## Bibliology

Bruce Mills

Room W-10

Class begins Wednesday, June 8, 7PM (*Signups begin next Sunday!*)

One of the primary missions of the Elders of Lakeside is to equip the church with an in-depth understanding of the vital doctrines of the Christian faith. One avenue to accomplish this goal is through a series of deep, yet relevant and accessible, classes in systematic theology. This summer the 2<sup>nd</sup> of these classes will be taught on one of the foundational doctrines of the Christian faith—the doctrine of the Bible. Since the Bible is the source of all truth regarding our faith, it is important that believers know what they believe about the Bible and why they believe it. We will study the inspiration, inerrancy, infallibility, and sufficiency of Scripture, the historical development of our Bible, and issues involving various translations. There will not be a required text for the class, but reading assignments will be given from various sources; i.e., handouts, internet, etc. This class is geared for everyone who desires to grow in their knowledge of the truth.

## FREE LABORERS!

This summer Lakeside Community Chapel is sending a short term missions team to Honduras and El Salvador with SOS Ministries to minister to and encourage orphans and widows. To raise funds for this trip team members are willing to do any type of manual labor you may need around your home in return for your donation of any amount towards the trip. The labor can include yard work (cutting grass, trimming trees, etc.), cleaning, minor construction projects, or any other need you may have. If you are interested in having laborers come to your home or you would like more information, please contact Spencer Heckman (727-687-0055) at [spencerheckman@hotmail.com](mailto:spencerheckman@hotmail.com) or Spencer King at [daffyk@msn.com](mailto:daffyk@msn.com).
