As representatives of Christ, it is our mission to fully equip our students for life. We will actively pursue this mission through the following means: (1) With our talents—by providing a high quality education; (2) With our love for the lost—through various opportunities to witness Christ to them; and (3) With our love for Christ—through various opportunities to disciple and mentor students to a deeper relationship with their Lord.

Our ultimate goal is that students would know, love and honor Jesus Christ.
