Strengthening Your Marriage by Wayne Mack

Joe Trofemuk, Room W-9

God has designed marriage to be a relationship of deep unity and strength. Learn how to meet marital challenges with growing success through biblical insight and practical information on marital roles, communication, finances, sex, child rearing, and family worship. Geared for husbands and wives to study together to offer true hope and help where couples need it most. *Book will be available on the Book Table*

Fundamentals of the Faith by Grace Community Church

Steve Traum, Room W-10 (starts September 10)

This very interactive class will apply to all, from new to mature believers, and will focus on growing in Christ and glorifying God through faithful application of Biblical fundamentals to our daily walk. *Book will be available on the Book Table*

Exposing the Myths of Darwinism

Rich Akin, Room W-11

Evolution is one of the greatest stumbling blocks to the Gospel today. We encounter people who have no knowledge of the Bible and believe that science has proved evolution is a fact and God is not. The class presents easy to understand information that demonstrates science and the Bible are compatible and the evolution hypothesis is crumbling. *Handouts in Class*
