

As representatives of Christ, it is our mission to fully equip our students for life. We will actively pursue this mission through the following means:

- (1) With our talents - by providing a high quality education
- (2) With our love for the lost—through various opportunities to witness Christ to them
- (3) With our love for Christ — through various opportunities to disciple & mentor students to a deeper relationship with their Lord.

Our ultimate goal is that our students would know, love and honor Jesus Christ. Call today for a tour and interview 727-461-3311, Monday-Friday, 8AM-4PM.

August 29, 2013

To the children, their families, Children's Ministry Volunteers and faithful church body of Lakeside Community Chapel,

Greetings,

I just want to take this moment to share how much I have enjoyed working and serving with you in the Children's Ministry over the past 39 years, and the last ten years on staff as Children's Ministry Director. It has been such a joy to watch the children grow and mature in their daily lives and individual walk with the Lord. What a blessing to see some of those first children I worked with many years ago to now have their own children that are part of the Children's Ministry, and to see others who have gone on to serve in various ministries.

Last year I had the privilege of working in the After Care Program at Lakeside Christian School. I very much enjoyed working with and getting to know the students and learning their specific needs.

In God's perfect plan and timing, I have now been given the opportunity to serve at the school on a full-time basis to help not only with the care and welfare of the students, but with additional responsibilities as well.

So it is with mixed emotions of sadness, that I will no longer serve in the Children's Ministry as Director, but with excitement to join the school staff and start my new responsibilities there.

Please join with me in prayer and support as we welcome Amy Palmer to the Lakeside staff as the new Children's Ministry Director.

In His Service and Love,

Cheryl Provasoli

In the Beginning: Science and Genesis 1-11—Led by Rich Akin Room W-9
In this "Year of Darwin", atheists have loudly proclaimed that science disproves the existence of God and missiologists indicate the "theory" of evolution has become one of the greatest barriers to the Gospel. This course demonstrates, in an easy to understand manner, that science rightly viewed is in fact in concert with the clear teachings of the creation and catastrophe events set forth in Genesis. Those completing the course will receive the related lecture notes and PowerPoint presentations for future reference. **Bring your Bibles!**

Systematic Theology Class - Led by Rigg White Room W-11
One of the primary missions of the Elders of Lakeside is to equip the church with an in depth understanding of the vital doctrines of the Christian faith. One avenue to accomplish this goal is through a series of deep yet relevant and accessible classes in systematic theology. This fall, Rigg White will continue with another class to accomplish this goal. Final determination of the book will follow next week.

Signups will begin next Sunday, September 1st

Friday Morning Men's Class
