General Information

KaPre™ RemED8 soil amendment and surfactant
was formulated specifically for greens, tees, fairways,
sports turf and lawns of all types. It designed to maintain
the proper balance of moisture and organic matter
throughout the soil profile, to help manage dry spots
and repair damaged soils, as well as provide
nourishment for beneficial soil microbial populations.

PERFORMANCE
NUTRITION
Performance Nutrition is a division of LidoChem, Inc.

This product is manufactured and distributed by:
LidoChem, Inc. • 20 Village Court Hazlet, NJ 07730
732-888-8000

Application Instructions

KaPre RemED8 is suitable for use on all types of turf
grass.

Maintenance Program: Apply 0.5 - 2.5 gallons of **KaPre
RemED8** per acre bi-weekly throughout the season.

Recovery Program: Apply 1.5 – 5.0 gallons of **KaPre
RemED8** per acre bi-weekly for the first month of the
season. Apply 0.5 - 2.5 gallons of **KaPre RemED8** per acre
bi-weekly throughout the remainder of the season.

NOTES:

- Applications should be made in the morning or late in
the day. If possible, aerify area to be treated.
- Spray green thoroughly.
- After application, irrigate turf down through the
depth of the affected soil.
- For best results, tank mix **KaPre RemED8** with
labeled rates of **KaPre ExAlt Fulvic Surfactant** and
labeled rates of **Pennamin Driver**, **Pennamin High K** or
Pennamin Ca.

Storage

Storage: Store product in original container away from
children and domestic animals. Do not contaminate
water, food or feed by storage or disposal.

Product Disposal: Wastes resulting from the use of this
product may be disposed of on site or at an approved
waste disposal facility.

CONDITIONS OF SALE

Seller warrants this product consists of the ingredients specified and
is reasonably fit for the purpose stated on this label when used in
accordance with directions under normal conditions and use. No one
other than an officer of the seller is authorized to make any warranty,
guarantee, or direction concerning this product. Because time, place,
rate of application and other conditions of use are beyond the sellers
control, the sellers liability from handling, storage, and use of this
product is limited to replacement of the product or a refund of the
purchase price.
