

As representatives of Christ, it is our mission to fully equip our students for life. We will actively pursue this mission through the following means:

- (1) with our talents - by providing a high quality education
- (2) with our love for the lost—through various opportunities to witness Christ to them
- (3) with our love for Christ — through various opportunities to disciple & mentor students to a deeper relationship with their Lord. Our ultimate goal is that our students would know, love and honor Jesus Christ.
