

As representatives of Christ, it is our mission to fully equip our students for life. We will actively pursue this mission through the following means: (1) with our talents - by providing a high quality education; with our love for the lost—through various opportunities to witness Christ to them; and (3) with our love for Christ — through various opportunities to disciple and mentor students to a deeper relationship with their Lord.

Our ultimate goal is that our students would know, love & honor Jesus Christ.
