. Please remember him and his family in your prayers.
- Please be praying for **Christy Uldrick**, a fellow vendor at The Lucky Rabbit with Pat Watkins. Christy is a diabetic and has a serious infection in her foot that isn't responding to a second round of antibiotics. **Update**: Christy has been hospitalized with IV antibiotics in an attempt to save her foot. Please continue to pray for her.
- Brandi Bassett requests prayers for her sister, **Whitney Purser**. Whitney has fluid buildup on her brain that will require a procedure to remove it, but due to insurance issues she cannot have the procedure done until she returns to Mississippi next year. There are serious health issues that could arise until she has the procedure done. Please keep her in your prayers.
- **April Montgomery**, friend of Michelle Morrow, is having some tests done. Please be praying for good results. **Update**: April got good results from her tests!
- **Jessica Lammers**, daughter-in-law of Carol Lammers has multiple health issues and needs prayers.

- **Cancer**: **Jessie Pope, Rick Bedwell, Tom Smithmier, Kaitlynn Lankenau, Regina Crosby, Linda Wilson, Sharay Wyndham, Mark Pendergrass, Robert Barrett, Wade Henson**
- **Ongoing health issues**: **Tommy Trussell, Tom Smithmier, Cookie Midgette, Lamar and Margaret Pitts**
- **Those grieving the loss of loved ones**: **Tom Smithmier**

1 Thessalonians 5:

**16** Rejoice always, **17** pray without ceasing, **18** give thanks in all circumstances; for this is the will of God in Christ Jesus for you.
