1. In its *Order* dated 05 March 2020, the ERC granted MORE Electric and Power Corporation (MORE Power) a provisional authority to operate as a distribution utility in Iloilo City and formally revoked the provisional Certificate of Public Convenience and Necessity (CPCN) previously granted to Panay Electric Company (PECO). 2. All electricity consumers in Iloilo City should pay their electricity bills to MORE Power starting March 2020 billing period. However, said payments should be made in accordance with the 05 May 2020 Advisory of the Commission;
3. All concerns of the electricity consumers in Iloilo City such as applications for new connections and system maintenance must be addressed to and acted upon by MORE Power;
4. All other issues pertaining to supply and billings prior to the operation of MORE Power shall be resolved by the ERC.

Please be guided accordingly. Thank you.
