

As representatives of Christ, it is our mission to fully equip our students for life. We will actively pursue this mission through the following means:

- (1) with our talents - by providing a high quality education;
- (2) with our love for the lost—through various opportunities to witness Christ to them;
- (3) with our love for Christ—through various opportunities to disciple and mentor students to a deeper relationship with their Lord.

Our ultimate goal is that our students would know, love & honor Jesus Christ. Call today for a tour & interview 727-461-3311, Monday thru Friday, 8AM-4PM.

Inductive Study Techniques

How to Study the Bible by John MacArthur (Robert Fraire—All ages)

[Starting September 11th @ 9AM—W109](#)

We will be learning basic study skills on how to outline a book of the Bible, find its main themes and flow of thought through observation. This will lead to making proper interpretations of the text and finally how to apply it to our lives. The class will study the Book of 2 Timothy and the emphasis will be on individual study and practice as each person discovers the wonderful truth God has revealed in the Book of 2 Timothy. Everyone is welcome to attend, no prior experience with Bible study techniques is necessary. *Books will be available for sale on the Book Table after morning service.*
