Instructions:

1. Print this page at the **actual size** (100%) on 8-1/2" x 11" plain paper. DO NOT use settings that re-size the page, such as "Shrink to Fit" or "Fit to Page." When printed, this box should measure 1" x 1".

2. Cut out the templates along the dotted lines.

3. Use the FOAM MARKING template to mark guidelines on your foam disc.
4. Use the FABRIC CUTTING templates to cut out the shapes of your fabric. For one Patchwork Disc ornament, you'll need: TWO pieces of Template #1 and FOUR pieces of Template #2.
