About the Global Outreach Conference, March 20-25, 2009

The elders and the Global Outreach Committee want to thank all of you that did so much to make this year's Conference a very good one. They sense that the visiting missionaries were ministered to and in return that they ministered God's encouragement to us. He is certainly doing wonderful things all over His world. It truly is great to see the evidence that Christ is building His church, and that the very gates of hades cannot prevail against Him and His church.

The special offerings over and above the regular giving to our church budget, were just a few dollars below \$6,000! Thank you Lakesiders for being such great hosts to many of our missionaries. With this giving we were able to provide for their expenses and give all the speakers honorariums.

Ron Grossman from Israel's Hope Canada wrote: I really enjoyed Dr. Brewer's teaching. What an encouragement to see Mr Beard still active. He is a great example. My hosts were A1, and I enjoyed being there. Thank you for everything. Your conference was well put together and I really enjoy the seniors.

Dr. Monroe Brewer's wife Joan, wrote: We are still talking non-stop about how great last week was! We think you have the best church; such great people in the congregation; such incredible talents; such kind hospitality. Thank you for covering so many details. It was so well run we feel totally spoiled. Bless your hearts!!

Lakeside Christian School

Kindergarten-12th Grade

As representatives of Christ, it is our mission to fully equip our students for life. We will actively pursue this mission through the following means:

- (1) With our talents—by providing a high quality education.
- (2) With our love for the lost—through various opportunities to witness Christ to them.
- (3) With our love for Christ—through various opportunities to disciple and mentor students to a deeper relationship with their Lord.

Our ultimate goal is that students would know, love and honor Jesus Christ.

Call today for a tour and interview to register your child for the 2009-2010 school year. **727-461-3311 - Monday-Friday - 8AM-4PM**
