

Lakeside Christian School

As representatives of Christ, it is our mission to fully equip our students for life. We will actively pursue this mission through the following means:

- (1) With our talents - by providing a high quality education
- (2) With our love for the lost—through various opportunities to witness Christ to them
- (3) With our love for Christ — through various opportunities to disciple & mentor students to a deeper relationship with their Lord.

Our ultimate goal is that our students would know, love and honor Jesus Christ. Call today for a tour and interview 727-461-3311, Monday-Friday, 8AM-4PM.

In the Beginning: Science and Genesis 1-11—Led by Rich Akin Room W-9
In this "Year of Darwin," atheists have loudly proclaimed that science disproves the existence of God and missiologists indicate the "theory" of evolution has become one of the greatest barriers to the Gospel. This course demonstrates, in an easy to understand manner, that science rightly viewed is in fact in concert with the clear teachings of the creation and catastrophe events set forth in Genesis. Those completing the course will receive the related lecture notes and PowerPoint presentations for future reference.

Bring your Bibles!

Ecclesiology Class *Systematic Theology* by Wayne Grudem- Led by Rigg White Room W-11
The purpose of this course is to orient people to the program of God throughout the ages, understanding how the Church fits in to His program. Questions will be asked such as: What is the Church? Why is the Church here? What is the Church supposed to be doing? And how is the Church supposed to do it?
