Applied Christian Training Studies

A.C.T.S. Classes

September 5th-December 19, 2007—Wednesday Evening Classes—7PM—8:30PM

“Isaiah: God Saves Sinners” (by Raymond C. Orlund, Jr., R. Kent Hughes) **Part 1** (Part 2 will be offered in January) Isaiah is widely considered the deepest, richest, and most theologically significant book in the Old Testament. It is, without question, a profound statement by God about His own sovereignty and majesty spoken through His chosen spokesman, the prophet Isaiah. **RIGG WHITE—ROOM W-9—Coed**

“An Inductive Study of Ephesians” (class questions provided in class) In this class, we will use an inductive Bible study method in order to systematically analyze and interpret the original intent of Ephesians. The emphasis in this class will be on breaking down the flow of teaching used by the author in order to understand the overall and subordinate themes of Ephesians. The student will come away from this class with an outline of Ephesians as well as the tools to do the same type of studies on other books of the Bible. **ROBERT FRAIRE—ROOM W-10—Coed**

“Exposing the Myths of Darwinism” (handouts in class) Evolution is a universal acid that destroys faith and culture by stating that science has disproved God. Yet, sadly, most Christians are ill-equipped to counter its truth claims, which are taught as fact in most schools. Join us in exploring this modern day fairy tale for adults, and in being equipped with simple facts to effectively tear down this barrier to the Gospel. **RICH AKIN—ROOM W-11—Coed**

“Be Real” (by Warren Wiersbe) An expository book on the book of Romans. The purpose for teaching this class is a great need amongst the Spanish community for true Biblical teaching. This will be a class that will go through the book of Romans and back to the basics of God’s truths. **HANNAH JENKINS—ROOM W-3—Spanish Women’s Study**

“When People are Big and God is Small” (by Edward T. Welch) Overcoming peer pressure, codependency and the fear of man. Biblical and practical. The reader does not need a problem with peer pressure or codependency to profit from this book. Opens our eyes and directs us back to God and His Word to overcome the fear of man.

CARLA JENSEN—SCHOOL (room to be determined) - Women’s Study

September 7th-December 21, 2007—Men’s Friday Morning Study—6:15AM-7:30AM

“The Fruitful Life” (by Jerry Bridges) Explore the 9 aspects of the “fruit of the Spirit” described in Galatians 5:22-23; love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. He clarifies the cultivation process by showing us how to practice the fruit in real life. **PASTOR KRELOFF—OVERFLOW ROOMS—Men’s Study**
