

# Hydra-Kace HydraSmart

HIGH EFFICIENCY FOLIARS

## 0-0-29

### Foliar Potassium Fertilizer

Hyra-Kace is a highly available liquid formulation of potassium acetate. Hyra-Kace's low salt index and superior foliar absorption quickly increases potassium levels in plants with minimal potential for burn, even at higher rates. Hyra-Kace's organic nature provides greater absorption of potassium than other commonly used potassium sources such as potassium nitrate.

#### GUARANTEED ANALYSIS:

Soluble Potash (K2O) .....29.0%

Derived from: **Potassium acetate**

Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn / garden

Net Weight: 27.75 lbs (11.1 lbs / gallon) Net Contents: 2.5 Gallons
