As representatives of Christ, it is our mission to fully equip our students for life. We will actively pursue this mission through the following means:

- (1) With our talents - by providing a high quality education.
- (2) With our love for the lost - through various opportunities to witness Christ to them.
- (3) With our love for Christ - through various opportunities to disciple and mentor students to a deeper relationship with their Lord.

Our ultimate goal is that our students would know, love, and honor Jesus Christ.
