

About Us:

At KEAH, we are committed to delivering exceptional veterinary care to horses, utilizing advanced techniques and technology. We are seeking a knowledgeable and compassionate Equine Technician to join our team on weekends. The ideal candidate will have experience in equine care and a strong desire to support both our veterinarians and our equine patients.

Key Responsibilities:

- Assist veterinarians with exams, treatments, and diagnostic procedures
 - Administer medications and monitor hospitalized patients
 - Maintain cleanliness and safety in all areas of the hospital
 - Monitor patient vital signs and report changes
 - Handle horses safely, including leading, restraining, and loading/unloading
 - Assist with emergency cases and critical care as needed
-

Qualifications:

- Previous experience of handling and working with horses (required)
 - Veterinary technician experience preferred (equine experience strongly preferred)
 - Able to lift 50+ lbs and work on your feet for extended periods
 - Strong work ethic and attention to detail
 - Comfortable working independently and in a fast-paced environment
 - Weekend availability is required
-

Benefits:

- Competitive hourly wage
- Opportunities for ongoing professional development and specialization
- A supportive and collaborative team environment
- Access to cutting-edge technology and equipment
- Opportunity to gain hands-on experience
- Supportive work environment
- This position does have the ability to turn into Full-Time which includes a full time benefit package if the applicant would like to pursue
