

Mapp v. Ohio / Fourth Amendment Analysis

The Fourth Amendment to the Constitution as proposed and ratified:

ARTICLE THE SIXTH.

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be feized.

"The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrant shall issue, but upon probable cause, supported by oath or affirmation and particularly describing the place to be searched and the persons or things to be seized."
