

YOU are making a DIFFERENCE!

THANK YOU FOR YOUR CONTINUED SUPPORT!

Your calls and emails helped us get Sexual Harassment Bill HB 1121 to committee on March 10th and to a vote today!

WE ARE ALMOST THERE!

We were overjoyed that HB 1121 was slated for a vote today, only to find this morning that The Metro Atlanta Chamber has come out AGAINST the bill and is actively trying to table it -- But YOU can help!

For your convenience, we've posted a list of the representatives on our website along with their phone numbers and clickable links to their emails! Please contact each and every one of them to ask that they stick to the plan and vote on the bill TODAY!

HB 1121 is a bill that will provide state-level sexual harassment protections for Georgia employees and help make Georgia workplaces safer! Let's work together to make sure that Georgia law protects Georgia employees! HB 1121 will benefit employees by clarifying what is and is not sexual harassment, and by holding harassers individually accountable for their bad actions!

Together, we can make a difference for victims of sexual harassment in Georgia!
