## OPENING COFFEE

THURSDAY, JANUARY 13TH  
9:30 AM

Come and join us for an enriching study in God’s Word on Thursday mornings. We plan to study two selections from the Old Testament in the second half of our Bible study year. The first is **The Servant Songs of Isaiah**, four key passages from the book of Isaiah that have been considered among the most significant prophecies of the Messiah. Our final study will be **Ecclesiastes**, written by King Solomon to warn and spare us of the bitterness that comes from a meaningless life lived apart from God. A nursery is provided for your convenience. Please join us!

### The Masculine Mandate, by Richard Phillips

There is a crying need in the church today for men to be men. But competing visions for what a man is to be, some growing out of popular culture and others arising from flawed teaching in the church, are exacerbating the problem. Here is biblical exposition of the most practical sort—teaching that reveals not only what men are to think but what they are to be.
