2012 Fall Semester—Applied Christian Training Studies (A.C.T.S.)

Wednesday Evening Co-Ed Classes

September 5th – December 12th, 2012, 7:00PM – 8:15PM

In the Beginning: Science and Genesis 1-11 – Led by Rich Akin
Room W-9

In this "Year of Darwin", atheists have loudly proclaimed that science disproves the existence of God and missiologists indicate the "theory" of evolution has become one of the greatest barriers to the Gospel. This course demonstrates, in an easy to understand manner, that science rightly viewed is in fact in concert with the clear teachings of the creation and catastrophe events set forth in Genesis. Those completing the course will receive the related lecture notes and PowerPoint presentations for future reference.
Bring your Bibles!

Nine Marks of a Healthy Church, by *Mark Dever* - Led by Rigg White
Room W-11

9Marks study is not here simply to point out all the problems with the church; nor intend to suggest an innovative approach to "doing church." Rather, the goal is to point the way back to healthy church life by calling attention to the timeless biblical priorities, principles, and methods that God has ordained for the maturity of the local church – God's work, God's way.
Book sold only on the Book Table between Sunday AM services.

Friday Morning Men's Class

September 14th – December 14th, 2012, 6:15AM – 7:15AM

Knowing God, by *J. I. Packer*

Overflow

J. I. Packer's *Knowing God* has become a classic of the Christian faith. Why? While it gives us information about God with clarity and grace, it does much more—it aids us in actually knowing him, in building our relationship with him, and helps draw us closer to him in love and worship.

Book sold only on the Book Table between Sunday AM services.

Sign up today in the Overflow room
following the morning services
