

## APP 1.0 POSITION – HEMATOLOGY/MALIGNANT HEMATOLOGY

Markham Stouffville Hospital (MSH) Corporation is a large community hospital with three sites – Markham Stouffville Hospital, The Uxbridge Cottage Hospital and The Reactivation Centre – that has a reputation for excellence in progressive community care. The hospital is uniquely positioned with cutting edge technology, expansive new facilities and a supportive and welcoming community. With a focus on patient experience, safe, high quality care and innovation, our dedicated team of physicians, staff and volunteers provides care to over 300,000 patients a year. The hospital has capacity to grow a number of programs and services as we evolve to meet the needs of our growing community.

At Markham Stouffville Hospital, we are *honoured to care*. We are looking for an enthusiastic and skilled full-time (1.0 APP) hematologist proficient in both malignant and benign hematology to help MSH deliver world-class *care beyond our walls*. The successful candidate will join a service that provides high quality, patient-centered oncology care within the Markham Stouffville community and MSH catchment area, and be involved in a complete spectrum of benign hematology services (including thrombosis and transfusion medicine) to the community, and very active inpatient/outpatient general medical, surgical and obstetrical programs. MSH has a very active obstetrical program with more than 3500 births per year. The successful candidate would be encouraged to participate in clinical trials as well as develop any areas of special interest. On Call duties are shared with the oncology team and there is no requirement for internal medicine call.

The ideal candidate will be collegial and committed to providing an exceptional caliber of patient care at MSH. The preferred candidate:

- Will have successfully completed and achieved certification in Internal Medicine and Hematology
- Be licensed to practice medicine in Ontario with an unrestricted license and in good standing with the College of Physicians and Surgeons of Ontario
- Will have strong inter-personnel skills and leadership qualities
- Will have either an interest in or additional teaching/research experience

Applications will be accepted until February 28<sup>th</sup>, 2019. We invite all interested and qualified candidates to submit an expression of interest and current Curriculum Vitae to:
