

Ken Stone is the founder of the Academy of Spiritual Leadership and Mastery, and creator/conduit for *Divine Connecting Breath*, *Beneath the Sand* and number of other profound spiritual practices, along with the transformational *Foundations of Spiritual Mastery I* course.

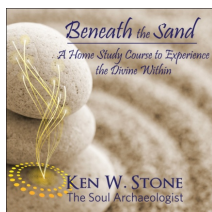

*Ken has one of the most beautiful and gentle souls I've ever known. He is able to energetically touch the physical, spiritual, & energetic bodies & re-tune them to the Divine perfection they are meant to naturally be." – Rachael Jayne Groover Author: Powerful AND Feminine"*

Ken has helped thousands of people all over the world remember and experience their Divine nature – from Spiritual Messengers exploring greater authenticity, to people suffering from physical pain and emotional challenges, to people wanting to transcend knowing spiritual truths to actually *experiencing* them.

*"I think the better word for what Ken does, is "bless." I have had some wonderful healing work done on me by some very powerful healers and Ken is, bar none, THE most powerful healing force I have ever encountered. Truly, truly amazing and miraculous! Whoa!" – Angelique Singer*

After discovering his spiritual gifts in the fall of 2007, Ken let go of his ideas of what he thought his life would be and embarked on a radical journey to embrace his purpose. In the process, he went from being an unhappy mortgage lender and distant and unengaged father, to being a present, authentic parent, living a joy-filled and spiritual life, witnessing and encouraging Divine expression every day.

*"After Ken's event last night, for the first time in my life I am actually seeing the Divine in my son, and in myself. I don't mean I want or wish to see it – I mean I'm actually seeing it." Jana Sullivan.*

Ken has spoken along-side such luminaries as Neale Donald Walsch, Lynne McTaggart, Dr. Bernie Siegel, Marianne Williamson, Don Miguel Ruiz, Barbara Marx Hubbard, Sonia Choquette, and many other powerful spiritual leaders.

*"In addition to feeling more present in my body and my life, I am experiencing more ease, clarity, and grace. The pieces of the puzzle are joyously manifesting faster than ever before and I have a new curiosity for what will happen next! Life has become an exciting adventure as I experience deeper trust in myself and God." – Christine Kloser Founder: The Transformational Author Experience and Three-Time Award Winning Author*

Years of studying countless stacks of books, and meditating, and brainwave entraining, and working with spiritual teachers and counselors, and trying all sorts of things that other people said had helped them, but none of which helped me. None of which had budged the depression. In fact, doing all that just made the depression worse. Then one group session with Ken and the depression was suddenly, inexplicably, amazingly gone.” Kathryn - Texas*
